1ST. AUGUST 1993.

The Need is great
Plan now for OWSOMS.

Important

The Corps Council met last Monday, in regards to our Citadel Renovations, etc. It was decided to first have a look at the possibility of reciting the Citadel in Dandenong to a new side, as all that needed to be done, enlarged and improved, pulled down & altered, it was thought best to look at selling our buildings and starting completely new. We would appreciate your prayers, and thank all who have submitted plans, and wrote in. Suggestions and comments (Re- new side) are most welcome. Your Prayer is Needed that the right decision will be made.
