Mr. Robin Boyd,
290 Walsh Street,
SOUTH YARRA.
Vic. 3141.

Dear Robin,

I agree with you that LIVING IN AUSTRALIA is an excellent title, but at a later stage I should like to give some more thought to the sub-title.

We have the first dummies and I am sending you two under separate cover.

We think we should use the large quarto size but look forward to your comments.

Elisabeth is coming over to Sydney for the next ten days or so but I will write to you when I am in Melbourne next; it will be before the end of the month and I hope to see you then.

Best regards.

Yours,

Andrew Fabinyi.
