Hi, I'm Kim, the Complex Manager at your new Bunnings Warehouse in Dandenong. We're moving to a new warehouse that's bigger and even better. Our team is busy getting it all ready and can't wait for you to see it.

Whatever project you have in mind, you'll find the tools you need in our Tool Shop. It's fully stocked with trade quality tools, accessories and storage. Whether you need them for D.I.Y. or your profession, we have the top brands you know and trust to get the job done.

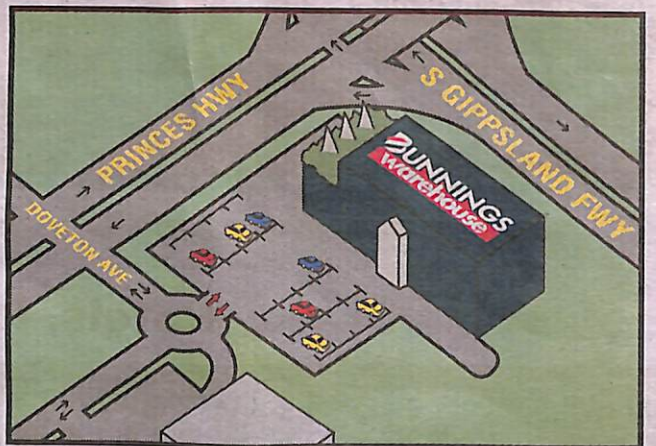

Our Landscape department has a massive range to help you make some big improvements outdoors. From pavers and pebbles to edging and fencing, we've got you covered for all kinds of projects.

We're also making it easier to take on those bigger jobs with our new and convenient three-lane, drive-thru Timber Yard. You can pick up all the timber and building materials you need and get back to your projects in no time.

You'll find our new location at 101 Princes Highway, Dandenong South, not far from the old place.

We open soon and look forward to seeing you there.

Kim, Complex Manager
