

FOUR REASONS

Why you should have your Suits Tailored

AT

JUDDS

Where every detail is studied to assure satisfaction to all customers.

1. You are measured scientifically with a special square, rule and tape, an English system introduced by our DIPLOMA CUTTER and used exclusively in Dandenong at Judd's

2. The Suit is then expertly designed and cut to synchronise with the customer's actual figure, no matter what peculiarities he may have.

3. Our Tailoring staff consists of craftsmen experienced in every branch of the trade studiously trained to co-operate in making the suit "FIT THE MAN."

4. All this costs you no more! Our prices are actually below others, and we carry an enormous range of materials from which YOU can choose YOUR
