SOUTH YARRA 3141

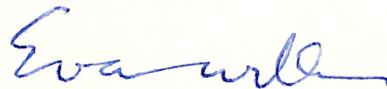

Dear Mr. Boyd

Thank you for your letter of February 4 and you 'phone call yesterday.

This will confirm our arrangement that we will take from you an article every fortnight for The Sunday Australian, beginning with the piece you have already sent, which will appear in our first issue of February 28. Your next piece would appear on March 14, and I would like to have in this office no later than Monday, March 8.

Thank you for keeping in mind the importance of illustrations. Always try to let me know - if possible - of any pictorial requirements we would need to follow up ourselves. Of course, if you are able to supply photographs with your copy, so much the better.

Yours sincerely,

Evan Williams

Associate Editor

P.S. I am sending you under separate cover a book called "Experimental Architecture", and would be glad of a review of it if you feel it is worth doing. Say, 600-700 words.
