## ANNUAL REPORT

OF

Adult Deaf and Dumb Society of  
Victoria

(INCORPORATED)

For the Year ending 30th March, 1912

Your Committee have much pleasure in submitting the  
Annual Report and Balance-Sheet for the Year ending 31st  
March, 1912—

HEADQUARTERS.

The usual lectures, classes and other gatherings have been held throughout the year at the Flinders-street Centre, and so far as the work carried on is concerned, with the exception, perhaps, of periods of trade depression, when the difficulties the Superintendent has to encounter in procuring employment for the deaf are at times discouraging, one year goes along as smoothly as its predecessor. Happily, these difficulties have not been experienced for many years past. At present there are no unemployed, and the religious, educational, social and financial departments give evidence of still greater progress than heretofore. Every effort is made to counteract the handicap of the deprivation of the powers of hearing and speech. This is done by providing the deaf with, so far as is possible, the same advantages as enjoyed by the normal community, such as public worship, Bible classes, young men's and young women's guilds, recreation club, literary and reading rooms, bank, lacrosse club, cricket club, and for the country deaf mutes a monthly newspaper. The report of the Deaf Committee shows how fully the deaf appreciate the advantages open to them; it also gives particulars of the numerous means adopted by the Deaf Committee to brighten the lives of the fellow afflicted.

Ten years ago, on the suggestion of the Committee, a strenuous effort was made to get together an annual collection of £50 from the deaf themselves. Last year they contributed £55 to their Society's funds, in addition to collections for Hospital Sunday and other special appeals.

Even when the best has been done for the deaf mute, he, by reason of the absence of the sense of hearing, still remains handicapped, and then there is a long way to go before the deaf mute can be said to be receiving the same opportunities as the hearing. It will thus be understood that he faces life under great disadvantages.

As his parents are unable to give him instruction, and he is not received into school until he is the age of seven, he loses the best seven years of his life as far as the fundamentals of instruction are concerned. He remains at school until 16, and then if he is to be a success at the trade at which he is to earn his livelihood, he must leave school. No matter how skilled the teacher, he cannot impart the same amount of instruction as he would be able to in the case of a normal child. The deaf child's mental development, too, depends entirely upon his teacher, and the little circle of fellow afflicted schoolmates. The hearing child on the other hand, picks up information without effort by means of his sense of hearing—knowledge is practically forced upon him, and much is received quite unconsciously. On leaving school the means by which he has been enabled to develop mentally are suddenly cut off. The world to him is but a passing picture; he sees and may guess at the meaning of what meets his vision, but that is all. He cannot hear what is said, thus being deprived of the general knowledge that the average man "picks up" in his ordinary routine, and which from the "worldly successful" point of view is the best of all knowledge. It must thus be realised how great is the need of some special provision to enable him to hold his own with his more fortunate fellow citizens.

### BLACKBURN FARM AND HOME.

During the year there have been five admissions to the Home, and one has left. The number in the Home is 21, 14 men and seven women, an increase of four over the preceding year. We have the full complement of male employes and inmates which the Home was erected to accommodate, and seven women crowded into rooms meant for other purposes, awaiting the erection of the Women's Wing. Taking into account the condition of many of the inmates, their conduct may be reported as good, and their general progress satisfactory.

### FARM.

As regards the work on the Farm, the past year has been a most progressive one. Two extra acres have been cleared, and are now under cultivation. The original stock has been increased threefold by propagation, and several minor improvements introduced. In this, the second year, the income from sales, etc., has been more than doubled. Last year flowers to the value of £217 were sold. This year the sum received is £430. In 1910-11, picnic receipts amounted to £79; in 1911-12 £166. The cash receipts total £646, and the outstanding accounts £41.

### THE DAM.

The heavy rains of last year injured the dam, washing away a portion of the soil at the lower end of the lake at the Farm and Home, which necessitated calling in the services of an engineer, Mr. Geo. Higgins, M.C.E., who kindly advised the Committee on a previous occasion, and laid the Society under a further obligation by reporting on the damage and preparing plans and specifications in connection with its reinstatement. There is every reason to believe that the trouble will not recur.

### CONGRESS.

The Congress, consisting of representatives from every State in the Commonwealth and New Zealand, was held in the Centre at Christmas time, and proved a most successful gathering. The educational aspect was discussed at length, and several important resolutions were carried. The daily press reported the proceedings. Mr. T. Williamson, of New Zealand, read a paper on "The Pure Oral System."

"Uniform System of Signs, Etc." was the title of the paper read by Mr. J. E. Muir. One was also contributed by Miss M. O. Wilson, of Queensland. Mrs. J. E. Muir's paper on "Language" was very ably thought out, and met with general approval.

"Provision for Apprenticeship" was the subject dealt with by Mr. F. E. Frewin. He made a clear case and pressed his claims well. Mr. T. A. Nelson pleaded for the employment of the deaf in Government departments. Mr. M. L. Miller's paper on "The Deaf Tramp" was felt to be timely.

### WOMEN'S WING.

Having received from the Government of Victoria the promise of a grant towards the erection of the Women's Wing, the Committee were encouraged to call for tenders for same, after having approved of the plans. Unfortunately, the tenders were considerably higher than the estimate submitted, so that the Committee felt bound to postpone the building of the wing. Fresh efforts are being made to secure, apart from the Government grant, what is needed, and they have every confidence that the necessary amount will be subscribed by the friends of the Society, when the appeal is made. The urgency for the accommodation has already been referred to.

### TREASURER.

It is with great regret that the Committee have to announce the resignation of Mr. Harold Kent, as Treasurer of the Society. The Committee desire to place on record their recognition of the faithful and valuable services rendered by him to the Society.

**SECRETARY.**

After 20 years of untiring services to the Society, Mr. H. Sumner Martin, B.A., LL.B., retired from the position of Hon. Secretary, owing to his being unable to devote the necessary time to the duties thereof. The Committee's appreciation of Mr. Martin's most valuable services was conveyed in a letter sent to him, a copy of which was ordered to be entered in the minutes. Mr. R. J. Oehr, F.I.A.V., Registrar of the Incorporated Institute of Accountants, Victoria, has been appointed as successor. Although Mr. Martin has ceased to be Secretary, the Committee are pleased to report that he will not terminate his connection with the Society.

**CENTRE.**

It has been decided to call the headquarters of the Society in Flinders-street, the Adult Deaf and Dumb Centre.

**DR. CRAIG.**

While the health of the inmates has been good on the whole, it is inevitable that there should have been a certain amount of sickness. Dr. Craig has kindly continued to act as Hon. Physician, and has on many occasions given medical advice and aid. This has made greater inroads on his time during the year than was anticipated, and the Committee record their gratitude to him.

**THANKS.**

The Committee again desire to express their thanks to the public for its generous support, both by gifts and in money and kind, favours accorded to the collectors and in other ways.

By order of the Committee,

R. J. OEHR, Hon. Secretary.

## EXTRACTS FROM TWENTY-FOURTH

**Annual Report of the Deaf Committee**

APRIL, 1912

To the Members.

LADIES AND GENTLEMEN,—

The Deaf Committee of the Adult Deaf and Dumb Society, in submitting their Twenty-fourth Annual Report and Financial Statement for the year, have pleasure in being able to record that satisfactory progress in every department has been a marked characteristic of the year's operations, and that the prospect regarding further expansion and success is most encouraging.

**COMMITTEE.**

Our best thanks are due to the members of the General Committee for their help in the management of the affairs of the Society. All matters brought before their notice receive the closest attention. Mr. H. Sumner Martin, who has occupied the position of Hon. Secretary to the Society for many years, resigned during the past year, his reason being the growth of the work since he originally undertook the duties, the expansion of the work in connection with his own profession, and his disinclination to hold a position for which he could not devote the time necessary to its needs. It is with pleasure we add that he is still a member of the Committee, and ever ready with his advice. His successor is Mr. R. J. Oehr, who has the best wishes of every member. Mr. H. Kent has also resigned the Hon. Treasurership of the Society; we thank him for the kindly services he has rendered our Society. It is pleasing to note the cordial relations existing between the Committee and the members of the Society.

**DIVINE SERVICES.**

Divine Services have been conducted every Sunday morning and evening by our Chaplain, and on the occasions of his absence by Messrs. R. R. Paterson (ex-Missionary), M. L. Miller, R. H. Luff, H. Dunnet (S.A.), J. E. and W. P. Muir. We thank these gentlemen for their assistance. The attendance at both services has steadily increased. The average attendance being: Morning 23, evening 53. The largest attendance was on December 24, when a Special Service was held in honour of the Xmas Congress; 54 attended the morning service and 96 the evening, our Chaplain officiating. The next largest was 51 and 88, morning and

evening respectively, on December 31, when Mr. J. M'Donald, of Adelaide, officiated. The Lord's Supper was administered on four occasions, the average number of communicants being 24.

### COLLECTIONS.

The total amount of the contributions for the year reached £55/16/9, being £5/12/11 more than the previous year. Envelope system, £30/9/7; ordinary collections, £16/7/2; private contribution among the deaf, £9. It is very pleasing to note that nearly all the members of the congregation have contributed their share during the past twelve months to swell the list of contributions to our Society. £5/3/10 was collected in aid of the Hospital Sunday Fund.

### BIBLE CLASSES.

Bible Classes have been conducted by our Chaplain every Thursday evening for nine months of the twelve. Here, too, there is evidence of renewed interest, the younger members of the congregation especially are regular in their attendance, and take a deep interest in the special lessons.

### RALLIES.

The usual quarterly Rallies have been held during the past year. The Twenty-third Congregational Rally, on March 28, was under the charge of the Men's Guild. The Twenty-fourth Rally on June 23, under the supervision of the Victorian Branch of the A.D. & D.A., was in celebration of the Coronation of King George V. The Twenty-fifth Rally on September 7 was arranged by the Women's Guild, and the Xmas. Rally (December 28), for the purpose of welcoming the inter-State visitors was under the auspices of the Deaf Committee, the average attendance being about 100.

### MEMBERSHIP.

It is gratifying to the Committee to report that the membership has been well maintained. Fourteen new members were added during the year. The work devolving on the Hon. Secretary is considerable, and members are reminded that each person they introduce into our Deaf Mute circle greatly assists their Hon. Secretary, whose enthusiasm in this department has been largely instrumental in the securing of the increase. The work devolving on the Hon. Secretary is considerable, and was of inestimable value to the Committee. He has carried out his duties in a thoroughly efficient manner, and we thank him for the wholehearted way in which he has conducted same; also the Hon. Secretaries of the various branches for their assistance in promoting the welfare of the Society.

### LIBRARY AND READING ROOM.

This very important branch of the Deaf Committee's work is in charge of Mr. M. G. B. Mortimer, and his assistant, Mr. J. Marks. It has, as usual, been well looked after. Several small gifts of books, magazines, periodicals, &c., were received. Mr. A. Williamson kindly bound several volumes. We thank the thoughtful donors, and congratulate Mr. Mortimer and Mr. Marks on the efficient manner in which they have filled their respective positions.

### "OUR MONTHLY LETTER."

"Our Monthly Letter" has now been in uninterrupted circulation for 8 years. We print 450 copies monthly, and when all wants have been supplied, it is seldom we have a copy to spare. Mr. M. L. Miller and Mr. and Mrs. J. E. Muir are heartily thanked for writing the lithographic transfers month by month. Donations from 1/- upwards, amounting to £5, towards the cost of production, have been received and acknowledged with grateful thanks. One of the autotypist presses, which at one time was used for printing "Monthly Letters," has recently been sold for 30/-.

### PICNICS

The members of the A.D. & D. Society held their Annual Picnic at Mordialloc on November 7 (Cup Day). About 80 of our members took full advantage of the many attractions provided for their pleasure, and altogether a most happy and enjoyable day was spent.

In connection with our Congress, another picnic was held on New Year's Day at the Brighton Cricket Ground, the inter-State visitors being the guests of the Congress Committee.

Several races were run before lunch, and the South Australians showed us that though unfortunate at cricket they could win the laurels in the races. They were heartily congratulated on their success. Several friends of the Society donated prizes, which were distributed to the winners by Miss M. O. Wilson, of Queensland. The donors are thanked for their gifts.

### CONGRESS.

The second Congress of the Australasian Deaf and Dumb Association was held in Melbourne on December 25, 26 and 29. It was a most representative gathering of the Deaf, every State of the Commonwealth being represented, likewise New Zealand. Various subjects affecting the Deaf were discussed, and resolutions carried. Three members of our Society were re-elected to the most important offices, viz.: President, Mr. Abraham; Treasurer, Mr. J. E. Muir; and Secretary, Mr. M. L. Miller.

### MR. ERNEST J. D. ABRAHAM.

Your Committee desire to record their appreciation of the services rendered to members of the Society by Mr. E. J. D. Abraham as Chaplain and Superintendent. He has occupied that position since October 9, 1901, and during that period has been a zealous worker, not only in the Society's interests, but in the general well-being of the Deaf of Australasia. There was a large gathering of the Deaf, together with a few hearing friends at our Centre on October 9, to celebrate the tenth anniversary of his arrival in Victoria from England. Several addresses congratulating him upon his splendid and successful efforts in the cause of the Deaf were made. He was presented with a purse of sovereigns for the object of procuring a bioscope film of the work amongst the Deaf of this State, that it might be exhibited in other States and other parts of the world as an illustration of what is possible in the way of making provision for the care and well-being of the Deaf, and to assist in getting such established in countries where it does not at present exist.

The Board of Management of the Victorian Deaf and Dumb Institution entertained the past and present pupils at a Garden Party in the grounds of the Institution on April 22, to celebrate the Jubilee of the establishment of the Institution. Mr. F. J. Rose (founder and first superintendent of the Institution) and Mrs. Rose were the guests of honour. A souvenir of historic photographs of the School to the Board of Management, a cutler desk and arm chair to Mr. W. D. Cook (the movement being organised by Mr. Abraham) as a token of gratitude and in recognition of his services as a teacher to the Deaf for nearly 30 years, and a purse of sovereigns and autograph album to Miss Jones (organised by Mr. R. H. Luff) in recognition of her 30 years' service as a nurse and sub-matron of the School, were presented from the old pupils.

### MR. R. R. PATERSON.

Mr. R. R. Paterson, our former missionary (1892-1901), who has been ordered a long sea voyage for his health's sake, was entertained at a farewell social at our Centre on March 2. His Deaf friends made him a present as a token of their affectionate regard.

### SATURDAY GATHERINGS.

The Saturday night gatherings are still as popular as ever. The Game Competitions during the winter months have proved a great success, keen interest being shown among the competitors. Mrs. F. E. Frewin presented the prizes to the winners November last. The Committee desire to express their thanks to those who so generously donated the trophies, and at the same time heartily congratulate the winners on their splendid performance.

### FINANCE.

The financial condition of the Deaf Committee Fund is satisfactory. The receipts being £50/16/3, and the expenditure £38 5/7, leaving a surplus of £12/10/8 to carry forward.

### WOMEN'S GUILD.

The past year was without doubt the best since the inauguration of the Women's Guild, both as regards attendance and variety of interesting features. This was largely due to the untiring efforts and attractive personality of the president (Mr. J. E. Muir), also in a measure to the hon. secretary's (Miss Empson) ever ready willingness to render service where desired. Mrs. Wilson has had charge of the Biblical instruction, and Mrs. J. E. Muir of the educational class. A very encouraging innovation was the reading of papers by junior members, and the Guild Committee are encouraged to persevere in their work by this desire to improve on the part of the young girl members.

### MEN'S GUILD.

Their report states that meetings and gatherings during the past 12 months were much brighter than formerly and the young men had taken a keener interest in the affairs of the Guild. Eighteen ordinary meetings had been held with an average attendance of 17. Eleven papers were read, a mock parliament, and a debate on "Monarchy and Republic" given. A new feature was started late in the year. This being a recital by one or other of the members before each lecture.

### BANK.

The Outing Fund and Bank has been steadily progressing, deposits began to flow in after the holidays. There are 48 depositors on the roll, and the sum of £80 odd has accumulated during the past 12 months despite heavy withdrawals.

### CRICKET.

The Cricket Club is getting on well under the leadership of Mr. C. Robertson, who is very enthusiastic over the doings of the team, which comprises nearly all young fellows, whose grit and determination has invariably characterised the team. Eighteen matches were played, of which 13 were won and 5 lost.

### BIRTHS AND MARRIAGES.

There have been seven births, eight marriages and two deaths.

### OBITUARY.

It is with much regret that your Committee refer to the death of Mr. P. Holt, the pioneer missionary to the Deaf of Victoria, holding the position from 1884 to 1889. He died on April 13.

In conclusion, the Committee recognise their duty to the congregation, and will, to the utmost of their power, meet requirements, while they conserve the interests of the members. The Committee desire to urge members not to relax their efforts to place the Society in the vanguard of work amongst the Deaf; there is a bright future before us, and every member can contribute toward the ideal we aim at. Much vigorous work is necessary, and must be undertaken cheerfully.

The Committee have much for which to thank God, for we have been blessed by years of progress. It is the earnest hope and prayer of all concerned that the Almighty Benefactor will still bless our work, our members and those who assist us.
