Pest control costs only pennies per day

252 LONSDALE STREET, DANDENONG

Phone: 63

Mailing Address: Box 209, P.O., Dandenong

If it bothers you whether it runs
crawls, flies or creeps

Call the Pestmaster Man !!

Experienced Pestmaster operators know exactly how to tackle your pest problem (mice, rats, cockroaches, silverfish, carpet beetles and other annoying destructive insects). Regular inspection and service by the "Pestmaster Man" can save you costly and unnecessary damage. Whenever you have a pest problem . . . or want to avoid one, call —

Pestmaster Co.
"The Pests' Master"

252 LONSDALE STREET, DANDENONG

Phone 63

CONTRACTORS TO:

HOTELS, CAFES, FOOD STORES, FACTORIES,
WAREHOUSES, APARTMENTS, THEATRES, AND
PRIVATE HOMES.

Special services to the man on the land—

THE FARMER, DAIRY FARMER, POULTRY FARMER.

EFFECTIVE PEST CONTROL REQUIRES

1. Knowledge of Pests and their habits..
2. Experience in control measures.
3. Modern specialised equipment.
4. Reliable trained operators.
5. Proper and effective materials.

The wise and prudent course is to hire items 1, 2, 3 and 4 from Pestmaster Co., which has already invested in them for your convenience. You can't buy item 5 for less than we can.

Call the Pestmaster man to discuss your pest problem with no obligation to you.
