Do You Know Your Weather?

1. *How many days during the year does RAIN fall in DANDENONG?*
2. *What is DANDENONG'S average rainfall?*
3. *Are we going to have a wet WINTER?*
4. *Is it desirable to fill YOUR car with petrol and oil while it is exposed to the rain?*
5. *Can you now have YOUR car refueled and SERVICED under COVER while it is raining?*

ANSWERS

1. ***The records show that last year rain fell on NO LESS than 145 days or roughly EVERY 2ND DAY.***
2. ***DANDENONG'S average rainfall is 39 inches per year.***
3. ***Long Distance Forecasters have indicated that we CAN expect a wet WINTER.***
4. ***NO, it is not desirable to Service YOU car out in the rain. If rain penetrates your petrol tank or ignition system while checking oil it can and DOES cause considerable starting trouble especially the following morning.***
5. ***YES, YOU CAN by using our COVERED CANOPY double drive, where our specially trained SHELL operators can attend to your requirements while you and your car remain completely protected.***

Remember — For SHELL SERVICE—see

Subway Service Station

W. SCHOON & SON

94 Foster St., Dandenong
