BACK TO WORK FOR FLETCHER STRIKERS

Ninety workers at a Dandenong manufacturing plant are back at work after more than three months on strike. The Fletcher Insulation staff staged the longest picket line in Victoria in 25 years.

Staff return after strike

NINETY workers at a Dandenong manufacturing plant are back at work after more than three months on strike.

The Fletcher Insulation staff staged a 96-day strike, which the union said was the longest picket line in Victoria in 25 years.

Employees have not been paid since February 17 but have now reached a new enterprise agreement.

The agreement included a 2 per cent pay rise, retaining uncapped redundancy and
