

\$60m retail precinct underway

Construction has been started on a \$60 million retail development in Dandenong South.

The 2.5-hectare Logis retail precinct is the latest part of the industrial park off Greens Road.

It includes 18 warehouses, showroom spaces, retail spaces, office suites and a service station.

Joint developers Pomeroy Pacific and McLaren Developments say much of the development has already sold or been pre-leased.

Stage 1 is expected to open at the end of 2019, stage 2 by mid-2020.
