FREE ROAD SERVICE: This Service is not for ordinary garage work, but for emergency calls in the event of a Member's car breaking down or stalling on the road. Free service will be rendered up to 20 miles by road **from the nearest** Road Service Station, and includes one hour's work on the car after the arrival of the mechanic, **or, alternatively,** towage to the nearest R.A.C.V. Road Service Station. A member is then at liberty to engage the services of any other garage. Free Service will be rendered to a family vehicle driven by the father, mother, husband, wife, son, daughter, brother, or sister of a Member, **but only on production of the current year's membership card.** If a relative is unable to produce the membership card, the Club is not liable for any service rendered. Free Service is also given to all types of trucks provided they are being driven by the member or his eligible relatives, and the current year's membership card is produced. If, however, the weight of the vehicle is more than 2 tons when loaded, free service **will not include towage,** although spare parts may be delivered. A member is eligible for free road service after he has actually driven the car out of his garage or place where it is usually kept, and until such time as he has driven it into his garage or usual garaging place.

Always await the arrival of mechanic or endeavour to intercept him if able to remedy the defect without assistance.

Accidents: Free service or towing does not apply to a Member's vehicle involved in a collision or impact with any object whether caused through mechanical failure or otherwise, or which has been involved in an accident which is, or could have been, covered by a Motor Vehicle Insurance Policy. Should the Contractor render service, the Member will be liable for the amount, and if the car is insured, he can then make a claim on his Insurance Company.

Free Headlight Testing and adjustment is available at the Club's Garage and Country R.A.C.V. Road Service Stations.

PATROL SERVICE: Whilst on patrolling duty, the Patrol is to act as an intermediary between a stranded member's car and the nearest Road Service Station, but if the cause of the hold-up can be rectified within ten minutes, the Patrol will carry out the work. All Patrols are skilled mechanics, and carry a first-aid kit. Patrols are on duty from Club Headquarters as follows:—Week-days, 9 a.m. to 11 p.m.; Sundays, 10 a.m. to 10 p.m. RING CENTRAL 8780.

Yellow Cabs telephones connected with Club.

ROADS AND TOURING: Reliable information given concerning roads and touring, hotel and guest house accommodation, and camping places. Members assisted with shipping of cars to and from all ports. Official maps and guides of Victoria and all routes to Sydney and Adelaide are available to members at concession prices.

PILOT SERVICE: Country Members visiting the city for the first, second, or perhaps the third occasion are met at set points on the outskirts of the city, and driven or piloted through (if going on) or to city destinations. Three days' notice from receipt of letter should be given if Pilot Service required. Patrols will only wait 30 minutes after the appointed time. Should circumstances not permit time to communicate, ring Central 8780 en route, in which case a short wait at the Meeting Point may be necessary. Patrols are not permitted to drive members' cars around the city for shopping purposes or for making personal calls.
NOTE: All cars driven at owner's risk.

INSURANCE: R.A.C.V. insurance is the most liberal motor insurance in the State. Substantial rebates to members. No Claim Bonus, 33-1/3 per cent.

LEGAL ADVICE: FREE legal advice on any prosecution under the Motor Car Act or City Council's by-laws. Legal assistance also given where, in the opinion of the R.A.C.V. Council, a principle is involved.

TECHNICAL DEPARTMENT: Free expert technical advice in mechanical difficulties.

LEGISLATIVE PROTECTION: All members are benefiting from the Club's work in combating adverse legislation and in obtaining and retaining reasonable conditions for them.

AFFILIATIONS: With all Australian Automobile Clubs and leading organisations overseas. Introduction cards on application.
