Mr. Robin Boyd,  
290 Walsh Street,  
SOUTH YARRA.  
Vic. 3496.

Dear Robin,

Thank you so much for your note of April 20th and the manuscript.

I enjoyed reading it immensely and I am absolutely delighted that we will be able to publish this long essay and the book.

I must say however that I still regard it only as a trial run for that other major book AUSTRALIAN SOCIAL MORES AND LIVING CONDITIONS which we have talked about for so many years.

Sandra is going to write to you soon about some of the technical and production problems but I discussed the question of sub-title with her and I would be enthusiastically in favour of abandoning the sub-title altogether.

In this case the title would be LIVING IN AUSTRALIA by Robin Boyd, Photographs or illustrations by Mark Strzic and Introduction by David Saunders.

I hope we can settle this very shortly because an early announcement of the book will be made.

I will be in Melbourne some time at the end of May and I will write to you again when I know my exact date so that if at all possible we can get together.

Fond regards,

Yours ever,
