**TWENTY-SIXTH
ANNUAL REPORT**

OF
Adult Deaf and Dumb Society of Victoria

(INCORPORATED)

For the Year ending 31st March, 1910.

BLACKBURN FARM AND HOME.—The chief event of the year has been the establishment of the Farm and Home for aged, infirm, and feeble-minded deaf mutes at Blackburn, and the transfer to it of the deaf mutes who were temporarily housed in a rented building at Box Hill. The opening ceremony was performed on the 27th November by the State Treasurer, the Hon. W. A. Watt. As mentioned in the last report, the available funds are not sufficient for the erection of the women's quarters, but with that exception the buildings are complete.

FARM MANAGEMENT.—The oversight of the Farm and Home now engrosses a considerable part of the energies of the Committee and the Superintendent, Mr. Abraham. It has been necessary to form a special Sub-Committee to deal with the numerous details which must necessarily arise in connection with the establishment and maintenance of the Institution, and to carry out the Committee's intention of developing the Farm on lines which will afford the greatest amount of intelligent interest to the inmates, while at the same time making it as far as possible a financial success. Mr. G. G. Mercy spent considerable time and trouble in the selection of a suitable engine and in connection with the laying down of the irrigation plant, and his fellow members of the Com-

mittee have recorded a special vote of thanks for his efforts. The Committee have been greatly helped by the generosity of interested friends. In connection with the irrigation of the Farm, Mr. A. T. Danks has given a complete and expensive pumping apparatus, Messrs. Thomas McPherson and Son have supplied a large quantity of material at cost price, while Mr. M. Eady has offered much useful professional advice. In relation to the cultivation of flowers, the Committee has been materially assisted by the counsel of Mr. John Cronin, the Director of the Botanical Gardens, and Mr. George Brown, the Curator of the Melbourne Public Parks and Gardens. Fourteen acres have now been cleared, of which nine acres have been planted with flowers and vegetables. Now that a proper supply of water has been provided by the erection of an engine and pumping plant, it is expected that within a few months a regular output of saleable flowers will be ensured, and it is hoped that the Superintendent will be able to make arrangements with customers who will take the whole crop. Already a fair quantity have been raised and sold, quite as many as could be expected without artificial watering.

INMATES.—The number of inmates at present in the Home is fourteen. Although the intended provision for women cannot yet be made, the Committee have admitted as many of them as can be accommodated with propriety. Four have been received, and of the remainder of the inmates nine are men, the other being a child. Only one of these could earn a proper livelihood. They are either mentally affected, or physically infirm. One whose portrait appears as an illustration to this report is both blind and deaf. Several are mentally deficient to a considerable degree, but they are able to do light work and to enjoy the society of the other deaf mutes. Their association with their fellows, and the new interest in life will do much to brighten their lot, most of them have already shown considerable improvement, both mentally and physically. There have been no serious ailments during the year, and as the building is well situated and the work congenial to the inmates, the Committee have no anxiety regarding their general health. Dr. W. J. Craig has gratuitously attended to the cases that required treat-

ment with satisfactory results. Several of the inmates have helped in the preliminary work of clearing and grubbing the portions of the property which have been brought into use, and most of them will be able to render substantial help in the cultivation of flowers, which for some time will be the staple product.

PICNIC PARTIES.—In order to take advantage of every possible source of income the Committee and the Superintendent have turned their attention to the numerous picnic parties who visit the well-known Blackburn Lake, which forms part of the property. At the time of its purchase there were two boats which the deaf mutes themselves raised the money to buy and presented to the Society, and the Committee have purchased two more. A substantial profit has been derived from the hire of them. Light refreshments have been supplied, and Mrs. Abraham at the sacrifice of her personal comfort has sometimes served tea in her private apartments. The Superintendent, who resides at the Institution, is of opinion that by a judicious outlay, further profit could be made by the erection of a shelter shed and refreshment room. In due time the Committee will make inquiries as to this, but at present there is not sufficient money in hand, and in any case they would not feel justified in using a portion of the capital for such a purpose, while there is insufficient accommodation for women.

WOMEN'S WING.—A fete was held in the grounds during the summer which resulted in a net profit of £174, of which £100 will be devoted towards the erection of the women's wing. The total amount now in hand for this purpose is £250, while an additional £750 will be required to erect and furnish it. Amongst the many gifts towards this special object mention may be made of a donation of £100 by the Honorable F. S. Grimwade, the President of the Society, and £25 by Mr. J. M. Griffiths. A permanent augmentation of the income, as well as an increase of capital, will be necessary before the Committee can see its way to proceed with the erection of the necessary buildings.

HEADQUARTERS.—Notwithstanding the claims of the Farm and Home the work at the headquarters of the Society at

Flinders-street has been properly attended to. The Superintendent has been well supported by the deaf mutes. Several of the better educated, and Mr. R. R. Paterson, the late Superintendent, have given valuable help by taking services and classes. The Superintendent has conducted Divine Service at Blackburn at 9 a.m. on Sundays, and at 11 a.m. and 7 p.m. at Flinders-street. At the evening service the average attendance has been over fifty. He has also delivered lectures and conducted classes during the week, the attendance at which has been satisfactory.

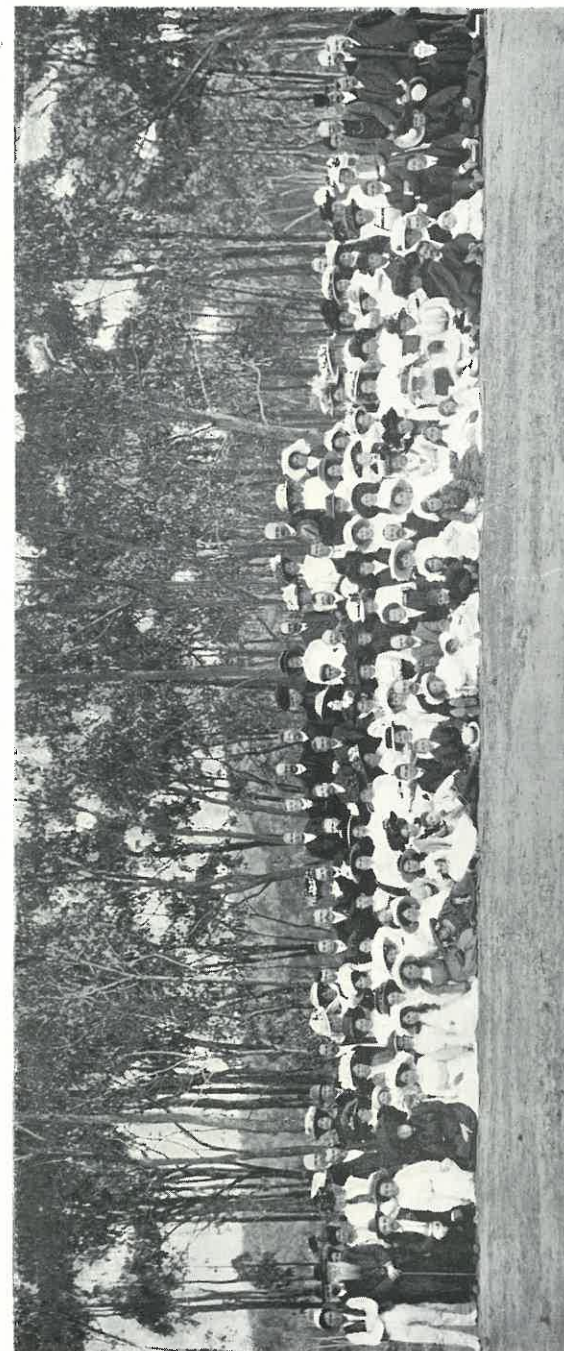

COMMITTEE.—The death of the Rev. J. J. Halley has been a severe loss to the Society. His sound common-sense and his varied knowledge and experience rendered him one of the most valuable members of the Committee. Mr. George Brown has consented to fill his place, and his practical knowledge of horticulture will no doubt prove of great assistance to the Committee and the Superintendent.

SUBSCRIPTIONS.—The Committee are glad to report that subscriptions are well maintained and that the public evidently recognise the value of the Society's work, but they again appeal for an immediate increase. A number of women are awaiting admission into the Blackburn Home, and in the meantime are deprived of the comforts and companionship which are the right of every member of the community.

GENERAL.—The appended report from the Deaf Committee gives ample evidence that the Society's premises and the facilities afforded for instruction, help, and recreation, are appreciated and taken full advantage of by the deaf mutes. The Committee rejoice that they are privileged to take part in the management of this institution, which has proved beneficial to a large and ever-increasing class, who are dependent upon it for most of their enjoyment in life, and they trust that with the blessing of God it will continue to prosper.

By order of the Committee,

H. SUMNER MARTIN,
Hon. Secretary.

Adult Deaf Mutes and Friends

EXTRACTS FROM TWENTY-SECOND

Annual Report of the Deaf Committee.

APRIL, 1910.

To the Members, Ladies and Gentlemen.

YOUR COMMITTEE have much pleasure in submitting the Annual Report and Balance-Sheet for the year ending 31st March, 1910, together with a record of the doings of the Congregation, and in doing so have confidence that the management of affairs will meet with your approbation.

COMMITTEE.—The members feel that they cannot allow this opportunity to pass without expressing their appreciation of the services rendered to the deaf by the gentlemen of the General Committee.

DIVINE SERVICE.—As usual Divine Services have been conducted by our Chaplain, and in his absence by Messrs. J. E. Muir, W. P. Muir, M. L. Miller, R. H. Luff, and R. R. Paterson (ex-Superintendent). It is very pleasing to the Subcommittee to see so many of our young people in regular attendance. Although new and heavy responsibilities are falling thick and fast upon the shoulders of our Chaplain, it is very seldom that he is absent from officiating at Divine Service. The attendances at the Services have been well maintained, especially in the evening. The Lord's Supper was administered on four occasions. The average number of communicants was twenty-three. On the 22nd May our Chaplain officiated at the fifth Anniversary Celebration of the opening of the building. The 10th October was his seventh Anniversary of Ministration amongst us. On the 20th March for the sixth time a Harvest Thanksgiving Service was held, the

church was prettily decorated with flowers, fruit, vegetables, &c., presented by the deaf members to whom our best thanks are due.

BIBLE CLASSES.—Bible Classes were held every Thursday for nine months out of the twelve. In future, our Chaplain, in addition to the Bible Class, will hold on Thursday evenings a class for the reading of books that are helpful to members. In the absence of our Chaplain, Messrs. M. L. Miller, J. E. Muir, and Mrs. J. E. Muir had charge.

COLLECTIONS.—There was a falling-off in the contributions for the year just closed. They amounted to £36 14s. 10d. The Hospital Sunday collection amounted to £4 11s. 3d.

EDUCATIONAL.—During the past twelve months about six lectures upon a variety of topics have been delivered by the Superintendent. They were well attended, and proved very instructive. The Painting Class, conducted by Mrs. J. E. Muir, was well patronised. Great credit is due to her for the high standard her pupils have achieved during the past year. Her painstaking devotion has put many of our young members in possession of one of the pleasantest of hobbies. She was presented with a handsome jewel casket as a token of esteem from her pupils at the last Christmas Rally. The Frame Making class was discontinued last August. There are about a dozen large and handsome frames upon the walls of our building, the result of the careful instruction patiently given by Mr. S. Freedman. Our hearty thanks are due to him for his unselfish services for his pupils in the position of hon. instructor.

RALLY.—Four successful rallies were held during the past year, the 15th affording an opportunity to give the country deaf visitors a welcome. The attendance averaged about seventy-five. The membership roll totals 149 members, an increase of thirty-three for the two previous years. Such rallies do wonders in cementing friendships among the members. The Committee adopted a suggestion lately that each rally should be conducted by various guilds in connection with the Society, so that all different members should support their own guild. We beg to tender our best thanks to those who supervised the arrangements of these rallies.

LIBRARY AND READING ROOM.—The Library is as usual well patronised. Several small gifts of books, magazines, and periodicals were presented to the Library. Hearty thanks are tendered to the donors. Mr. M. G. B. Mortimer has filled the position of Hon. Librarian for the sixth year in succession, and is hereby tendered our most hearty thanks. His assistants (Messrs. G. Hodges and A. Hull) carried out their duties well, and are hereby accorded thanks. More books will be gratefully received.

SATURDAY NIGHT GATHERINGS.—The gatherings which have become quite a feature of the Society were continued weekly throughout the year. The winter games competitions were held and the success was gratifying to all. Prizes given by the Deaf Committee to the successful competitors were distributed at the last Christmas Rally.

PICNIC.—Some ninety-five of the members had the satisfaction of a thoroughly pleasant picnic at Lake Park, Blackburn, on Cup Day. A grant from the General Board enabled the Committee to invite the poorer members to join the outing.

SOCIALS.—Eight socials have been held during the year and proved interesting and enjoyable. A garden party was given by Mr. and Mrs. E. J. D. Abraham at Lake Park, Blackburn, last month. About 200 deaf people and their friends were present.

MARRIAGES AND BIRTHS.—There have been three births and one marriage.

OBITUARY.—It is with very much regret that your Committee has to refer to the death of our highly-esteemed friend, Rev. J. J. Halley, who was an officer of the Society when its affairs required skilful guidance. Miss Julia McCombe, another old member, also passed away.

OUR MONTHLY LETTER.—Our monthly letter has been in existence for six years, and in fact an excellent mutual friend it has proved to be. During the last five years about 24,000 copies have been hand printed and circulated. The writers (Messrs. M. L. Miller, E. R. W. Smith, and J. E. Muir) and printers (Messrs. L. Downes, J. Boortz, G. Oak-

ley, S. Moss, J. Campbell and others) carried out their duties in a very satisfactory manner and are deserving of the highest commendation. Our hearty thanks are due to the gentlemen and ladies who have subscribed to the funds of this letter.

CARNIVAL.—The members will note with satisfaction the great share taken by the congregation in the work of late carnival in celebration of the opening of Farm and Home at Blackburn last November. The deaf ladies had a flower and sweet stall. Many amusements under the management of the deaf men helped to swell the funds.

SUPERINTENDENT.—Mr. E. J. D. Abraham has now been connected with the Society as our Superintendent and Chaplain since 1901. The amount of time and labour which he has spent and the tact and energy which he has displayed at all times speaks volumes for his enthusiasm in furthering the Society's interests. We have no hesitation in saying that the Society is fortunate in having had the opportunity of acquiring his services.

HON. SECRETARY.—For the fourth year in succession the onerous position of Hon. Sec. has been filled in a capable and painstaking manner by Mr. J. E. Muir.

DEAF WOMEN'S GUILD.—It is most gratifying to be able to record a year of successful work. Fifteen meetings were held and three socials. Educational classes conducted by Mr. E. Abraham, and Bible Readings by Mrs. A. Wilson were well patronised. An innovation introduced during the year was the ladies' penny bank, which has proved a great success.

DEAF MEN'S GUILD.—The past was a progressive year, six new members being enrolled. Lectures and readings were given by the deaf members and also by hearing friends. An educational class conducted by a few senior members was also a useful feature.

BANK.—The Victorian deaf outing fund and bank is progressing satisfactorily, though slowly.

CRICKET.—The Adult Deaf Cricket Club is still going well.

CONCLUSION.—Whilst commending the members for the united efforts of past years, we must not weary in watching that each year should and must be an improvement upon the former, and that to accomplish this still greater co-operation is needed. It is due from every single member that a personal interest be taken not only in our Society as a body, but in the welfare of every individual deaf person. It is a part of your duty to help in the increase of the membership, to assist in maintaining order, to loyally support the efforts of the Committee, in fact to be ever ready to advance the interests of our Society. And to God our Heavenly Father be all honour and glory for His loving kindness and many blessings.

J. E. MUIR,
Hon. Secretary.
