P.O. Box 262
Dandenong Vic 3175

Dear Mr Carter,

Thank you for your letter extending an invitation to the company to join the Dandenong & District Historical Society, which has been forwarded to the Archives Department.

Our Archive Department is currently a member of the Royal Historical Society of Victoria and the Royal Australian Historical Society, along with various other archival and museum organisations. We are extremely interested in maintaining an interest in the history of Dandenong, as well as the various local communities in which our stores are located. However, given our limited budget for such subscriptions, we are unfortunately unable to take up your offer on this occasion.

With regard to your request to obtain historical material from our collection relating to Dandenong, we would be delighted to share information and photographic material on the Dandenong district. We will compile a list of material held on Dandenong in our archive and will forward this to you shortly. We would also be very happy for a member of your society to come out and view this material. Unfortunately we have no original material that we can donate, however we can organise photographic reproductions and photocopies.

If you wish to discuss this arrangement further, please do not hesitate to contact me by telephone on 829 3607.

Yours sincerely,

ANGELA HENRICKSEN
