Wednesday

Dear Gram and Poppa,

Thank you for your Christmas wishes? We have just returned from a few days in Melbourne and 2 weeks with Simon's parents, which was good fun. We are off to Cairns, Nth. Queensland to live, early in March, so am looking forward to that. We are both having to find jobs once we get there.

I do hope you are both well and had a good Christmas and best wishes for New Year.

Love, Maudie. xx
