Marks and C. Robertson.

TWENTY-NINTH
ANNUAL REPORT

OF

Adult Deaf and Dumb Society of Victoria

(INCORPORATED)

For the Year ending 31st March, 1913.

THE COMMITTEE have the honour to present the Annual Report and Balance-sheet for the year, recognising and appreciating throughout the Divine promptings which have inspired and directed their activities, and expressing gratitude to Almighty God for the blessings which have attended their labours.

THE CENTRE.—From its simple aim of providing the deaf and dumb of the State with religious instruction, the Adult Deaf and Dumb Society has in the past twenty-nine years developed into an organisation making, or planning to make, provision for the whole of the needs of the Adult Deaf and Dumb of Victoria.

Last year what has been termed the "Coping Stone" to the work was decided upon, that is to say, the erection of the Women's Wing of the Home for Aged and Infirm Deaf Mutes at Blackburn, and the completion of the building in Flinders-street; the chief feature of the latter will be the accommodation for deaf mute apprentices. This work will cost £7500, almost the whole of which has yet to be raised.

The needs of the deaf may be stated under the following heads:—

1. Primary Education.
2. Means for Moral and Spiritual development.
3. Pastoral supervision.
4. Means for adult social intercourse and intellectual advancement.
5. Facilities for recreation suited to their handicapped condition.
6. The housing and boarding of youths whilst learning a trade.
7. Helping in securing employment.
8. Relief to the temporarily distressed.
9. Care of the Aged and Infirm.
10. Training of the feeble-minded and undisciplined.
11. Employment of "unemployables."
12. Inquiry office and interpreter.

The first is provided by the Government at the Institution for Deaf and Dumb Children on the St. Kilda-road.

The 2nd, 3rd, 4th, 5th, 7th, 8th and 12th are partly provided at the Adult Deaf Mute Centre, Flinders-street East, our headquarters. The building needs completing before No. 6 can be attempted. Nos. 9, 10, 11 are provided for at Blackburn in the case of men, but only partially so for women.

The Centre is the rallying spot of the deaf mutes of the State. Here the deaf gather every Sabbath morning and evening for divine worship, and on week nights attend for mental instruction and social intercourse.

It is believed by the Committee that it is only necessary to complete the erection of the Centre, and the Women's Wing at Blackburn Home, when all that is possible will have been done to alleviate the loss of these doubly afflicted people. For details of the work carried on at the Centre,

the subscribers are referred to the report of the Deaf Committee, who have control under the direct supervision of the Committee of this work.

The Centre has been recently renovated throughout and additional conveniences have been provided.

NUMBER OF DEAF AND DUMB.—In this State, according to the last census, there are 535 deaf mutes in Victoria, of whom nearly 370 are adults.

EMPLOYMENT OF THE DEAF.—It is one of the aims of the Society to see that the deaf have occupations, and that they become self-supporting. There are, however, many who are quite unfitted for the ordinary occupations. These are employed at the Blackburn Flower Farm, or in other ways under the direct supervision of the Society's officers. But the great majority of the deaf when given a fair start in life, and helped by advice, and in the obtaining of fresh employment, are able to hold their own with the rest of the community.

THE HOME AND FLOWER FARM AT BLACKBURN.—The Home provides a refuge for the aged and infirm, and the Flower Farm training as well as a home for those of feeble intellect and others permanently or temporarily shut out from procuring ordinary employment. At present the Home has all but its full complement of inmates.

The sale of produce, &c., at the farm contributes largely to the funds for the maintenance of the Institution. The cash receipts last year totalled £735 3s. 10d., with outstanding accounts £81 1s. 8d., the total sales, &c., amounted to £816 5s. 6d.

WOMEN'S WING.—The few women that we have felt compelled to admit through pressing necessity being crowded into rooms meant for other purposes, the Committee resolved that, as soon as they had sufficient money in hand,

they would proceed to erect the Women's Wing. Unfortunately, owing to the increased cost of labour and materials, only a portion has been built, and this we were only able to undertake through the generosity of the Victorian Government, who kindly granted the sum of £500 towards its erection. This part of the building was opened by His Excellency the Governor-General, Lord Denman, on the 23rd November last. Amongst those present were Lord Richard Neville, Sir Robert Best, Hon. F. Tudor, Minister for Customs, Mr. W. H. Felstead, the President of our Society, the members of the Committee, and some two thousand guests.

FINANCE.—We are pleased to be able to report a gratifying increase in the contributions towards the maintenance of the Society. At the same time, a greater measure of support towards necessary capital expenditure would enable the Committee to have such work carried out.

WORK OF FARM AND FINANCE COMMITTEE.—An amount of arduous work has been done by the Finance Committee, and the thanks of the Committee are due to Messrs. Mercy, Brown and Miller, who have devoted a large amount of time and energy to the interests of the Society.

RESIGNATION.—It is with regret that we have to record the resignation of Sir Henry Weedon as a member of the Committee.

ASSISTANT TO SUPERINTENDENT.—In view of the growth of the work, and the extension of the activities of the Society, the Committee have felt the necessity of securing an Assistant to the Superintendent, and efforts to that end are being made, but so far the right man has not been secured.

DR. CRAIG.—It is to be expected that in a Home such as ours there should be a certain amount of sickness among the inmates. Dr. Craig has kindly continued to act as Hon. Physician, and has on many occasions given medical advice

and aid. This has made demands on his time during the year, and the Committee record their thankfulness and gratitude to him.

THANKS.—The Committee again desire to express their thanks to the public for its generous support, both by gifts in money and kind, favours accorded to the collectors, and in other ways.

By order of the Committee,

R. J. OEHR,

Hon. Secretary.

TWENTY-FIFTH
Annual Report of the Deaf Committee,

24th APRIL, 1913.

YOUR COMMITTEE have the honour to present to you their 25th Annual Report and Balance-sheet ending 31st March, 1913, together with a record of the doings of the Congregation, and trust the perusal thereof will afford you complete satisfaction.

In an organisation such as this, the operations, though varying in extent, are very similar in character year after year. The needs are the same and the methods are the same, and therefore the record must be very much the same except where taking advantage of knowledge acquired through experience it has been our good fortune to be able to add additional advantages. As an illustration: the provision for aged, infirm, and feeble of intellect at the Home and Farm, Blackburn, and the proposed accommodation for apprentices.

COMMITTEE.—The members desire to acknowledge the consistent efforts of the General Committee to promote the best interests of the Society, and in every other way the Committee have displayed keen interest in the members' welfare.

DIVINE SERVICES.—As usual, Divine Services have been conducted by our Chaplain, Mr. E. J. D. Abraham, and in his absence by Messrs. J. E. and W. P. Muir, M. L. Miller, and R. H. Luff. Another encouraging feature of the Congregational work is the readiness of those who have for years had the blessings of the Gospel, to carry its glad message to others, and the Committee would gratefully acknowledge

their indebtedness to all those loyal and zealous friends for their self-denying labours. The Chaplain having the responsibility of the work at Headquarters and Blackburn has found the strain of the regular ministerial duties beyond his strength. Relief has been promised him. An assistant missionary is to be engaged who will take over the greater part of the missionary work. The Committee feel they cannot pass on to other matters without first recording the fact that the mainspring of all the activities of the Society is Mr. E. J. D. Abraham, the value of whose untiring efforts can hardly be exaggerated. The attendances at the services have been well maintained, especially in the evening.

BIBLE CLASS.—The Bible class has been well patronised every Thursday evening for nine months of the twelve, and the Chaplain gave exceptionally interesting lessons. In his absence Mr. and Mrs. J. E. Muir were in charge. The average attendance has been much above any former year.

COLLECTIONS.—The total amount of the contributions for the year reached £55 10s. 10d.; envelope system, £35 5s. 9d.; ordinary collection, £10 19s. 7d.; and private contributions among the deaf, £9 5s. 6d. (last year's being £55 17s. 3d.). £5 13s. 4d. was collected in aid of the Hospital Sunday Fund.

LECTURES.—During the last twelve months lectures upon a variety of topics, &c., were delivered by the Superintendent, although the greater part of his evenings were occupied with other meetings and classes. A very interesting lecture entitled "Holy Land" was delivered by Mr. Pearce on the 7th May. Photographs of Jerusalem and its surroundings were shown, and a number of friends attended dressed in the costumes pertaining to the Holy Land. Altogether it was a rich treat. On the 9th and 12th November Mr. R. R. Paterson (ex-missionary) delivered a very interesting and appreciative paper on his travels in Europe. On the whole they were well attended, and the members are evidently realising the high educational value of these lectures.

RALLIES.—The social side of our work has been kept well to the front. The quarterly rallies provided by different guilds have been exceedingly well attended on these occasions. Addresses by prominent members have been given and entertainments of various kinds arranged for, the average attendance being about 100.

Regarding the membership roll it is very pleasing to your Committee to still have the support of the old members, and quite a large muster of young ones. The Committee feels, therefore, that your strongest support in every direction will be more than ever necessary in the future to ensure success. Without the cordial and willing co-operation of the general body of members, enthusiasm in a society dies down and there is consequently a drift in a backward direction.

It is gratifying to note that through the steadiness of our young members they are taking their place as good citizens of the State. The benefits derived from the reading room, the clubs, the men's and women's guilds, the Bible classes, and Sabbath services all continue to bring about this splendid state of affairs. With one or two exceptions all the known deaf mutes in and around the city are members of the Society and enjoy its privileges.

An "At Home" given by the Chaplain was held on the 12th March at the Deaf Mute Centre in celebration of his 30th anniversary of work among the deaf; 103 deaf were present and congratulatory remarks by the Hon. Secretary were made on behalf of the Congregation and also a letter from Women's Guild read. Everyone finds in him a genial friend, and we sincerely trust that the Superintendent will long be spared many more years to work among the deaf.

LIBRARY AND READING ROOM.—The reading room has well maintained its popularity, and many pleasant and profitable hours have been spent there by the members. The Committee desire to record their appreciation of the services rendered by Mr. M. G. Mortimer, who has held the position

as Hon. Librarian for nine years, and also thank Messrs. J. Marks and C. Robertson for their assistance to the Hon. Librarian.

MONTHLY LETTER.—We congratulate our Monthly Letter upon entering the ninth year of its usefulness, the circulation having reached 450 copies. The litho. transfers of Volume Nos. 8 and 9 of Our Monthly Letter were written by Mrs. J. E. Muir and Messrs. J. E. Muir, M. L. Miller, and G. Newnham. These friends are ever generous with their time, and it is their generosity that makes possible the regular visit of our little paper to your homes. They are heartily thanked for their services.

SATURDAY NIGHT GATHERINGS.—It is gratifying to note that the gatherings have maintained their high standard and increased in their popularity. It is a pleasure to be able to record that the members are recognising the lower hall as their regular place of gathering on Saturday evenings. The winter games competitions caused keen interest among the competitors, who numbered twenty strong. Nearly every one of them attended every meeting. Several new games were introduced; nine prizes presented by the donors to the successful competitors were distributed by Mrs. Abraham last November. Our hearty thanks are tendered to the donors. The average attendance was thirty-five.

PICNIC.—The Annual Picnic of the Members of the Society took place on Cup Day (5th November) at Lake Park, Blackburn. About seventy had the satisfaction of a thoroughly pleasant picnic, in spite of the weather being inclement. Sports were therefore abandoned. The day, however, was pleasantly spent in rowing, walking about the Park, and in conversation.

ACKNOWLEDGMENTS.—The Committee wish to thank the subscribers generally for their financial assistance towards Our Monthly Letter.

We feel under deep obligation to the donors for the supply of books, magazines, illustrated papers, &c., and to many friends who have contributed gifts or given assistance in any way. A list of these will be found in the appendix.

The Congregation's representatives on the Society Committee were:—Messrs. M. L. Miller, J. E. Muir, and R. H. Luff, and the Committee assure members that the best interests of the Congregation, and the Society in general, were carefully watched by these gentlemen. Eleven meetings were held and attended as follows:—M. L. Miller 11, J. E. Muir 11, and R. H. Luff 5. Mr. W. P. Muir, who has been Hon. Treasurer for the last six years resigned in favour of Mr. F. E. Frewin. He has been most attentive to the interests of the congregation. Our hearty thanks are due to him for his valuable services.

FINANCE.—Despite the heavy expenses, &c., during the past year the financial condition of the Deaf Committee is fairly satisfactory, the receipts being £42 2s. 7d., the expenditure £35 12s. 9d., leaving a surplus of £6 9s. 10d. to carry forward.

WOMEN'S GUILD.—It is gratifying to record that the work of the Women's Guild is still going splendidly. Mrs. J. E. Muir still has charge of the educational class and Mrs. A. Wilson of the Biblical instruction, and the junior members of reading papers, and therefore these meetings are always successful and enjoyable. Two new features were added early in the year, the first being a recital by one or other of the members before each lecture, and the other, the Rambling Club, was enthusiastically formed, and some very enjoyable trips to various places were spent.

MEN'S GUILD.—The report shows the guild to be in a prosperous condition. The number of active members on the roll was twenty, five new members being admitted; twenty ordinary meetings were held, and the lectures, readings, recitations, &c., were delivered and much appreciated. The lec-

turers have been resourceful, enthusiastic, and painstaking in their papers. The financial side is in a very healthy condition.

BANK.—The Deaf Outing Fund and Bank has made steady progress during the year just closed, though the number of depositors did not increase. The Hon. Manager is pleased to state that the amount of deposits was well maintained; there are thirty-four depositors on the books, and the savings amount to £90. At the close of last financial year the savings totalled £105. The withdrawals during the Christmas holidays are largely responsible for the reduction on hand. It is to be hoped that the young men will be encouraged to be thrifty by the advantages offered by the bank.

ATHLETICS.—Great interest has been evinced in the cricket and lacrosse clubs, and several young players have come into prominence.

LACROSSE.—It is gratifying to the members and friends that the Lacrosse Club made its debut last year by winning ten matches, losing five, with one draw. The club ran into fourth place for the premiership of Grade C. The record was an excellent one and gave indication of the capability of the players; 175 goals thrown and 70 against.

CRICKET.—The club entered the third grade competition of Victorian Junior Cricket Association and played eleven matches, winning four and losing seven. The club has not been up to its usual standard; most of the cricketers have been far from their usual form. The lacrosse and cricket clubs have amalgamated and are managed by one committee, yet while in action both clubs still retain their old names.

BIRTHS.—Four sons and four daughters of different members were born.

MARRIAGE.—Five members of the congregation entered the married state during the year, and our congratulations

and best wishes are extended to them for a happy and prosperous future.

OBITUARY.—It is with deep regret that the Committee have to refer to the death of Mr. Jesse Hirons, which occurred on the 30th October. He was much esteemed for his quiet unassuming qualities. A letter of condolence was sent to his widow and family. A large number of the deaf have lost their relatives during the year, and letters of sympathy have been forwarded to them.

In conclusion, the Committee beg to thank the members, one and all, for their loyal co-operation throughout the year, and look forward confidently to a pleasant and prosperous time in 1913-4.

The Committee desire to record gratitude to God, our Great Father, for His blessings to our silent members, and for the large measure of success that has attended our efforts.

We confidently express the hope that the Society will still receive the Divine approval and sympathy and support of the public, and that its future work will be increasingly effective.

J. E. MUIR,
Hon. Sec.
