Dear Robin,

Thought you might be interested to see the result of our negotiations so far to sell THE FLYING DOGTOR to the country stations.

They certainly don't pay much, but it's a start.

Look forward to seeing you soon.

With kindest regards,

  
HECTOR CRAWFORD

Dear Hector,

Re .. THE FLYING DOGTOR

A number of stations have now indicated interest in the above series, and I show below stations together with their various comments ...

<u>Station</u>	<u>Price Offered</u>	<u>Commencement Date</u>
RVN Wagga	£2. 0. 0	April 1964
RTQ Rockhampton	£3. 0. 0 (2 runs)	Soonest
CTC Canberra	£2. 0. 0	To be advised
TNT Launceston	£2.10. 0	To be advised
RTN Lismore	£2. 0. 0	As soon as possible for 104 weeks

Another Member - TNQ Townsville - would like to see a pilot first, so I have arranged for the pilot which is at present at Newcastle to go on to TNQ.

When last we spoke, you were uncertain as to the actual date which the series can start on country stations. Could you now advise me this because it will have a bearing on the final confirmation from the stations shown above.

Kind regards,

Yours faithfully,
