

Cadogan Hotel, Jan. 5.

Dearest Gram & Poppa, Hope all is well with you and that the festive season is or has been happy.

We are all having a wonderful time. Suzy knocked out with Museum fatigue in PARIS, otherwise we've been on the go all the time.

Athens was beautiful, lovely sunshine with a cool breeze. Spent four hours walking over the Acropolis, Suzy & Pen photographing all the time.

We saw Martin in Rome. He was very entertaining & delighted to see the children. He'd only seen P. at 3 months. Walking through the National Gallery yesterday, just near this picture a voice said, "Hello Robin."

It was Tatton Beck! Working there as an attendant. We were so surprised. All the Boyds, Beck's are here except Guy. Tomorrow we see Arthur & Yvonne.

All our love & good wishes

Trish
