

Pump up the jam as National Donut Day rolls around

One of Dandenong's legendary food stalls will be offering a National Donut Day special.

Dandee Donuts, which has been operating since 1968, will be offering half-price donuts at its Dandenong Market stall on Friday 4 June.

The trademark donuts are coated with crunchy sugar and pumped full of either raspberry jam, Nutella or custard.

Dandenong Market is also holding a National Donut Day competition to win a year's supply of the Dandee Donut treats.

Entries close Friday 2 July.
