Mr. Robin Boyd,
340 Albert Street,
EAST MELBOURNE, C.2.
Vic.

Dear Robin,

I attach a cheering review on "The Walls Around Us",
which appeared in last Saturday's "Canberra Times".

I also attach a cutting from "The Listener", sent to
us by one of my friends, which has a reference to
"Australian Ugliness".

Also here is a photostat of a review on "Australian Civilization"
which appeared in the "Manchester Guardian Weekly", in which
you figure prominently.

I take it you have seen the short but pleasant review which
appeared on the book in the "Sydney Morning Herald".

The first rush of interest has, of course, now been
overtaken by the torpor of the summer holidays but when the
schools go back this year we expect big things of "The Walls
Around Us".

I hope to be able to send you a report on sales before the
end of the month.

With kind regards and best wishes,

Yours sincerely,

.....
A. Fabinyi.
