Dear Mr. Crennan,

Thank you very much for the cheque representing advance royalties. It was pleasantly surprising to receive it.

I take this opportunity to ask you if my design fees were included in this sum or will they be paid later on. I am asking this question only because Dr. Fabinyi mentioned to Mr. Boyd that I will be paid a token to represent a design fee.

Lastly may I trouble you to pass on to the relevant department Mr. Boyd's and my order for 50 copies of "Living in Australia" each, total of 100 copies.

Yours sincerely,

Mark Strizic
