NINETEENTH ANNUAL REPORT

OF THE

Adult Deaf and Dumb Mission of Victoria,

FOR THE YEAR ENDING MARCH 31st, 1903.

IT is with the deepest regret that the Committee record the death of their late President, Senator Sir Frederick Sargood, K.C.M.G., and their sense of the loss sustained by the Mission. Although his time was fully occupied, he accepted the office upon the death of Sir James MacBain, and retained it even when he was compelled by ill-health to relinquish nearly all his other public positions. He was a good friend to the Mission, and one of his latest acts in connection with it was a large donation to the building fund. The Committee trust that a worthy successor will be obtained. In the meantime they rejoice to have as head of the Mission, one who has its welfare at heart so much as its Vice-president and Treasurer, Mr. Edward Newbigin.

After nineteen years existence, the Mission is within sight of the partial erection of the proposed Church and Institute. For years the Committee have adopted a policy of strict economy, and all the money possible has been saved and invested. About four years ago a suitable site was purchased in Flinders-street, at the moderate sum of £1600. Plans have now been prepared of a complete building, such as is requisite to meet the wants of the adult deaf and dumb. The estimated cost, however, is so large that the required sum is unlikely to be in hand for some time. The Committee have therefore obtained an estimate of the cost of erecting a portion of the building, large enough to provide facilities much superior to those of the present rented rooms. They have determined that if they can obtain tenders within this estimate, they will commence building operations forthwith, rather than disappoint the hopes of the deaf mutes for a further indefinite period. While they are thankful to have achieved so

much, and grateful for what the public have already done, they trust that the present is only an earnest of the future, and look forward to the time when the whole building will be erected and suitably furnished. The present instalment will in the main consist of a hall, reading room, and men's and women's private meeting rooms. This work will exhaust all the funds in hand, and will probably entail a further expenditure of several hundred pounds, which it is hoped will be obtained before the completion of the building, so that it may be opened free from debt.

During the past year, the Missionary, Mr. Abraham, has worked unsparingly in the interests of the Mission, and for the welfare of the individual members. In the financial department of the work he has organised special efforts in various directions with a view of augmenting the building fund. Under his superintendence, a select number of the deaf mutes have continued in various suburban Town Halls the entertainment which was so successful in the Melbourne Hall last year. These have entailed much work, and the financial results were not large, but they aroused attention to the work of the Mission, and have stimulated the public interest in the deaf mutes. It is hoped that at some future time this interest will bear fruit in increased donations and other practical results. In nearly every instance the hall was crowded. The municipal council generally gave the free use of their building, the Mayor took the chair, and the choir of a local church and other friends took part in the programme. The gratitude of the Committee and members of the Mission is due to those who have thus rendered help.

Besides this source of revenue, an appreciable addition to the funds has resulted from collections which have been made in various workshops in the city and suburbs. These have been especially welcome as indicating the sympathy which is felt for the deaf mutes by working men and women, who, though not able to give much, have been glad to contribute their quota to increase the happiness of their less fortunate fellows.

The Committee take this opportunity of thanking various Friendly Societies, which gave an entertainment in the Melbourne Town Hall, last June, in aid of the funds; also a number of ladies residing at Kew, who organized a bazaar, and thus raised a sum of £33.

The Committee have always regretted the fact that, in consequence of the Missionary having been engaged in business, they have been unable to get in touch with the deaf mutes in the country. The needs of these are even greater than those in the cities, as they have not the same advantage of meeting with their own people, and therefore live to a great extent, lonely lives. Since Mr. Abraham's arrival, representations have made to the Government, who have generously provided him with a free pass to enable him to visit the country districts, and thus ascertain the conditions under which the deaf mutes are living, and enlist the sympathy of philanthropic persons in the work of the mission. He has been to the chief centres in Gippsland and also Ballarat where a successful meeting was held in the Alfred Hall. Special thanks are due to Mr. Olden the Honorary Missionary at that city, not only for the capable manner in which he assisted to organize the meeting, but also for the valuable services which he has rendered directly to the deaf and dumb.

These journeys have not only been a welcome event in the lives of the deaf mutes, but they have also had the advantage of dispelling the ignorance which exists as to their needs. The Institution for Deaf and Dumb children in Melbourne is well known, and is deservedly considered as one which it is the duty of the public to support. The Committee, however, believe that there are confused ideas abroad, and that many people think that the deaf and dumb are in some way assisted by it throughout life. It must be borne in mind that, while it furnishes them with an excellent training, it is inevitable that they should be less equipped for the battle of life than those of their own age, who have all their faculties complete, and therefore that it is necessary that, when they leave the Institution, there should be another Society ready to take them up, and carry on the good work in a manner adapted to their maturer years. It is a much slower work for them than for others to gain the knowledge and experience which come from every day contact with one's fellows. They are likely to want assistance at times to obtain employment, and are seldom able to acquire the means of social enjoyment and mental and moral improvement which naturally fall to the lot of others.

The Committee acknowledge with satisfaction the cordial relations which subsist between the Institution and the Mission,

and which should always exist, seeing that each is the complement of the other. A pleasant gathering was held at the Institution building on Coronation day, when its Committee entertained the adult deaf mutes to a tea and social evening, while the latter furnished a programme for the amusement of the children.

Congratulations are offered to the adult deaf in Sydney, on the erection of a Church and Institute there, and to Mr. Abraham on his appointment as Vice-President for Australasia of the British Institute of Missionaries for the deaf and dumb. The Committee also note with pleasure, that important additions are being made to the Angas Farm and Home for aged and infirm deaf mutes in South Australia.

During the year five marriages have been celebrated at which the Revs. H. W. H. Adeney, J. J. Halley and A. R. Edgar officiated, Mr. Abraham interpreting the ceremony.

Mrs. Luke continues to conduct the Girl's Friendly Society, and Mrs. Martin and others still give private instruction. Employment has been found for several deaf mutes, and an unusually large number of sick have been visited during the year. About 125 deaf mutes have taken advantage of the Services and Meetings of the Mission.

By order of the Committee,

H. SUMNER MARTIN,

Hon. Sec.

FORM OF BEQUEST.

I bequeath the sum of £ _____ to the treasurer for the time being of the Adult Deaf and Dumb Mission of Victoria, for the use of the said Mission, for which the receipt of such Treasurer shall be sufficient discharge.

EXTRACTS FROM

15th Annual Report of the Deaf Sub-Committee.

THE Sub-committee, in presenting their fifteenth Annual Report, are very much pleased to inform the members and all interested in the Mission, that the year just closed has been passed with an encouraging amount of success, greater than any previous years. The Divine Services have been conducted regularly, and in a very pleasing and satisfactory manner every Sunday morning and evening by our much esteemed chaplain, Mr E. J. D. Abraham. The average attendance was 40 and 50 respectively, and has been higher than any previous year.

On Christmas day a special Service was arranged, when a sermon appropriate to the occasion was presented by the chaplain to a good attendance.

The total amount of contributions from the Deaf and Dumb this year is £46, being about £13 less than last year. When it is remembered that many of our members have been working out three days a week and others without employment for weeks together, the decrease is not so great as might have been expected. Bible classes and Prayer meetings have been held every Thursday evening, conducted by the chaplain, ably assisted by members of the Sub-committee and congregation, the average attendance being about 30.

The sacrament of the Lord's Supper has been administered on two occasions by Rev. H. W. H. Adeney (C. of E.), and Rev. J. J. Halley (Cong.), to whom the members of the Mission, are much indebted for their kindness. The number of communicants were 28 and 34 respectively, Mr. Abraham interpreted.

The usual Hospital collection was taken in October last. Our beloved chaplain took for his discourse "The Widow's Mite." There was an attendance of 45. The amount taken was £6 8s. 9d., which was handed over to the authorities and duly acknowledged, £1 7s. 0d. has also been subscribed to the Drought Fund.

The congregation entertained the children of the Deaf and Dumb Institution on Coronation Day to celebrate the crowning of King Edward. It was also made the occasion of a Re-Union of the old and new pupils. It was a distinct success, and all present enjoyed themselves immensely. Boxes of chocolate were presented to the pupils, and Mrs. Abraham pinned medals to each of them in remembrance of the day.

The Annual Picnic took place at Beaumaris on Cup Day. Nearly 100 members and friends passed a very enjoyable day. A few races were arranged. The prizes were given by a few of our leading members and the sub-committee to whom our best thanks are due, and various games were also indulged in with great vigour. The weather was very warm and lovely.

Mrs. Abraham, the wife of our popular minister, presented the prizes to successful winners, hearty thanks were accorded to her. In November Mr. and Mrs. Abraham invited over 100 members and friends to their residence, "Gardiner," and entertained them to tea, in celebration of their first anniversary since they arrived from England. Speeches were given by prominent members.

Thirteen members of the congregation went to Adelaide last Christmas holidays, and stayed there one week. The Adelaide Deaf and dumb and their friends showed us all round the city and its surroundings. We enjoyed ourselves exceedingly by their good treatment and kindness. We saw the Angas farm for aged and infirm deaf mutes, and admired it greatly.

We have sustained a great loss by the death of our beloved President and friend, Sir Frederick Sargood. A letter of condolence and deep sympathy was sent to Lady Sargood and family, and a letter of thanks from her was received.

Very successful Public meetings and entertainments have been held in Melbourne and suburban town halls, with the object of making the work of the mission better known. The leading members worked hard and loyally together, and helped Mr. Abraham to make the meetings successful.

The Library has been attended to and well looked after by Mr. Hodgson, and a good many books have been taken out by our members.

The members of the congregation were very much delighted to see the plans for the new Institute, and are very glad to learn that the buildings will commence at once.

It is with feelings of thankfulness to God for His precious favours and for His guidance in bringing about so satisfactory a state of affairs in connection with the Mission, that we unite in humbly and earnestly praying that the Almighty Giver of all things, will be graciously pleased to grant a continuance of his favours, and that He will guide and prosper at all times, the well-being of the Mission generally.

Report of Deaf Women's Friendly Society.

IT is with pleasure I state that the Deaf Women's Friendly Society has done some fair work among the members during the past twelve months. At the meetings there have been lecturettes, bible-lessons, indoor games, etc., which seemed to be much appreciated by all present. Last July, in celebration of the first anniversary of the formation of the Society, a social evening was spent which concluded with a coffee supper, given by the committee. It is to be hoped that the Society will be in a still more flourishing condition when our new building is completed.
