DANDENONG

Caravan business a winner

CARAC'S Dandenong Caravan Accessories has been recognised for great service to the caravanning community.

The Dandenong South business was named retailer of the year at the 2017 Caravan Industry Association Victoria awards.

From humble beginnings almost 50 years ago, when caravan parts and accessories were an add-on to its automotive store, the boom in caravanning in the past three decades saw this become the number one focus for the family-owned business.

Co-owner Tammy James said great customer service was key to a successful business.

"Our philosophy at Carac has always been to provide

Martin and Ashley James celebrate their win. Picture: DAVID SMITH

excellent customer service and we are continually striving to achieve this," Ms James said.

Carac's store in Dandenong South stocks an extensive range of caravan items such as heaters and

airconditioners, awnings, matting, plumbing, electrical, solar items, braking systems, caravan security, fridges and ovens, trailers and much more.

They are at 2 Zenith Rd, Dandenong South.
