

Stitch our Diamond Jubilee Sampler

As part of our 60th Anniversary celebrations, all EGV members are invited to commemorate the milestone by creating a memento of their own or with a group of fellow stitchers.

You may choose to work the spectacular Diamond Jubilee Sampler that has been designed just for the occasion or perhaps create one of the smaller complementary projects that will be on offer.

We are offering a 'Getting Started' Stitch-Along workshop as an informal opportunity for EGV members to meet with the design team and have any questions answered. No enrolment is required, just turn up on the day.

When: Saturday 10th November

Time: 10am – 3pm

Where: Embroidery House, Malvern

And mark your diary for our future Stitch-Along workshops:

- Saturday February 29th 2020
- Sunday May 24th 2020
- Sunday August 30th 2020

Project details and instructions for the Diamond Jubilee Sampler will be released at the start of November 2019. You can choose to download them from the EGV website and print out yourself, pick up a copy from Embroidery House at a cost of \$10 (for printing) or request a mailout which will cost \$12.50 (to also cover postage and packaging).

Instructions for the Smalls projects, with charts and images will be available in a 'Sampler Treasures Pack' which will be available at the Stitch-Along workshop on November 10th, 2019. As a fundraiser, the 'Sampler Treasures Pack' will only be available in hard copy for \$20 or by mail for \$22.50.
