SOUTH YARRA. MELBOURNE. S.E.1.

Dear Mr. Boyd,

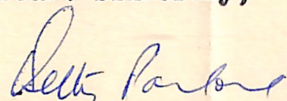

UNIVERSITY OF THE AIR

Thank you for your letter of April 10 confirming your willingness to undertake a series of University of the Air programmes under the broad title "Australian Design".

I have put forward your arguments for raising the fees of this project and hope shortly to have news of some satisfactory revision of our scale of fees.

With kind regards.

Yours sincerely,

BETTY PARSONS.
