TWENTY-FIRST ANNUAL

REPORT

OF THE

Adult Deaf and Dumb Mission of Victoria,

FOR YEAR ENDING 31st MARCH, 1905.

THE present report marks the close of the first year of work in the new headquarters in Flinders Street, Melbourne, and the Committee is in a position to estimate the advantages to the Mission of the building which has just been erected. It has been extensively used, and they are glad to report that it has fulfilled all the expectations formed at its foundation. The premises are sufficiently commodious for all present purposes, and their arrangement is admirably adapted to the purposes of the Mission. The deaf mutes are rejoicing in their new home, and, as a worker in a sister Mission writes—"There is a beautiful spirit of harmony existing between them, and they are all intensely happy."

The Committee is only furnishing by degrees as it ascertains what is actually wanted, but it is anticipated that during the forthcoming year everything necessary will have been obtained.

By mutual arrangement Messrs Griffiths Brothers Proprietary Limited, owners of the adjacent building, have kindly had the opposite wall of each structure whitened at their own expense. The result has been a considerable accession of light to the rooms which face the right-of-way at the side, and the one drawback to the site has thus been minimized.

The engagement of a Missionary who is able to devote the whole of his time to the interests of the Mission has rendered it unnecessary for the members of the Ladies' Sub-Committee to meet

together with any regularity, and they have suggested that their Committee should be allowed to lapse. They have, however, done such excellent work, and are so well suited to deal with questions which relate to the female portion of the deaf community, that the Committee is loth to see their services dispensed with. It has therefore, asked the members of this Sub-Committee to continue to hold office, so that their advice and assistance may be sought if occasion should arise. The hearty thanks of the Mission are due to these ladies for all that they have accomplished in the past.

The Rev. H. Kelly at Geelong, and Captain Olden at Ballarat, still render their valuable aid in visiting and instructing the deaf of those towns and the surrounding districts.

The difficulty of obtaining employment for the deaf is as great as ever, and a substantial part of the Missionary's time is taken up in interviewing employers on their behalf. Happily there are very few at the present time without occupation of some kind.

Several cases of distress amongst the deaf have come under the notice of the Committee. Amongst others there are two deaf men, one of whom is totally, and the other practically, blind. Their only possible occupation is basket making, and with all the work that they can obtain, they cannot earn sufficient to afford them even the barest livelihood. It has, therefore, been found necessary to supplement their earnings with a small grant. Another case is that of a woman of advanced years who is too old to obtain work of any description, and has no relations who can assist her. She is at present afforded shelter by comparative strangers, and has been allowed a small sum with which to purchase food and clothing. In every instance in which relief is given the strictest enquiry is made, and the amount granted is as small as is consistent with the actual necessities of the case.

It is with great regret that the Committee announces the death of Mrs. James Martin, one of the life members of the Mission. For twenty years she interested herself in the deaf, and was amongst the most active workers.

At the invitation of the Queensland Adult Deaf and Dumb Mission Mr. Abraham has spent some weeks amongst the deaf in Brisbane and other towns in that state. He addressed large public meetings on their behalf, and was instrumental in stirring up interest

17th ANNUAL REPORT OF THE DEAF SUB-COMMITTEE.

THE Sub-Committee in submitting their 17th Annual Report do so with the greatest feelings of satisfaction and gratitude to our Heavenly Father, for the year just closed has been one of inestimable blessings, a year to be thankful for. The greatest and most noteworthy incident was the completion of and opening for the use of the members of the Mission of the handsome and commodious Church and Institute in Flinders Street. Such an event had been a long looked for contingency, and the completion of the building and the opening of it for use filled the hearts of the adult deaf and dumb with that joy which the eloquence of words could not adequately express. We desire to convey our heartiest thanks to the Mission Committee for facilitating matters for the erection of the building, and to congratulate them on the completion of the edifice, and the opening of it. We also heartily thank the Committee for the kindly way in which they have at all times endeavoured to meet anything tending to the improvement of our welfare, and the public for their generous co-operation and help.

Since its opening the building has been made much use of, and it has satisfactorily fulfilled anticipations, and done away with the drawback entailed in the want of suitable quarters which we could fall back upon at all times. Many a pleasant time has been passed therein. Indeed, so great a blessing is it, that on occasions when an excursion is made to some place, and the wet weather drives us back to town, we have the building to fall back upon.

We desire also to record our thanks to Mr. E. Newbigin the Vice-President and Hon. Treasurer, and Mr. H. S. Martin the Hon. Secretary, for the kindly consideration they have shown at all times; to Mrs. James Martin, and Mrs. S. Luke, and all other friends for their continued interest in the Mission work. We were the recipients of messages of congratulation from our fellow brethren of Sydney, Adelaide, and Brisbane on the opening of our new building, for which messages we return our warmest thanks.

Shortly after the opening of the Church and Institute, a "Sale of work," for which the lady members of the Mission and other friends, (under the energetic Hon. Secretaryship of Mrs. F. E. Frewin and the Hon. Treasurership of Mrs. Ernest Abraham), had been working hard, was held on two days in July last. The opening ceremony was performed by Lady Gillott, the wife of our esteemed

President the Hon. Sir Samuel Gillott, M.L.A. The sale was a great success, and resulted in the sum of some £90 being raised. After paying expenses, which were small, the balance was devoted to the furnishing fund. Our best thanks are due to all the workers and other friends who helped to make the effort so successful.

To celebrate the opening of the Church and Institute, and to thank all friends who so generously assisted to uphold the working of the Mission for many years, a very successful concert and entertainment was held in the Melbourne Town Hall on the 7th October last. The hall was crowded to its utmost capacity. A collection was taken to defray expenses, and a sum of £52 was obtained. Advantage was taken of the occasion by the adult deaf to present, through Sir Samuel Gillott, testimonials in the form of illuminated addresses to Mr. E. Newbigin the Hon. Treasurer and Mr. H. S. Martin the Hon. Secretary of the Mission, as a token of appreciation for their valued services and interest in the welfare of the Deaf and Dumb. Our grateful thanks are due to the members of the Lyric orchestra and to all the performers for their generous assistance on the occasion.

We have again to record with feelings of regret some losses by death during the year, viz:—Mr. Lesslie Newbigin, the designer and architect of our Church and Institute, and the beloved son of our esteemed Vice-President and Hon. Treasurer, who died on the 6th of May, and, to our sorrow, on the eve of the opening of the building. We sympathize with Mr. and Mrs. E. Newbigin on the loss of a dear son and a young man who to all appearances had a promising career before him. During the year, Mr. John Hancock, an old member of the Mission, died at Ballarat. Three esteemed members of the Mission, Mrs. D. Nolan and the Misses Williams, lost their mother, also our esteemed chaplain, Mr. Ernest Abraham; and Miss McLaughlin, another esteemed member, lost her brother-in-law on the 9th of March. Our sincere sympathy went to the sorrowing relatives.

Two members of the congregation entered the marriage state during the year.

Divine Services have been conducted regularly every Sunday morning and evening throughout the past twelve months, and the ministrations of Mr. Ernest Abraham have been appreciatively listened to by the congregations. On Sunday, 22nd May, the opening services in the new building were held, the Bishop of Melbourne conducting the dedication service at 10 o'clock in the morning, the 11 o'clock service was conducted by the Rev. J. T. Love, and the evening service by the Rev. H. G. Nicholls. There were large attendances, and many hearing friends were present.

Since the opening of the building, and with the object of drawing the deaf and the hearing closer together, a new departure was made, when, at convenient intervals, "United Services" were held

to which hearing friends were invited and heartily welcomed. Nine of these services have been held, the preachers being ministers of various denominations, to whom our best thanks are due, viz:—the Revs. J. J. Halley, J. Hosking, J. H. Frewin, S. J. Hoban, Brigadier Hendy of the Salvation Army, and Mr. W. H. Judkins. These services were well attended by both the deaf and the hearing.

On the 18th December a memorial Window Service in memory of the late Mr. Lesslie Newbigin was held at Christchurch, South Yarra, when some of the adult deaf were present.

On the 5th March, a "Harvest Thanksgiving Service," the first in the history of the Mission, was held in the new building. The hall was handsomely decorated for the occasion by several of the adult deaf with the assistance of some hearing friends. The products were presented for the occasion by the deaf members and many hearing friends, amongst whom were Their Excellencies Sir Reginald and Lady Talbot. The morning service was conducted by Mr. Ernest Abraham, and the evening service by a Wesleyan Local Preacher. The evening service was largely attended, the hall being well filled. On the following evening the Bishop of Melbourne gave a Harvest Service address to a good audience. We were able to make good use of the products after the services, as we were enabled to send substantial parcels of fruit, etc. to the Deaf and Dumb School, the Blind Institute, the Children's Hospital, Miss Sutherland's Home, and the Salvation Army.

The attendances of the deaf at both the morning and evening services have been well maintained. The average attendance was 26 in the morning and 44 in the evening, the average per Sunday was 70. The largest attendance was on the evening of the opening service, when 86 attended.

The "Lord's Supper" was celebrated on three occasions by the Rev. J. J. Halley, the Rev. Jos. King, and the Rev. J. Teague. On each occasion Mr. Ernest Abraham interpreted the service.

Bible class meetings have also been held with a few exceptions every Thursday evening. The attendances have been good.

Owing to the unavoidable absence of Mr. Ernest Abraham the chaplain on several occasions during the year, Messrs. F. J. Rose, R. R. Patterson, P. Holt, J. E. Muir, M. Miller, and R. H. Luff have assisted to conduct services, and Messrs. J. E. Muir, W. P. Muir, E. Burke, R. H. Luff, and M. Miller have assisted to conduct the Bible classes. Our hearty thanks are due to these gentlemen for their assistance.

The contributions by the deaf members of the congregation for the year totalled £50.

The usual Hospital Sunday collection was taken in October last, when the congregation contributed the sum of £4 12s.

Owing to special arrangements having to be made in the library, we regret that we were unable to open the book-lending department for some considerable time. A special Sub-Committee was appointed to attend to the matter, and, we are pleased to say, they have now completed the work.

Several donations of books, magazines, etc. were received during the year, and these made an appreciable addition to the collection in the library. We heartily thank the donors for their gifts, and invite all friends and others interested in the welfare of the deaf to assist in further increasing the collection of books, magazines, periodicals, etc. by donations, which will be gratefully acknowledged. Since its opening the library has been made good use of, and it has been well looked after by the Hon. Librarian, Mr. George Mortimer.

The past twelve months have been remarkable for the large number of social evenings held in the new building, thus emphasising the admirable advantage of having quarters of our own whereby the members of the Mission were enabled to pass many a pleasant evening together. The first social held was one given by the officers and members of the Young Men's Mutual Improvement Society to celebrate their first occupation of the Young Men's room, when the members of the Young Women's Friendly Society were invited to join. A return social was given by the Young Women's Friendly Society. Mr. Ernest Abraham gave a social and Cinematograph Entertainment, also a garden party to celebrate the twentieth anniversary of his work amongst the deaf; and a social tea on Boxing day to the members of the Mission.

The Deaf Mute Cricket Club held a Social evening, when the prizes won during the season 1903-4 were presented to the winners by Miss A. Graham. A Social evening was also held to welcome Mrs. Samuel Johnson of Adelaide and her three children, who were on a visit to Victoria, and whom we were delighted to have in our midst.

Miss J. Williamson of East Melbourne, and a party of friends, entertained the members of the Mission at a Social evening. All these socials were well attended, and they proved very enjoyable functions. Our warmest thanks are accorded to all the entertainers for their many kindnesses.

The Annual Picnic was held as usual on Cup day at Ivanhoe, and 50 members of the Mission joined the outing. The day was pleasantly passed in various games. Our thanks are due to Mr. A. Kitson, Superintendent of the Congregational Sunday School, and his officers for granting permission to occupy part of their picnicking paddock.

On many evenings during the year the young men and women have met in their respective rooms for recreation, when the time was passed in the enjoyment of various games.

On Saturday afternoons during the summer months the young men who form the Cricket club passed a pleasant time playing cricket matches against hearing clubs, and with some measure of success.

The Late MRS. JAMES MARTIN,

(For 20 years an active worker on behalf of the Mission).

During the year a series of lectures were given by our chaplain Mr. Ernest Abraham, on various interesting subjects. We had also the pleasure of listening to an illustrated lecture on "Japan" by Mr. E. R. Peacock. These lectures were well attended, and they proved very entertaining. Our thanks are due to the lecturers.

The Young Men's Mutual Improvement Society held their meetings every month, when papers on various interesting subjects were discussed, and many pleasant evenings were thus passed in intellectual improvement.

An interesting and commendable departure was instituted during the year, viz:—The issuing of a "Monthly Letter." A managing staff, consisting of Messrs. J. E. Muir, M. Miller, E. Smith, and R. H. Luff was appointed, and the originals were written, and printed by each in turn. The first issue was printed in September last, containing reports of Mission doings and other news, for circulation among the members of the Mission and our country cousins. An Auto-copyiste press for the purpose has been purchased by the Mission Committee. The venture has proved a source of delightful pleasure to our country cousins, who are so unfortunate as to be isolated in various parts of the state. The appearance of the "Letter" was hailed with joy by them, and many have written expressing their appreciation and thanks. We hope to permanently continue the "Letter," and, in time, to gradually improve on the first year's issue.

On the 15th November, Mr. Ernest Abraham, by invitation, visited Queensland, and assisted the Adult Deaf and Dumb Mission at Brisbane to stir up general interest in the work of that Mission. He arranged for several meetings to be held, and we are pleased to say they were very successful ones, the hall on each occasion being filled to overflowing, and many being unable to obtain admission. The deaf of Queensland presented Mr. Abraham with a handsome and massive inkstand with silver mountings, a silver pen, pencil holders, and an umbrella, in token of appreciation of his efforts on their behalf.

And so at the close of the first year in the new epoch of our history we find ourselves quartered in new and handsome premises; in the hands of a committee of gentlemen, who take a personal interest in our welfare; an interest that deepens year by year, our Mission financed by a public whose generosity towards us increases, and a Principal than whom no living expert knows more of our condition and needs, and whose heart, and soul, and brain labour for us continually and unselfishly. Therefore, we lift up our hearts in thanksgiving and in love to our Heavenly Father for His loving kindness towards His "Children of Silence," and, with a continuance of His blessings, we confidently look forward to another year of prosperity, and of much useful and blessed work to be accomplished. While heartily thanking all hearing friends and others for the kindly interest they took in the various meetings, and for the generous help extended during the past twelve months, the Sub-Committee trusts

that all who have made the acquaintance of the new building, and of the work done therein, will continue to take a lively interest, (we hope a livelier one), in the proceedings of the future. They likewise trust that the adult deaf members of the Mission, for whose benefit the building was designed, and for whose welfare and general improvement the various meetings are held, will evince even a keener interest in them than has hitherto been the case.

April 6th, 1905.

M. L. MILLER,
Hon. Sec.
Deaf Sub-Committee.

Report of Deaf Women's Friendly Society.

THE Committee of the Deaf Women's Friendly Society have to report that fewer meetings of the members have been held during the past year, as the festivities connected with the occupying of our new building disarranged our old programme, and it was some time before we could form a new plan suitable to our altered circumstances.

Our first meeting in our own rooms was held on August 30th, when we invited the members of the Young Men's Society to unite with us in celebrating our third anniversary. About 40 were present although it was a very wet night. A very enjoyable evening was concluded with a few speeches, and a supper given by Mrs. Luke, our president. We were very pleased that Mrs. James Martin, our vice-president, was able to be with us on that occasion.

The great feature of the year's proceedings has been the holding of a Sale of Gifts, organised by the Committee, assisted by many friends and several deaf ladies, who attended sewing meetings, and made very useful articles for sale. This effort was a great success, and the Treasurer was able, after expenses were paid, to hand over the sum of £72 to the Mission Committee.

We earnestly hope that this year more of our deaf lady friends will show their appreciation of the Society by attending its meetings and by helping to make them pleasant and profitable.

Special thanks are due to Mrs. Luke, the president, who has been associated with the Society ever since it was formed, and who has taken a deep interest in it.

We regret to hear that Mrs. Martin, our vice-president, passed away on the 11th April, 1905. She has been a faithful friend to the deaf mutes for many years, and will be greatly missed by them.
