MYER

● IN JUST a few short months since this photo was taken, the Myer Dandenong store has mushroomed into the colossus which will officially open to the public next Monday morning. The store was designed by International architects Chaix, Johnson, of Los Angeles, and will feature up-to-the minute facilities for Myer customers.

Everything for the youngsters

LEVEL two of Myer Dandenong's store is the place to go for all the top-brand names in children's wear.

Managed by Mr Jim Hutchinson, the section has everything in young people's clothing... from babies to teens.

• Full details of the range of goods available are on Page 5.

Parking is made easy!

A NEW four-level car park, now being completed at the corner of McCrae and Walker Sts., will provide under cover space for more than 1200 vehicles.

To be known as the new Myer Dandenong Centre Car Park, it will give much-needed additional parking space to Dandenong shoppers in general and will enable driver-customers coming to

the new Myer Dandenong store to walk directly out of their car on whatever level at which they require to shop.

Charge for parking will be nominal for the first three hours.
