

one stop shopping centre for value and variety

THERE is no longer a need for the locals of Dandenong to rush all over town in order to get all their shopping done. The multi million dollar Capital Centre has the works, from banks, Medicare and cinemas, to fashion boutiques, fresh food and supermarkets.

It's a one stop shopping centre, and here's the bonus, there is ample FREE parking for everyone at Capital Centre.

As well as a Village cinema complex, Capital Centre has an eatery where you can sample tasty morsels from all over the world. Tables and chairs are set up in a courtyard under a glass atrium. Here you can choose delicacies from the Orient while you sip at a Continental coffee or hoe into a hot meat pie.

Stores cater for all tastes whether they are health conscious or not. If you don't have the taste for a bucket of chips you can always have a salad sandwich.

While you're in the Capital Centre have a look around at the shops, you will find they have great displays and offer plenty of ideas for Mothers Day.

In fact, you would be hard pressed to find something that Capital Centre did not have.

There is a place to get you photos developed; plenty of fresh food outlets that stock an extensive range of fruit and vegetables, home-made bakery goods, health foods, hot nuts, meat and poultry, fish and deli foods; and, there is plenty in the way of fashion clothing and accessories.

Capital Centre is great for window shopping. There are several fine jewellers and delightful gift shops. And of course while you're browsing it is easy to pick up a home-made ice cream, a sizzling pancake or a hot jam donut.

Capital Centre also cater for bargain hunters. Prices are competitive and quality standards are high.

Centre management continually organise competitions for their shoppers. To celebrate the opening of Palm Plaza, Capital Centre ran a \$1000 Palm Crazy competition.

The winner Ms Beasley of Dingley was ecstatic when she was informed that she would be given a voucher to the value of \$1000 to spend anywhere in the centre.

Capital Centre is open long hours, late on Friday nights and all day Saturday. For all your shopping needs look no further than the smart, modern, multi level building that stands prominently on the corner of McCrae and Walker Streets.
