

Industrial safety gear

ATOM's Industrial and Safety Walkthrough Warehouse has just landed in Dandenong to provide locals with everything they need to get the job done without the retail price tag.

ATOM has got it all covered. With everything from work wear, safety gear, welding equipment, power tools, hand tools, cutting and abrasives, general hardware, lubrication equipment and more, whatever the locals need - they can get it at ATOM.

ATOM's Industrial and Safety Walkthrough Warehouse means customers can browse the range of products up close.

ATOM are encouraging their customers to stop paying retail prices by offering warehouse prices on all of the big brands like Bisley, Steel Blue, Pferd, Hitachi, CRC, Loctite and their attractive buy bulk and save products.

Adam Fisher, ATOM Dandenong's branch manager, is proud of ATOM's unique warehouse model.

"We are all very proud to be the newest addition to ATOM's national network," Mr Fisher said.

"Having worked in the industrial supply industry in this area for almost 20 years, it really is a breath of fresh air to have ATOM's new concept Industrial and Safety Walkthrough Warehouse to support the local industry with stock on hand."

ATOM Dandenong is the team behind the teams driving industry in Australia. By creating a team full of 'local ordinary Australians,' ATOM believes that locals serve locals best - they're nearby, they're part of the community, they're more accountable, and they're contactable.

"We are continuing to build our local team with a real focus on experience in the industrial and safety space," Mr Fisher said.

"I encourage people to come and have a complimentary coffee while exploring the Walkthrough Warehouse. As well as a large
