Dear Fellow Community Trader,

Keg Restaurant and Bar Dandenong has been trading in the area for nine years now and over that time we have made numerous donations to our local community in ways of sponsorships to various local sports and meal vouchers to the local Kindergartens and youth groups.

This year we are making a concerted effort to raise money for the Good Friday Appeal. Presently we are running a promotion so that our customers will receive \$1 Keg dollar for every \$10 dollars spent at the restaurant. On Friday the 2nd of April we will be conducting our Keg Charity Auction and allow patrons to bid for various prizes with the Keg Dollars and of course real dollars. A licensed auctioneer will conduct the auction and Lillian Frank will be drawing the raffle for us.

To coincide with this Charity Auction there will be a major raffle from which we hope to raise as much money as possible for the Good Friday Appeal. Tickets for the raffle will be on sale prior to the day but the guest must be present on the day to claim the prize. First prize has already been donated which is a ticket for two people on the Whitman's Airship, which you would agree is a priceless 1st prize.

To make this day a great success we are asking our local businesses and schools to assist us in our efforts to raise money for this most worth while cause. By helping us notify the general public by either placing the attached poster in a prominent viewing area or including the details in your newsletter, we hopefully will create enough community interest to raise our goal of \$5,000.00 to donate to this appeal. The hope is still there to raise more than this though.

We thank you for taking the time to read this letter and hope to hear back from you in the near future.

Any queries in regards to this event can be addressed to myself on the phone number or address below.

Once again thank you and hope to speak to you soon.

Regards

Michael Kerr
