THIRTY-FOURTH ANNUAL REPORT
OF THE
Adult Deaf and Dumb Society of Victoria
(INCORPORATED)
For the Year ending 31st March, 1918.

In issuing the 34th Annual Report, the Committee are animated with a three-fold pleasure. First in the knowledge that they have the confidence of the public, which is demonstrated year by year by the ever increasing support accorded to the Society; then in having been able, notwithstanding the numerous calls for patriotic objects, to add to the usefulness of the Society, and lastly, in the satisfaction that in every instance their efforts have been fully justified.

The Aim that the Committee have chiefly in view is the making of desirable citizens of the doubly afflicted community committed to their charge. The extent of the success achieved is to be found in the fact that practically the whole of the normal deaf are earning their own livelihood, and it is very seldom that the Society's officers are called upon for monetary relief.

The only section of our charge for whose maintenance we are responsible, and who are permanently under our constant care, are the aged, infirm, blind, and mentally deficient deaf mutes, and even the latter are contributing toward their support.

The means chosen are similar to those adopted for the spiritual, moral, intellectual and social advancement of normal people, with this difference, whilst for the latter many organisations exist, for the former there

is but one in the whole of the State, and the Committee assume the responsibility of, at least, offering to help every individual case of distress or difficulty; and it is due chiefly to this all-embracing scheme that the Committee owe their success. For, by coming into touch with all sections and classes and volunteering assistance, irrespective of conditions and circumstances, the confidence of the people is gained, thus enabling our expert officers by tactful management to give the advice and render just the assistance that the particular case demands.

The deaf, as a class, are very proud of their "standing" with the hearing community, and there are no better guardians of the status of the deaf, than the deaf mutes themselves. This admirable spirit is encouraged in every way, and it is not surprising that in consequence there is a growing demand for the services of good deaf mechanics and factory hands, their desire to "excel" in their particular line being its own recommendation. Their bank deposits illustrate their thrift. During the past year, £201 passed into the Savings Bank established by them. Evidence of their loyalty to their Society, and their desire to help themselves is not lacking. They contributed upwards of £50 towards the Church expenses and over £60 to other objects, mostly of a patriotic nature, but including £15 towards a pension for their aged school master.

The Adult Deaf Mute Centre, 32-34 Flinders Street, the Headquarters of the Society, is open daily from 10 a.m. to 10 p.m., and the Principal or one or other of his assistants is always in attendance to advise or help. In case of urgency, a telephone message is responded to night or day. And it is not infrequent that our officers are called upon to attend the deaf in hospitals and at their homes at all hours of the night.

In the Church and at the Centre, our Chaplain and the Missionary officiate at Divine Worship morning

and evening. The services being in the language of the deaf. Fully 90 per cent. of the adult deaf of Melbourne and suburbs attend these services.

On week nights there are Bible and educational classes, also lectures, all conducted in the finger and sign language. Under the auspices of the Committee the deaf have brought into existence every kind of social and recreative association. They have their Men's and Women's Guilds, Rambling, Cricket, Lacrosse and Workers' Clubs, Bank, Library and Reading Rooms, and their little newspaper, "The Monthly Letter" is as popular with hearing friends of the Society, as it is with the deaf themselves.

There is absolutely no reason for any deaf mute to appeal directly to the public for assistance, such may safely be looked upon as imposters. If the public have any doubt, the Committee and the deaf mute community will appreciate the service if they will ring up Central 5223, for if the case is genuine the Society will give the necessary assistance, and if it is a case of imposition, they will be rendering a service to the deaf as well as to the whole community. For besides undertaking to apprentice or procure employment for all able and willing to work, provision is made for that section unable to maintain themselves.

The greater part of the work at the Centre is entrusted to a Committee of deaf men under the supervision of the Principal, and every reasonable requisition from this body is approved of by the Committee, and when considered necessary, special efforts are made to meet the needs of exceptional cases.

In compliance with a requisition from the Society, the Government instructed their Inspector of Charities to visit and report on the Committee's Flower Farm Scheme at Blackburn, for the training of mentally and physically defective deaf mutes.

Such progress had been made that a large portion of the cost of maintenance of these people had been earned by the sale of flowers cultivated by them, and the Committee were advised, that given a sufficient and ready supply of water it would be possible to increase the productiveness of the farm considerably. After careful enquiry, the Inspector recommended the adoption of the plan of the expert in its entirety, and the Government has since made a grant of £700 towards the cost of the Reticulation Scheme, which has been completed at a cost of £866. This work was successfully carried out under the supervision of the Government Engineer (Mr. G. Waters), Mr. G. G. Mercy, J.P., Chairman of Committee, and Mr. G. Vial, and very ably assisted by Mr. George Brown. Mr. Vial not only contributed valuable advice, but reduced the cost of the work considerably by reason of his expert knowledge of material required and ways and means of obtaining it at cost price, which he freely used in the interests of the Society.

The subscribers are to be congratulated that Mr. W. G. McBeath agreed to accept the position of President of the Society in succession to the late Mr. W. H. Felstead.

Our Vice-President, Mr. E. R. Peacock, is still absent in England engaged on Y.M.C.A work in connection with the war. The shadow of the war has fallen upon Mr. Peacock, whose son Alfred has been killed in France while performing aviation work. The sympathy of the Society is extended to Mr. and Mrs. Peacock in their sad loss.

The Rev. H. W. H. Adeney, who has been a member of the Committee for 27 years, found it necessary during the year, owing to increasing age to resign his seat on the Board. His fellow-members desire to place on record the indebtedness of the Society to the Rev. H. W. H. Adeney for his many years of service.

The Committee again tender their thanks to Dr. Craig, Honorary Physician to the Blackburn Home.

The Committee take the opportunity of expressing the great appreciation of Mrs. Abraham's untiring devotion to the best interests of the inmates.

Mr. J. M. Paul, the Assistant Missioner, engaged by the Committee in 1914, left Melbourne for England in February last. His father, a deaf mute, and Missioner to the Deaf of Ayr, Scotland, having been ill for some time and recently partially incapacitated from attending to his duties, cabled for the return of his son. The Committee wish Mr. Paul success in his new sphere of work.

In conclusion, the Committee acknowledges a personal gratification at having the honor of directing an organization which is so well appreciated by the public and where the beneficiaries show so keen an appreciation for all that they and the public endeavour to do for them, and to a prayerful feeling of gratitude to the Father of all good gifts for the abundance of His blessings upon this work.

By order of the Committee,

R. J. OEHR, Hon. Secretary.

EXTRACTS FROM THE

30th Annual Report of the Deaf Committee

The Deaf Committee of the Adult Deaf and Dumb Society have pleasure in presenting the Annual Report for the year ending 31st March, 1918.

We desire once again to record our grateful appreciation of the valuable services rendered to the Society and its deaf members by the General Board.

Divine Services.

Divine Services have been held every Sunday morning and evening throughout the year, on the first Sunday of the month by the Principal, Mr. Abraham, and on other Sundays by the Missioner, Mr. Paul. It is hoped that there will be an increase in the attendance on Sunday mornings. During the year past there was a falling off. The evening service, however, attracted a very good average.

At the Bible and educational classes conducted by the Missioner the attendance was fair. The Principal has resumed charge of these classes.

A Complimentary Social to the Rev. H. W. H. Adeney was held in the Principal's Room on 20th March, 1918, when a portrait of Mr. Adeney, to be hung in the Building, was unveiled by Miss Graham.

As an appreciation of the valuable services rendered by Mr. Muir and his wife, the Committee and congregation presented them with a purse of sovereigns on June 4, 1917.

A Farewell Meeting was held at our Centre on Monday, February 18, 1918. The Principal, (Mr. Abraham) presided and in the name of the deaf presented Mr. Paul with a handsome Camera as a memento of his sojourn in their midst.

The Hon Secretary of the Women's Guild (Miss Hickey) reports that the progress made by the Guild during the past year was of a satisfactory nature. The number of members on the roll is 31, being an increase of 3 over last year's total. Mrs. Wilson still has charge of the Bible Class, and Miss Dow of the Educational Class, while the younger members helped by the reading of papers, etc. Mr. Abraham, the Principal, gave several addresses. The Annual Picnic was held on January 19th, at Blackburn. The Committee of the Guild feel that they have every reason to be pleased with the year's results.

The report from Mr. N. Amos, Hon. Secretary of the Men's Guild states that the Guild is in a flourishing condition. Members on the roll number 26, being 2 more than last year. Sixteen ordinary meetings and 3 socials were held at the ordinary gatherings, lectures, readings and papers were given by the members. An important feature of the year's business was the completion of the roll of honor of members who have rendered exceptional service to the Guild since its inception. It was unveiled by the Principal on 14th August before a large number of deaf young men.

Our Annual Picnic was held as usual on Cup Day, November 6, 1917, 84 members attended at Mordialloc.

Quarterly Rallies were held on 4th June, 9th October, and 27th December and were as popular as ever.

There are 95 members on the roll of the Deaf Workers' Club. It is most gratifying to note that membership roll increases every year. Suppers at all rallies and socials during the year were arranged under the supervision of the Club. £6/11/- was sent to the Belgian Deaf refugees. Wool has been dis-

tributed among the members of the above Club and many socks, helmets, scarves, mittens, etc., have been knitted and forwarded to the Red Cross Depot. Many members contributed groceries, chemist goods, etc., for the wounded and sick soldiers at the Base Hospital, and goods were also sent for the inmates of the Blackburn Home. Christmas cards were sent to sick friends, several members have visited and brightened the hours of the sick. A former member of the Committee, who was struck down by paralysis, has been confined to her room over a year, she is now able to walk a little.

During the past twelve months, about 150 new books have been presented to the library.

Mr. M. G. B. Mortimer is still our active and energetic Hon. Librarian, this being his 15th year of office. He has our congratulations and thanks. He is assisted by Messrs. C. Robertson, J. Carin, and J. Leber, who have shared the duties in a highly satisfactory manner.

The Board of Management of the Deaf Outing Fund and Bank report satisfactory progress. The sum of £140/16/10 was brought forward, the deposits amounted to £201/11/11 and the withdrawals £145/18/8 thus leaving £196/10/1 to carry forward.

Thanks are tendered to Mr. H. Luff for his 10 years contribution services as Hon. Manager, also to Mr. G. Mortimer for acting as Sub-Manager and Mr. Theo. Frewin for auditing.

The Centre Saturday Nights continue to be a most popular feature. The members now look upon the Club Rooms as their favourite gathering place.

Your Committee have to state that the Lacrosse Club did well, though unsuccessful in their effort to hold the premiership honors of the Senior "A" section, which they gained the previous season. The players

deserve the warmest praise for the good work which placed the Club second on the list.

The more important event of the season was the triangular Interstate matches played at the Albert Cricket Ground during the Christmas holidays between the Deaf of South Australia, New South Wales and Victoria. Victoria won.

The Ladies' Rambling Club is still an active body and pleasant outings are arranged nearly every month.

It will be acknowledged that our members have been very generous when it is made known that in spite of the many calls for patriotic movements, they contributed generously to the support of their little Church.

On 4th April, 1917, Miss M. Collins was married to Mr. C. Robertson.

Miss B. Vial to Mr. J. Cardwell, of Lorne, in June.

Miss D. Davis to Mr. Martin, of Adelaide, on 1st October, 1917.

Miss L. Stinger to Mr. J. Elwin on 22nd December, 1917.

Miss Mary O'Brien passed away in February, 1918.

Miss E. Turner passed away on January 7, 1918.

F. E. FREWIN, Hon. Sec.

The Centre's Sunday nights continue to be a most popular feature. The members now look upon the Club Rooms as their favorite gathering place. Your Committee have to state that the League Club did well, though unsuccessful in their effort to hold the premiership honors of the Senior A section which they gained the previous season.
