Dear Patricia and John,

Thank you so much for your  
hospitality on Wednesday evening. It  
was a most pleasant and stimulating  
evening - and most kind of you both  
to include me.

I lunched with John Carcher yesterday  
and he was able to give me information  
on New York. The Met. has a performance  
of The Marriage of Figaro on Oct. 14  
and The Trilico on Oct. 15. If you will  
let me know your preference I will  
have Susan Block arrange the seats.

I enclose the brochure for Opera 76  
at the Kennedy Center - it would  
seem that you just miss the seats of the

La Scala and Paris companies.  
Anyway, I shall write to the  
Executive Director, Martin  
Feintlein and advise him of  
your visit and interest and  
send you a copy etc.

David Palmer is forwarding you  
a schedule for the Royal Opera  
and you can let me know when  
you have it and the dates you  
wish - I can then give them to  
him when next we speak on  
the phone.

All best wishes,

Nail
