Shop away on first day

Armada Dandenong Plaza has announced it will be one of a couple of shopping centres trading on New Year's Day 2020 in Melbourne.

Although the trend by most shopping centres is to close on New Year's Day, Armada Dandenong Plaza will be conveniently open to customers from 12noon to 5.00pm.

For families or friends looking for a local outing to welcome in 2020 they can head to one of the cafes or restaurants at the centre and catch one of the summer blockbuster movies at Readings Cinemas.

Monica Jenkins, centre manager at Armada Dandenong Plaza says, "whether you are looking to stock up for a New Year's Day BBQ at home, an outing with family or friends or looking for an opportunity to use vouchers received as Christmas presents, Armada Dandenong Plaza's mix of mini and major retailers will be conveniently open from 12noon."

Centre Management advises customers to check with individual stores to confirm opening hours on New Year's Day 2020.
