Source Information

Ancestry.com. *Australia, Marriage Index, 1788-1950* [database on-line]. Provo, UT, USA: Ancestry.com Operations, Inc., 2010.

Original data: Compiled from publicly available sources.

Description

Vital records—records of births, marriage, and death—are the basic building blocks of family history research, and this database features some of the most comprehensive indexes available of historical Australian marriage records. These indexes were created by Australian registrar's offices after civil registration of births, marriages, and deaths became law in the mid-19th century. [Learn more...](#)
