

10/8

Had a good trip over
- my first real experience
of Swissair (Singapore - Zurich)
and found it v. good. The
weather is in the 30°'s daily
but 2 in the garden. Guilpud is
a fascinating subject and a
great raconteur. Already
I have about 12 hours on
tape. Hoping to do a round
trip on the lake and look at
Evian today.
