THIRTIETH**ANNUAL REPORT**

OF

**The Adult Deaf and Dumb Society
OF VICTORIA (INCORPORATED).****FORM OF BEQUEST.**

I bequeath the sum of £..... to the Treasurer for the time being of Adult Deaf and Dumb Society of Victoria, for the use of the said Society, for which the receipt of such Treasurer shall be a sufficient discharge.

Deaf Committee:

Chairman, Mr. E. J. D. Abraham; Hon. Treasurer, Mr. F. E. Frewin; Hon. Secretary, Mr. J. E. Muir; Committee, Messrs. R. H. Luff, M. L. Miller, M. G. Mortimer, W. P. Muir, T. A. Nelson, G. Newnham, C. Robertson; Hon. Librarian, Mr. M. G. Mortimer; Assistants, Messrs. J. Marks and C. Robertson.

THE COMMITTEE have the honour to present the Annual Report and Balance-sheet for the year, recognising and appreciating throughout the Divine promptings which have inspired and directed their activities, and expressing gratitude to Almighty God for the blessings which have attended their labours.

THE CHURCH FOR THE DEAF.—Although the Committee have seen the necessity of encouraging the development of the educational, social, and benevolent side of the work, a development that has been rapid and extensive in recent years, the religious work of the Society has always been of the first importance to them.

According to a recent report of the Superintendent quite 90 per cent. of the deaf mutes of the city and suburbs attend Divine Worship, one-third of the congregation are members of the Bible Class; the year just closed witnessed a larger number of Communicants than in any previous year, and nearly 95 per cent. of the known deaf mute population of Victoria are members of one or other of the organisations connected with our Society.

When considering work of this character, it is well to bear in mind that we are not dealing with the Members of a Church, or denomination, but the whole population of a State, good, bad, and indifferent, so that when we claim that there is practically no drunkenness, and that the moral and intellectual tone, especially of our young people in city and suburbs, will compare favourably with hearing Church Members of the same age and station in life, we believe we are submitting excellent evidence to the usefulness of this work.

ASSISTANT MISSIONARY.—So anxious are the Committee to keep up this high standard, and to relieve the Superintendent of the great strain that this section of the work, taken in conjunction with the organising and the farm, must be to him, that they have been making strenuous efforts to procure the services of an expert Missionary to the deaf, who will devote himself almost exclusively to the religious work. Advertisements have been inserted in British and interstate papers, and it is hoped that soon an appointment will be made.

EDUCATIONAL AND SOCIAL.—There are several guilds carrying on educational and social work amongst the deaf at our centre in Flinders-street under the auspices of the Committee of the Society.

The chief of these is the Deaf Committee, who, with the Superintendent as chairman, have the general supervision of the work at the Centre. The Men's and Women's Guilds are mainly educational, and it is their proud claim that there are few of the members of both sexes, who cannot make a speech, read a paper, take part in discussions, and put a motion to a meeting.

The Saturday night Socials, Quarterly Rallies, Bank, the "Monthly Letter," Cricket, Rambling, and Lacrosse Clubs are also managed by deaf committees.

Our Lacrosse Club are premiers of their section this year.

THE FARM AND HOME.—This has been a trying year for the whole of the staff, and more especially to the management of the Farm. Six months with little or no rain and an apparatus for watering that was not meant for the ex-

tensive lands now under cultivation, have resulted in an anxious time for all concerned. Since the water service was laid down a large additional area of land has been brought under cultivation; there is now an urgent need for a corresponding extension of the water supply. To obtain this increased volume of water from the lake, another pump will be required, larger tanks for storage, and the necessary piping for reticulation. Although this means the spending of a considerable sum it will be very profitable, as there will at once be a large increase in the income from the sale of flowers. It is hoped that the friends of the Society will help with special contributions for this purpose, so that the flower farm may be to a larger degree self-supporting. It may interest the many supporters of the Society to know that this branch of our work has fully realised the most sanguine anticipations in regard to the success attending the housing and employment of the Aged, Infirm, and Feeble-minded of our deaf community. This is shown by the fact that between seven and eight hundred pounds have been raised this year on the farm from the sale of flowers, &c., thus relieving the maintenance account of a large amount of the expenditure.

FINANCE.—It will be seen from the foregoing paragraph that to keep pace with the development that has taken place a larger sum will be required during the coming year in connection with the Flower Farm. In addition to that, to meet the higher cost of everything used or consumed, and the wages for additional staff, consequent upon the growth of all departments of work, there is urgent need of an increased income. Whilst emphasising the financial requirements for the future, it is desired to express our grateful appreciation of the generous support the public have extended to the Society during the past years.

MR. F. J. ROSE.—A successful effort has been made by the deaf, who have obtained a pension for Mr. Rose of £100 per annum from the Government, conditionally upon the Adult Deaf and Dumb Society and Victorian Deaf and Dumb Institution each contributing £50 per annum. The Committee are glad of the opportunity of joining in the recognition of the services of a gentleman to whom the deaf of Victoria are so much indebted for his efforts to establish educational facilities for the deaf and dumb.

HON. TREASURER.—The Committee regret to have to report that, owing to pressure of business, Mr. G. G. Haldane has had to resign the Hon. Treasurership of the Society.

DR. CRAIG.—It is to be expected that in a Home such as ours there should be a certain amount of sickness among the inmates. Dr. Craig has kindly continued to act as Hon. Physician, and has on many occasions given medical advice and aid. This has made demands on his time during the year, and the Committee record their thankfulness and gratitude to him.

THANKS.—The Committee again desire to express their thanks to the public for its generous support, both by gifts in money and kind favours accorded to the collectors, and in other ways.

By order of the Committee,

R. J. OEHR,
Hon. Secretary.

TWENTY-SIXTH

Annual Report of the Deaf Committee.

To the Members.

Ladies and Gentlemen,

IT is with feelings of pleasure and confidence that the Deaf Committee present the 26th Annual Report and Financial Statement for the year ending 31st March, 1914, together with the record of the doings of the Members of the Congregation.

COMMITTEE.—It is with a very great amount of pleasure, your Committee report the very friendly relations now existing between the Members and the General Committee, who have done many acts of goodness in their management of the affairs of the Society during the year.

DIVINE SERVICE.—Divine Services have been conducted every Sunday morning and evening by our Chaplain, and on the occasion of his absence by Messrs. M. L. Miller, R. H. Luff, J. E. and W. P. Muir. Our hearty thanks are due to these gentlemen for their eminent assistance. The attendance at both services has been fairly well maintained.

Realising the great strides that have been made in the work of the Society, and the impossibility of the Chaplain now fulfilling the whole of the duties, the General Committee have been advertising for an assistant hearing missionary for some time. There is every probability of the longed-for help arriving within some weeks. It is hoped that our Chaplain will have behind him a man in full sympathy with us. With an enthusiastic officer at his right hand nothing will be impossible.

On the 15th of March, the usual Harvest Thanksgiving Service was held, the Church being decorated with greens, flowers, fruit, vegetables, etc., given by the deaf farm authorities, and some members of the congregation, to whom our best thanks are due. Our Chaplain preached two appropriate sermons.

The Lord's Supper was administered on three occasions, the average number of Communicants being 30.

Bible Classes were held every Thursday for nine months of the twelve. There is evidence of renewed interest, the younger members of the congregation especially being regular in their attendance, and take a deep interest in the lessons; the classes are also a source of great pleasure to Mr. Abraham, who conducts them. In Mr. Ahrabam's absence Mr. and Mrs. J. E. Muir had charge.

COLLECTIONS.—So many other calls upon the congregation resulted in a slight falling in the collections and contributions, etc., for the year closed. The total amount of contributions reached £50 6s. 7d., private contributions from the deaf £8 3s. and £4 14s. 3d. was also collected in aid of the Hospital Sunday Fund.

LECTURES.—During the past year the following special lectures were delivered by the Superintendent:—On the 1st of July, "The Miracle of the White Man in Africa"; on the 5th of August, "General Moses"; and also on the 10th of March.

These lectures were well attended, and proved very instructive.

RALLIES.—Messrs. M. L. Miller, F. E. Frewin, R. H. Luff, J. E. and W. P. Muir were appointed a Committee in charge of the rallies, winter games, competitions, socials, picnics, etc.

These rallies are becoming more popular than ever, the average attendance during the year being 110.

Your Committee appreciate the kindness of those who contributed gifts of goods, etc., and in other ways assisted in making the rallies such a success.

The Church members on the roll number 156. It is most noticeable that a number of new faces have appeared from

England during the year, and a hearty welcome is tendered to them.

SOCIALS.—A farewell social was tendered to Miss D. Davies prior to her departure for Adelaide on the 27th of November. She was presented with a case of silver-mounted hair brushes and a silver manicure set, as a token of our esteem.

Miss E. Matthews was farewelled at a social prior to her marriage and departure from Melbourne on the 26th of February, when several friends presented her with a pretty clock and cruet.

GARDEN PARTY.—On the 13th December, Mr. and Mrs. E. J. D. Abraham entertained over 100 deaf and a good number of hearing friends at a garden party at Lake Park, Blackburn. A most enjoyable time was spent.

PICNIC.—The Annual Picnic of the members of the Society took place on Cup Day (November 4), at Mordialloc; the weather spoiled the picnic, but did not altogether spoil the enjoyment of those attending.

OUR MONTHLY LETTER.—Our Monthly Letter has now been in uninterrupted circulation for 10 years. Messrs. M. L. Miller and Newnham and Mr. and Mrs. J. E. Muir are heartily thanked for writing the lithographic transfers month after month. Donations from 1s. upwards, amounting to £6 1s. 5d., toward the cost of production, have been received and acknowledged with grateful thanks.

FINANCE.—Despite the heavy expense, etc., during the past year, the financial condition of the Deaf Committee is fairly satisfactory, the receipts being £58 10s. 7d., the expenditure £56 11s. 10d., leaving a surplus of £1 18s. 9d. to carry forward. The chief item among the expenditure is the printing of a series of post cards of Our Centre and Farm and Home, which the Committee expects will bring a profit to swell the fund later on. It is gratifying to note that contributions towards the cost of the stage fittings, which were admirably executed by Mr. F. Frewin, with the assistance of Messrs. W. Muir, R. H. Luff, N. Amos, and C. Robertson, were thankfully received, from Men's Guild, £5; Women's Guild, £2; Victorian Branch A.D. and D.A., £2 2s.; and

Athletic Club, £1 1s. The whole cost was £14, and would have been a great deal more if the work had been done by outsiders.

SATURDAY NIGHT GATHERINGS.—The Saturday Night gatherings are still as popular as ever. The winter games competitions proved a success, but only 17 men competed. These competitions were keen and close, and the winners were heartily congratulated on their good performances. Our hearty thanks are due to the donors of prizes. The average attendance was 33. The members of the Deaf Committee take charge in rotation.

LIBRARY AND READING ROOM.—The library is, as usual, well patronised. Small gifts of books, magazines, and periodicals were presented to the library. Hearty thanks are tendered to the donors.

Mr. M. Mortimer has filled the position of librarian for the 10th year in succession, and the Committee wish to place on record their appreciation of the services rendered by the Hon. Librarian (Mr. Mortimer), who handled the affairs with tact. His assistants (Messrs. J. Marks, and C. Robertson) gave every satisfaction in conducting the library, and are heartily thanked.

WOMEN'S GUILD.—It is gratifying to record that the work of the Guild is still going on satisfactorily. Educational classes conducted by Mrs. J. E. Muir, and Bible classes by Mrs. Wilson, and reading papers, etc., by junior members were the chief items of the year. These meetings are always instructive and enjoyable. Twelve meetings (ordinary) have been held during the year, and the attendance has been all that could be desired, the membership being 30. Bible classes, educational classes and lectures are given in rotation.

MEN'S GUILD.—The work by the Guild was of a very progressive nature during the past twelve months. The number of members on the roll is 29, being an increase over last year's total. Seventeen ordinary meetings were held, and a series of lectures, readings and recitations given by the members was greatly appreciated. The average attendance was good. Members were entertained at socials on different

occasions, one of which was a social to the members of the Women's Guild, who were entertained by Mr. Nelson (the President), when recitations and short stories were delivered by members of both Guilds and another in return by the members of the Women's Guild. It is pleasing to note that good harmony exists between these two guilds. The Guild is in a very satisfactory state financially, having a balance of £10 4s. 4d. in hand.

BANK.—The Outing Fund and Bank has made steady progress throughout the year. The deposits have been steadily maintained. At the end of last financial year they amounted to £154. The withdrawals, which have been frequent, have reduced the capital to £100. There are 34 depositors at present. Thanks are due to the Hon. Manager (Mr. Luff) and to Mr. Mortimer for assistance rendered.

ATHLETICS.—It is gratifying to the members and friends that the Lacrosse Club finished their successful season by gaining the premiership honors in the C Section of the Victorian Lacrosse Association. The record is 13 matches won, and 1 lost. Goals thrown for, 138; and against, 30. The team was entertained at dinner by the President (Mr. J. Muir), and also at a social last January, when medals were distributed to the players by one of the Members of the General Board, our old friend Mr. W. A. Dickens.

CRICKET.—The Cricket Club seemed to lose its enthusiasm in the game, and have not done so well this season. The record is 9 matches lost, 4 won.

BIRTH.—A son was born to Mr. and Mrs. Archie McLellan.

MARRIAGE.—Miss E. Matthews and Mr. J. Mills were quietly married on the 28th February.

OBITUARY.—Your Committee regret that during the year the wife of Mr. F. J. Rose, an old and esteemed friend, passed away. They offer their deepest sympathy to the family in their sad bereavement.

They also record with deep regret the demise of Miss Emily Kent (one of the youngest members).

The members, amongst whom the best of goodfellowship existed, worked in perfect harmony with the Committee, who

think this a fitting opportunity to congratulate those members on the sterling work they put up during the year.

With the same good feeling existing, the members and Committee may feel sure of another prosperous year being in store for them in 1914-1915.

In conclusion, your Committee desire to express their appreciation of the confidence reposed in them by the Congregation. There is abundant evidence that the members are imbued with the spirit of unanimity, which augurs well for the future. We trust that our friends will not hesitate to acquaint the Hon. Sec. or Committee of any deaf mute of their acquaintance whom it might be possible for us to assist.

Your Committee take advantage of this opportunity of relying on the goodness of God and the generosity of the members, with every confidence that the necessary means for future expansion will be forthcoming.

THANKS FOR GIFTS.—Our thanks are further due to the proprietors of the *Argus*, *Age*, *Herald*, *Weekly Times*, *Leader*, *Punch*, *War Cry*, etc., for daily copies of their papers, and to a large number of kind friends whose names and gifts will be found in the Appendix.

Your Hon. Secretary desires to tender his grateful thanks to the Chairman and Committee for the able assistance rendered by them to him during the year, and trusts that the perfect harmony which now exists will long continue.
