LUXURY SERVICE

to the

City of Dandenong

IN keeping with the rapid development of this busy, wealthy, go-ahead centre of industry, we have created the *Prince Mark Hotel-Motel* to provide luxury facilities and service worthy of the City of Dandenong.

Situated on the Princes Highway, Doveton, we are less than one mile from the heart of the city. Covering six acres, the buildings are set well back from the road, maintaining the 'new look' of Dandenong, at the same time providing parking for 800 cars.

For local residents, visitors to Dandenong, the travelling public, we can offer every amenity and service possible in a first-class hotel and the utmost in comfort in our luxurious *Motel Suites*.

We have beautifully appointed *Public Bars*, air-conditioned, with ample seating, to cater for up to 1000 persons. The *Saloon Bar* features delightful decor, is carpeted and has every amenity for pleasant drinking.

Our spacious *Lounge* will seat 250 persons. Quick-service *Buffet & Snack Bars* present a wide variety of dishes at reasonable prices.

The *Dining Room* with a la carte service, will offer the choicest of foods prepared by our Continental chefs. First-class entertainment will accompany efficient service at our regular *Dinner Dances*.

In designing the *Prince Mark Hotel-Motel*, particular emphasis has been laid on the necessity to cater for the needs of local industry by providing facilities for conferences, conventions, advertising displays, etc.: our *Function Rooms* will provide this facility. We can cater for any type of function, and we are at your service to offer expert help and advice.

Private rooms are available for that luncheon, cocktail party Christmas party or special dinner.

We cater specially for weddings, and menus can be arranged to suit the most discerning guests.

The same high standard has been incorporated in our *Motel Suites*, of which twenty-four have been provided initially, with plans for an additional twenty-four to be erected in the near future. Each suite is delightfully furnished, featuring air-conditioning, private toilet and shower, ample wardrobe and draw space. tea-making facilities, wireless, television, telephone, etc. Several suites have a connecting door and can thus be used as a business or family unit. Add to this *Room Service* by our highly-trained staff, and you have the utmost in high-class motel accommodation.

Indeed the whole atmosphere of the *Prince Mark* is one of relaxed comfort and efficient service.

We offer these amenities for your comfort and we provide the high-class service you demand. May we have the opportunity of catering for your needs.
