Dear Mr Boyd:

Before leaving Australia I must hasten to thank you for a most pleasant visit to your lovely home. More especially for your beautifully written book "The Australian Upliness"

I imagine that we've seen the most of it starting with Surfer's Paradise. We were pleased however to meet with Sir Kenneth Coloss in Sydney & find out that they are doing wonderful things for crippled children. Australia does have a kind heart & a deep feeling soul. Our regards to your lovely wife - Marie & Leon Chateau & to
