Fresh food people move into number one estate

WOOLWORTHS has opened the doors to its newest store in Dandenong South.

The Estate One supermarket is part of a \$25 million development, will employ 80 people and officially opened at 8am on Wednesday 23 September.

Store manager Lincoln Smalley said it included a bakery, a delicatessen, a pizza bar creating fresh pizza to order and a liquor store.

"Our aim is to connect customers directly with our local fresh producers as much as possible," he said.

The store is at 81-125 Princes Highway, Dandenong South, and will be open from 6am to 10pm, Monday to Sunday.

Chris Pfelfer and Terry Thompson check out the fresh produce.
