Mr. Robin Boyd,
340 Albert Street,
MELBOURNE.
Vic. 3002.

Dear Robin,

I attach a copy of a letter received from Mark Strizic.

I am, I must confess, not entirely clear on his reference to a 'token design fee'. Would you care to express an opinion on this. My own recollection, incorrect as it may be, is rather that the division of royalties will take care of that. Also we paid him an advance not provided in the contract. In any event we could, if necessary, designate a small portion of his advance as a fee.

I am also a bit uncertain after our last discussion on the number of copies required by each of you. Is it correct that you yourself require 50 and Strizic 50? Please let me know, because we will make arrangements that these be sent, probably straight from the printer, just as soon as copies are available.

Best regards,

Yours,

AF:n1
