## ADULT DEAF AND DUMB SOCIETY OF VICTORIA

(INCORPORATED)

In presenting the 35th Annual Report to the subscribers and friends of the Adult Deaf and Dumb Society of Victoria, the committee offer their thankfulness to God for the success that has attended the Society's efforts during the year. They realise the responsibility of the times and the call for economy in things not pressingly essential in consequence of the great increase in the cost of all necessaries (as well as the many works before them pressing for attention, both at the Centre and the Blackburn Home) and trust that their action in curtailing this year's reports to the briefest number of pages will be approved of.

The Great War came at a time when the Committee with the kind co-operation of Lady Stanley had launched forth a great appeal to enable them to complete the Women's Wing of the Blackburn Home for Aged, Infirm and Mentally Deficient Deaf Mutes, and the Educational and Recreative Centre for the Adult Deaf in Flinders Street. This appeal was, of course, withdrawn and the Committee are still awaiting a favourable opportunity to put the Coping Stone to a work that has proved such an all-round blessing to the deaf and dumb.

It is also to be remembered that we are still debtors to the Building Fund, £580 having been borrowed at various times to meet maintenance accounts.

The objects of the Society are by now well-known to its many friends. It stretches out a protecting and helping hand to the whole of the deaf mute community of the State. The Building in Flinders Street is the Centre of every kind of activity, and every influence is brought to bear that will lead to the Adult Deaf

people becoming independent and welcomed citizens. At Blackburn are housed those unable to take care of themselves—the mentally and physically defective.

The year just closed was in every way a successful one. Our members and students are gradually improving as wage earners, and a very large percentage at the present time have attained to equality with the normal. At present we have no serious cases of poverty or unemployment, and the standard of spiritual and moral living of the deaf compares very favourably with the educated community at large.

The Committee regret that they have been deprived during the year of the valued services of the President, Mr. W. G. McBeath, owing to the demands made upon his time by the Commonwealth Government for War work. He is at present in England associated with Lieut.-General Sir John Monash and Lieut.-General C. B. White in the work of demobilising the A.I.F. Again his services are gratuitous.

It is hoped that in the very near future the Society will largely benefit by the ever accumulating experience of their President.

Mr. Peacock, our Vice-President, is also still in Europe doing much good work there.

The Committee take this opportunity of thanking Mr. G. G. Mercy for his inestimable services as Chairman. Throughout the long and difficult years of the war, he has successfully carried the Society through to its present honoured position among the leading Charities of the State.

Regret is deeply felt at the death of Mr. Alex. Williamson, for 27 years Country Collector to the Society. He is not only missed by the Committee and the deaf but by hundreds of subscribers who looked forward with pleasure to his annual visit.

To the Matron, Mrs. Abraham, the Committee tender their thanks for her motherly care of the inmates.

This brief report would be incomplete without the Committee recording their deep appreciation of the untiring efforts of the Principal, Mr. Ernest J. D. Abraham, to promote and sustain the best interests

of every branch of the Society's operations. The well-being of each member of the Deaf community at all times commands his anxious and full consideration, and the fact that no case of influenza has occurred at the farm is evidence of the care and attention bestowed on the inmates by the Principal and Matron.

The Hon. Officers, and in particular, Mr. M. L. Miller, the Hon. Assistant Treasurer, are deserving of the Committee's recognition of their loyal services.

The Committee again acknowledge their indebtedness to Dr. Craig, Hon. Physician to the Blackburn Home.

The Committee express their thanks to the public for its generous support, both by gifts and in money, and kind favours accorded to collectors, and in other ways.

By Order of the Committee,

R. J. OEHR,

Hon. Secretary.

of every branch of the Society's operations. The well-being of each member of the Deaf community at all times commands his anxious and full consideration, and the fact that no case of influenza has occurred at the farm is a source of satisfaction. The farm is a source of satisfaction on the inmates by the Principal and Matron.

### EXTRACTS FROM THE

## 31st Annual Report of the Deaf Committee

### Ladies and Gentlemen,

The Deaf Committee have pleasure in presenting to the members of the congregation the annual report of its work. They feel at a loss for words to express their gratitude to God for His marvellous loving kindness. It has been a year of blessing; of material progress and increasing usefulness to the deaf members. Notwithstanding the War and Influenza epidemic we have had sufficient means to meet the needs of the increasing work and for this we praise our Heavenly Father. Again we express our gratitude and thanks to the members of the General Board for their valued services and sympathetic interest in our well-being which is sincerely appreciated by all.

The spiritual provision for the deaf during the past year has been continued. The Sunday offerings suffered a slight financial loss by reason of the closing of the Churches for a period by reason of the Influenza epidemic, but we are pleased to state most of our members made a special effort at the re-opening, and our Principal (Mr. E. J. D. Abraham) was much encouraged in this fresh start in our church life.

Miss D. Hickey, the Hon. Secretary of Deaf Women's Guild reports that the progress made by the Guild during the past twelve months was in every respect most successful.

The report from Mr. A. W. Sutherland, the Hon. Secretary of the Men's Guild, states that the year has in every way been satisfactory.

The Annual Picnic of the deaf congregation took place at Mordialloc, on Cup Day, about sixty adults and fourteen children attending.

A special meeting of the Deaf Congregation was held on 14th November, 1918, Armistice Night, and there was a great attendance. Our Principal presided.

The evening was a patriotic one, and there was much rejoicing.

Almost every family in our little circle has had its representatives at the great War. Many two, several three, and in at least one instance five sons and brothers. In these circumstances there is no need to emphasise the sincerity and spiritual joy of our Thanksgiving Services, which were held in our little Church on Sunday, 19th November, 1918.

The Quarterly Rallies maintained their popularity, the average attendance being 130.

Mr. S. W. Showell, Missionary to the Deaf of Queensland, officiated at our Church both morning and evening on the 29th December, 1918, and again on the 26th January. On the 28th the congregation entertained Mr. Mrs. and Miss Showell at the Centre. Our Principal presided, and Mr. M. L. Miller on behalf of the Deaf welcomed our Queensland guests, and spoke in most appreciative terms of the good work accomplished by Mr. Showell.

The Hon. Manager of the Outing Fund and Bank (Mr. R. H. Luff) reports satisfactory progress. £196/10/1 was brought forward, and the deposits amounted to £158/13/1. The withdrawals, £202/14/11, leaving £132/0/2 to carry forward. There is a reserve fund of £4/2/-, after £3/16/10 was distributed amongst depositors as bonus.

Miss R. Dow, the Hon. Secretary of the Deaf Worker's Club, reports that the work has been of a very progressive nature during the past twelve months. Numerous parcels of comforts and dainties had been sent to sick and wounded soldiers at Mont Park. Gifts of useful articles were also presented to inmates of the Blackburn Home.

A report from Miss M. Dow, the Hon. Secretary of the Rambling Club, shows the Club to be as popular as ever.

The Deaf Athletic Club have passed a fairly successful season, both in Cricket and Lacrosse. For Cricket, the Club is now the proud possessor of the "Ernest Abraham Shield," which it won during the Inter-state matches last season. The Lacrosse Club is now able to place two teams in the field during the season, and they both came out third in their respective section, lists "A" and "C."

During the past year the Library received the following gifts:—Miss B. Graham, Photograph Album, Mrs. A. Williamson, a parcel of books, Miss G. Dunkinson, books, Mr. E. J. D. Abraham, magazines, Friend, donation for books, 15/-, General Board, magazines and other publications. Mr. G. M. B. Mortimer is still our active and energetic and Hon. Librarian, this being his 15th year of service. He has our congratulations and thanks for his untiring labours. He is assisted by Messrs.

"Saturday Nights" continue to be the most attractive of the "popular" features at the Centre.

On the 15th March, about 80 members and friends were hospitably entertained by our Principal and Mrs. Abraham at a Garden Party at Blackburn.

A policy of economy has been adopted wherever possible through the war conditions. In spite of many calls for patriotic and Red Cross work appeals and other presentations, the Centre receipts amounted to £47/13/11, the expenditure, £34/5/3, leaving a balance of £12/18/8.

Mr. Alex. Williamson (country collector of the Adult Deaf Society) died on the 5th September, 1918. It is with extreme regret we record his death for he was one of our most generous members. He gave hundreds of books to our Library and frequently his services in binding and repairing books. It is felt that by his death the members have lost a good colleague. Our sympathy and condolence is tendered to his widow in her great loss.

Mr. W. Warren, (blind and deaf) died on 28th January. He had been a member for many years.

Miss Isabella Foster died on the 4th February after a long illness. She was one of the oldest members of the Society, and did much work in the early days of its establishment.

Miss Nora Kennedy died in August last. She was one of the youngest members, and a very bright and intelligent girl. She was loved by all.

We cannot close this review without offering our most grateful thanks to God, our Heavenly Father, for all His loving kindness and protecting care.

F. E. FREWIN,

Hon. Sec. to Deaf Committee.
