Hello and welcome to the second edition of the Maldon Vintage Machinery Museum newsletter. Hope this edition finds you all well. Thank you to those who provided feedback on the first edition of the newsletter. You will find a couple of reminders in this edition of events coming up in the near future.

Mucklefest

Mucklefest coming up on Sunday 22nd October 2017 which the museum is taking part in along with some other local community groups. This is also a fundraiser for the museum so we are looking for members to help out in the lead up to the event and on the day of the event itself.

Recent Events at the Museum

On Saturday 1st July 2017 a working bee was held to pour concrete for the fire shed extension. All went well and thanks to the crew for the works completed on the job so far.

The concrete pour in progress at the fire shed extension

On Sunday 9th July The Maldon Vintage Machinery Museum hosted a Maldon in winter concert. Everyone had a great day and there is a possibility of the museum hosting more of these concerts in the future.

Maldon in Winter concert held at the museum.
