Dear Mr. Boyd:

Many thanks for your good piece. This is just the kind of thing that I have been hoping for, and I'm grateful to you for getting it in at this time. Your corrected first page has arrived in good time since this will not be published until after the Conference so that when you present it as your opening statement it will not have been seen by any of those attending. I look forward to seeing you in Aspen.

Best regards,

Eliot Noyes
