# ANNUAL REPORT

#### OF THE

# Adult Deaf and Dumb Mission of Victoria

### FOR THE YEAR ENDING 31ST MARCH, 1908.

YARM AND HOME.—the chief event of the past year has been the successful raising of a fund for the establishment of a Farm and Home for aged, infirm, and feebleminded deaf mutes.

As intimated in the last report, the Government promised £2000 towards this object, upon condition that a like sum should be contributed by the public. This has been more than realised, and the total sum raised, including the Government grant, amounts to over £4600. On behalf of itself and the deaf mutes, the Committee again tenders its thanks to the Government, and all those ladies and gentlemen who devoted so much of their time to helping with the bazaar, and in other ways assisting to make the effort a success. A gratifying feature was that the deserving nature of the scheme was universally recognised, and friends belonging to various religious persuasions-Protestants, Roman Catholics, Jews, and others-worked enthusiastically to ensure the raising of the required sum.

The Committee has ever since been busily engaged in inspecting the many sites which have been offered for sale. There are several considerations to be taken into account besides the question of the quality of soil, for instance, adequacy of water supply, also accessibility to town, so that the Superintendent may be able to divide his time between headquarters and the farm, what sort of cultivation will be most within the powers of the particular class of deaf mutes who will reside on the property, attractiveness of the surroundings, and other details. The Committee have decided that the first consideration is to be the good of those for whose benefit the Farm and Home are to be established, and that the land should be adapted for the growing of fruit, vegetables, and flowers, so as to give an opportunity of keeping the inmates constantly employed, and at work which has as little of monotony as possible.

Mr. Luffmann, late Principal of the School of Horticulture, consented to assist in the final selection of a site, when the number had been narrowed down to a few, but he left Victoria before his services could be taken advantage of. His successor, Mr. J. Crouin, has kindly undertaken the same good office.

Up to the present time the Superintendent has ascertained that there are over twenty cases suitable for reception into the Farm and Home.

MR. NEWBIGIN.—It is with great regret that the Committee have to intimate that its Vice-President, Mr. Edward Newbigin, has found it necessary to resign his position. He was one of the founders of the Mission nearly twenty-five years ago, and has been an active member of the Committee ever since, having also filled the post of Honorary Treasurer from the commencement until a short time ago. His business ability and his sympathetic interest in the welfare of the deaf mutes have rendered him an invaluable helper of the Mission, and his presence at the Board meetings will be greatly missed.

COMPULSORY EDUCATION.—The Committee urge upon the Legislature the importance of enacting a measure for the compulsory education of deaf children. Under present conditions normal children receive a good education at State Schools, while those who are deaf, and to whom, therefore, it is of vital importance that they should be properly trained, to enable them to use to best advantage the faculties which they do possess, are subject to the caprice of parents who, in some cases, are willing to sacrifice their welfare and keep them at home from the sordid desire of getting the benefit of their small services.

Instances have come before the Committee where fathers have allowed their children to grow up in absolute ignorance, notwithstanding the fact that they could have been educated free of expense at the Victorian Deaf and Dumb Institution. Such unfortunates, when they grow up, are a burden to themselves and the community.

GENERAL WORK.—All the organisations of the Mission are in a healthy state. Everything within the power of the Mission is being done to uplift its members, mentally, morally, and spiritually, and to brighten their lives. The Flindersstreet building is open from 10 a.m. to 10 p.m., and is made good use of. The number of deaf and dumb on the city roll is 116.

The Superintendent is in attendance frequently at his office for the purpose of affording advice to those in perplexity, relief to those in want, and assisting those out of work to obtain employment. Services, Bible Classes, and lectures are conducted regularly in the deaf and dumb language, also educational classes in grammar, composition, and arithmetic, and instruction in picture-frame making, sewing, painting, etc.

A Savings Bank for the encouragement of thrift is con; ducted by the deaf mutes themselves, and though the deposits are naturally very small, a useful purpose is served.

The monthly newspaper, which is edited by the deaf, and printed by hand at great labour for the use of their own people, has reached a circulation of 250, and is especially appreciated

by the country deaf, cut off as they are from personal intercourse with their fellows.

In addition to the reading-room, there is a lending library, to which contributions of interesting books will at all times be welcome.

On the social side there are entertainments and other gatherings of a pleasant nature, which prove very attractive.

Further details are contained in the report of the deaf sub-Committee.

APPRENTICES.—Amongst the schemes which it is desirable to put into execution, is one for apprenticing the youths, who have not mastered a trade, to some handicraft, so that they may become skilled operatives. The deaf are necessarily at a disadvantage in obtaining employment, whatever their abilities may be, but if they were to go through a complete course of training, they would in after life be reasonably assured of a comfortable subsistence for themselves and their families, and be in a much better position than those who are in the ranks of unskilled labourers. This would, in many cases, involve their obtaining from the Misson pecuniary assistance. Should the income increase sufficiently, the Committee will take the matter into serious consideration.

RELIEF.—The poor are ever with us, needing pecuniary help as well as sympathy.

The following will give some idea of what has been done for them during the past year:--

(a) Blind and deaf man-earnings supplemented by weekly grant sufficient to enable him to pay his way.

(b) Deaf man, and almost blind—assisted in same manner as case (a).

(c) Elderly deaf and dumb woman, a widow-small weekly pension.

(d) Elderly paralytic deaf mute woman-small weekly pension.

(e) Deaf and dumb young girl, consumptive, mother a widow-weekly grant sufficient to provide necessaries.

(f) Three deaf mute men, all married—two had no regular work for many years, the third disabled from following his trade by an accident. All are now fully employed by the Stores Department, started with money advanced by the Mission Committee. Two are able to support their families entirely, and the third in part.

(g) Deaf man rescued from degrading surroundings, twice taken charge of from prison officials, now living an honest life and provided with light employment by the Mission.

(h) Deaf man, with poor eyesight—assisted in same manner as case (a).

(i) Deaf man, twice convicted of drunkenness, removed from evil surroundings and provided with good employment in country.

(j) Deaf man, subject to mental weakness, maintained during periods of collapse, and found employment for when in health.

(k) Mother, being helped to maintain deaf son during his apprenticeship.

(1) Wife and family of deaf man maintained during convalescence of deaf husband.

Small sums of money have been lent to help over temporary difficulties and repaid. Work has been found for all the able-bodied unemployed men during the year, with but one exception. In this case help was procured from relatives sufficient to place him beyond want. Good situations have been found for all deaf servants requiring employment.

VISITORS.—The public are cordially invited to visit the gatherings at the headquarters of the Mission. When they see the fraternal spirit which is displayed, and the brightness which these meetings bring into the lives of the deaf, they will feel that their money is well spent, and the knowledge that they have contributed to the happiness of their afflicted brethren, will, no doubt, bring about an added zest in the enjoyment of their own lives.

ACKNOWLEDGMENTS.—The Committee have again to offer their grateful acknowledgments to the proprietors of several newspapers and periodicals, who have kept the reading-room regularly supplied with their publications, and to all who have made donations either of money or articles, and to hotel and boarding house proprietors for favours bestowed on the Mission collectors.

By order of the Committee,

H. SUMNER MARTIN, Hon. Secretary.

# Annual Report of the Deaf Sub-Committee

APRIL 9th, 1908.

\*\*

To the Members.

Ladies and Gentlemen,---

OUR Committee, in presenting to you the 20th Annual Report and Statement of Receipts and Expenditure for the period ending March 31st, 1908, believe that there is cause for congratulation, for the work has been carried on with great satisfaction. Our prosperous condition should also arouse feelings of gratification.

COMMITTEE.—Our first duty is to record our appreciation and gratitude of the unabated and valuable efforts of the gentlemen of the General Committee on behalf of the general good of the members of our Mission. The members will note with satisfaction the great share taken by the congregation in the work of the late Bazaar in aid of Farm and Home Fund for the deaf—perhaps the most important event in the history of our Mission. Reference to this work, the usual generosity of the members who contributed to the needs of their fellows at Christmas, and on other occasions, is made in some detail in another part of this report.

EDUCATIONAL.—Although many of the usual meetings were withdrawn, the greater part of the past year being occupied with work in connection with the Farm and Home Fund, four lectures were given by the Superintendent on various topics. They were well attended, and proved very instructive. Our best thanks are due to him.

The Painting Class, conducted by Mrs. J. E. Muir, was well patronised. It is gratifying to note that some pretty work passed through the hands of the painting class for the Bazaar, every article being sold. In addition to these classes, the new features of the year are a Dramatic Club.

Picture Frame Making, and an Educational Class, under the auspices of the Deaf Men's Mutual Improvement Society.

DIVINE SERVICES.—Divine Services have been regularly conducted by our Chaplain. On the few occasions of his absence, Messrs. F. J. Rose, R. R. Paterson, M. L. Miller. A. C. Muir, W. P. Muir, J. E. Muir, and R. H. Luff officiated. The attendances at the services have been fairly well maintained, especially in the evening. The Lord's Supper was administered on four occasions. On the 26th May our Chaplain officiated at the 3rd anniversary celebration of the opening of the building. The Christmas Service was observed on the 25th December, 1907, when a sermon appropriate to the occasion was preached by our Chaplain to a good congregation.

On the 15th March, 1908, for the fourth time, a Harvest Thanksgiving Service was held. The Church was prettily decorated with flowers, fruit, vegetables, etc., presented by the deaf congregation only, to whom our best thanks are due. Our Chaplain preached both morning and evening.

BIBLE CLASS.—Our Chaplain's Bible Classes have been held with a few exceptions every Thursday evening. The average attendance is about the same as in former years. Messrs. M. L. Miller, A. C. Muir, W. P. Muir, J. E. Muir, and R. H. Luff have assisted.

COLLECTIONS.—The amount of the contributions for the year reached £32 2s. 11d. In addition to this amount the congregation contributed £3 1s. to the Hospital Sunday Fund.

RALLY.—Four rallies were held during the past year. the 7th rally being the Annual General Meeting of the congregation, held on the 11th April, 70 present. The 8th rally on the 9th July. This rally was specially got up for the purpose of thanking the principal officers of the various stalls in connection with the Bazaar and Village Fair. Mr. E. Newbigin (our Vice-President) presided. Attendance, deaf (64); hearing friends, 65.

The 9th rally on the 26th September, in honour of Mr. F. J. Rose's 76th birthday. Attendance, 50 deaf; 14 hearing friends.

The 10th rally, on the 17th December, 75 present, 14 hearing, and 1/3 children. Our special thanks are due to those who took charge of the arrangements of these rallies.

The membership roll still maintains its average, and now totals 116.

OUR MONTHLY LETTER.—Our monthly letter has reached its 4th year of issue. The circulation is now 250 copies monthly.

LIBRARY AND READING ROOM. - The Library has been well looked after by the Hon. Librarian, Mr. M. G. B. Mortimer, and his assistants, Messrs. R. K. Beattie and G. Hodges, during the year, and the members of the congregation have fairly well availed themselves of the opportunities for reading offered by the stock of books, periodicals, etc. The number of books, etc., have been largely augmented by contributions from friends and sympathisers. The bequest of £5 from the late Mr. W. Deane has been laid out in the purchase of new volumes. The duties of Hon. Librarian have again been entrusted to Mr. M. G. B. Mortimer, who performs his work in an efficient and zealous manner, and his efforts are deserving of the highest commendation. His assistants, Messrs. R. K. Beattie and G. Hodges, carried out their duties fairly well, and are hereby accorded thanks.

SATURDAY NIGHT GATHERINGS.—The Saturday night gatherings are, as usual, an attractive feature of our building. The average attendance is 25, but not so large as in the previous years. The members of the sub-Committee take charge in rotation.

PICNIC.—Our Annual Cup Day Pienic was held at Portarlington on the 5th November, and 45 members and friends attended. 'A grant of £1 11s. 6d. from the Mission Committee enabled the sub-Committee to invite the poorer members of the Mission to join the outing, and partake of dinner and tea. The pienickers went by boat (S.S. Courier). This was our first Marine Pienic.

SOCIALS.—On the 16th July the 6th Anniversary of the Deaf Women's Friendly Society was celebrated by a social, given by the President, Mrs. H. Sumner Martin, and also two socials in December and March to wind up the summer recess, and to celebrate the opening respectively. On the 9th October the 6th anniversary of Mr. E. J. D. Abraham's arrival in Melbourne. He entertained the deaf mutes, their parents, friends. etc., to a social.

Mr. F. J. Rose, on behalf of some deaf subscribers, presented him with a gold medal as a token of esteem, and for his 25th year of work among the deaf, and 6th year in Australia, also in recognition of his successful efforts to establish a farm and home for aged and infirm deaf mutes in Victoria.

On the 25th February the social given by the Deaf Men's Society, to celebrate their annual meeting. On the 7th March Mr. and Mrs. E. J. D. Abraham entertained the members of the Mission at a most enjoyable garden party and bioscope entertainment at their residence, Brighton Beach. On the 19th March welcome home social to Miss A. Graham after her two years' absence in England.

BAZAAR.—It is highly gratifying to note that the deaf congregation are able to claim a share of the success at the Bazaar in aid of Farm and Home Fund; for out of £2600 they raised about £366 from their own stall and deaf and dumb town, and donations and collections of money and goods from the deaf community and their friends.

A good number of enthusiastic members were busy with sewing meetings, painting class, and other meetings, and great preparations were made to ensure success.

The Deaf Mutes Stall did splendid business, heading the list of proceeds from all the stalls. The Deaf and Dumb Town proved a great success, showing the deaf mutes at a large variety of occupations. The liberality of the donors, workers, and organisers calls for special thanks.

BANK.—The Outing Funds Bank is still in a flourishing condition. The number of depositors is 33. It is gratifying to note that about £63 is still lying in the bank after the withdrawal of about £27 during the year.

The duties of the Hon. Manager were again entrusted to Mr. F. E. Frewin, to whom our special thanks are tendered for his untiring assistance in this branch of the work.

Mr. M. G. B. Mortimer has ably assisted Mr. Frewin, taking charge on the occasion of the latter's absence.

DEAF MEN'S MUTUAL IMPROVEMENT SOCIETY.— We record with great pleasure that this Society is still going well, and keeping the younger members away from bad company. Papers have been read on various topics by the members. The Question Box night was successful. Impromptu speeches have been made; we also had a pound night. The gatherings have been held on the 2nd and 4th Tuesday of each month. The average attendance was 15.

DEAF WOMEN'S FRIENDLY SOCIETY.—Meetings were held on nine of the 12 months, the exceptions being December, January, and February, and owing to the hot weather.

CRICKET.—It is pleasing to note that our Cricket Club was restarted at the opening of the season, and that it had a fairly successful season. Doubtless next year a better advance still will be made.

SICKNESS.—Two of our esteemed members, Messrs. M. G. B. Mortimer and J. Charles, underwent severe but successful operations for appendicitis, and we are pleased to state that they are now well again, and taking their accustomed interest in the welfare of the Mission.

MARRIAGES.—Four members of the congregation entered the marriage state during the year.

In conclusion, the sub-Committee desire again to place on record their gratification to Almighty God for the success which has attended the Mission during the year.

We trust in God our Heavenly Father for a continuance of His rich blessing, and confidently look forward to another year of prosperity, and ot much useful work to be accomplished.
