at Blackburn for training and housing the mentally deficient. The whole of the Municipalities were then visited, and numerous meetings addressed. Mr. Mercy took up this work with enthusiasm acting as Chairman to the Committee of the Great Bazaar held in the Melbourne Town Hall, in June, 1907, when the whole of the suburban municipalities were represented by stalls. For over four years, Mr. Mercy has acted as Chairman of the Committee.

At the last meeting of the General Board it was decided to place on record the Committee's appreciation of the immeasurable services that have been rendered to the Society by these gentlemen, and to recommend to the Annual Meeting that they be elected Life Governors of the Society in recognition of their past services.

#### STAFF.

In face of the difficulty in securing the services of an expert assistant to the Principal (a difficulty common to all Adult Deaf Societies since the outbreak of War), the Committee have decided to continue present arrangements until conditions are more favourable. During the year the Principal has been assisted at the Centre by five deaf Lay Helpers (Messrs. F. E. Frewin, R. H. Luff, J. M. Johnston, E. Johnson, and A. W. Sutherland), for some months by a deaf lady visitor (Miss Rose Dow), also at the farm by his son, Mr. Douglas Abraham and a deaf overseer, Mr. McLellan.

#### CONTROL OF CENTRE.

Whilst there is adequate supervision by the General Board and control by the Principal, yet the deaf mutes are left as far as possible to manage the internal affairs of the Centre, such as the character and times of their meetings, classes, etc. The idea being to encourage self-reliance and provide practical experience in life's responsibilities.

Our Centre has been in continuous use throughout the year, the deaf being quick to profit by the many conveniences freely provided for them. On Sundays, morning and evening, Divine Service has been conducted in their own language by the Principal and his deaf Lay Preachers. On Tuesday and Thursdays, lectures and classes are held, and on other evenings club gatherings, socials, library, bank, etc. The Building has been as usual open daily from 9 a.m. to

10 p.m. (except Fridays) with an officer in charge to attend to urgent calls for help and advice.

Our Centre premises, when erected 17 years ago, provided sufficient accommodation for the needs of the time, but for some years past the necessity for increasing it has become more evident every month. The number of deaf people of both sexes now flocking to our Centre makes this imperative. The social section of the Centre is frequently uncomfortably overcrowded.

The gift of a full sized Billiard Table by Mr. George Vial, a member of the General Board, came at a time when the Principal and Staff were at a loss to provide suitable and attractive recreation for the young people. The gift is appreciated to the full by the deaf, who are ever mentally repeating their thanks to the giver for his kind thought of them. So many have, after waiting a turn, in the end to go away disappointed, that we are looking forward to the time when a second table can be installed at the Centre.

#### EMPLOYMENT OF THE DEAF.

For very many years, the chief anxiety of the Committee and its officers was the problem of procuring suitable employment for the doubly handicapped members of our deaf community. Employers were strongly prejudiced against employing them, owing to the difficulty in conveying instructions to them, but to-day, the deaf experience little difficulty in procuring work side by side with the normal. Instead, as in the past, when our expert agent had to go with them and plead for positions, they now independently seek and obtain work for themselves, and it is quite the exception for our people to be out of employment.

#### LEGACIES.

During the year we have received £375, being the first instalment of £500 left to the Farm and Home by the late Miss Timms, and £25 from Miss Mary Potter (daughter of the late Archdeacon Potter) who was for many years an energetic member of the Society.

#### FARM AND HOME.

During the past year, four deaf mutes, one of whom is also blind, have been admitted to the Home, and four have left. We regret to report the death of one. Altogether 78 have benefited by the Home comforts and advantages. Four of the present in-

mates are blind deaf-mutes and the majority are mentally deficient.

Considerable special work has been done at the farm. One resident, who is partially blind, has painted the whole of the wood work of the front elevation of the Home. A substantial rustic bridge has been built across the head of the lake; large paddock fenced in for grazing purposes; fencing on the whole of the south and east side repaired. Six acres grubbed some years ago have been cleared, ploughed, harrowed, and scarified, part sown with oats and part used for planting of bulbs, vegetables, etc. Poultry rearing on a small experimental scale has also been added to the instructional work of the farm.

With the exception of minor ailments, the health of the inmates has been good.

The blind and mentally deficient deaf mutes are under the careful supervision of Mr. Douglas Abraham, who is a son of the Principal. He is thoroughly conversant with the language, the varying mental condition and needs of his charges, and it is largely due to his cheerful, sympathetic and tactful care that the inmates of the Home are healthy and happy.

The care of the blind-deaf and dumb and mentally deficient demands considerable self-sacrifice on the part of the Instructor or Supervisor. Many hours have to be devoted in patiently spelling out upon the hands of the blind deaf, the news of the day and cheerful conversation on things generally, and there is always one or other of the mentally deficient needing special attention, medicine, etc. Then there is the matter of attending to their clothing, down to their boot laces, their baths, shaving, hair cutting, etc., for the majority are more or less children mentally, and must be cared for as such.

It is not possible to speak too highly of the motherly care of our Matron. Since the establishment of the Home, when the undertaking was largely experimental, until the present time, she has ever been watchful for the well-being of her afflicted family. The domestic problem is ever with the Committee, and they regret that the Matron has frequently been called upon to undertake cooking and other domestic duties.

There has been a great improvement in the output of flowers, the actual sales amounting to £735.

It is hoped that it will be opportune at an early date to bring our special needs before generous friends with the view of the completion of our buildings.

The Committee again desire to record their warm appreciation of the honorary services rendered by Dr. Craig to the inmates.

The Committee once more express their thanks to the public for its generous support, both by gifts and in money, and kind favors accorded to collectors and in other ways.

By Order of the Committee,

R. J. OEHR,

Hon. Secretary.

EXTRACTS FROM THE

## 32nd Annual Report of the Deaf Committee

Ladies and Gentlemen,

Your Deaf Committee, in presenting the 32nd Annual Report and Balance Sheet for the year ending 31st March, 1920, have much pleasure in stating that it has been a year of progress and perseverance, in spite of the unsettled state of affairs in trade and commerce.

We trust the worst of the "after the war storm" is now past, and the way will soon be clear for the fulfilment of the many plans and hopes we have for the future. We earnestly ask for the co-operation of all our members in the work ahead.

Your Committee once more desire to gratefully acknowledge and to give expression to their appreciation of the invaluable services of the General Committee for the past year in their efforts for the well being of the deaf congregation. It is with the deepest regret we learn of the retirement of two of the most untiring of its members, viz., H. S. Martin, B.A., LL.B., and G. G. Mercy, J.P.

Their places will be hard to fill, but they may be sure they will always be remembered for what they have done for the Society during their connection with it, and we earnestly hope their interest will not cease with their retirement.

Sunday services have been conducted by our Principal, Mr. Abraham, in the evenings, the morning services being taken in rotation by the following deaf lay preachers:—Messrs. R. H. Luff, F. E. Frewin, J. M. Johnston, Ed. Johnson, A. W. Sutherland, and W. A. Paterson.

These gentlemen have carried out their pastoral duties with entire satisfaction.

Your Committee would be gratified to see a larger attendance at morning services, especially the summer months.

Harvest thanksgiving service was held on the 21st of March. Mr. Abraham conducted impressive sermons both morning and evening to good attendances.

The building was fittingly decorated with greenery, vegetables, flowers, fruit, etc., which were liberally sent in by several deaf members and Home Farm in Blackburn.

Bible classes have been conducted regularly by Mr. Abraham, who has also given a series of educational classes alternately with instructive addresses. It is pleasing to note the attendances at these classes have increased encouragingly.

The Sacrament has been duly administered every three months.

The library and reading room is still well patronised by the deaf members. Many fresh books have been added to the stock.

Mr. Mortimer, who has been Hon. Librarian for the past sixteen years, has been ably assisted by Messrs. J. Cariss and F. Rees. Our heartfelt thanks for their valuable efforts is here tendered them.

The usual quarterly rallies have been successfully carried out under the charge of the Amusement Committee.

A Peace Day rally was celebrated on the 19th July. The Deaf Committee, along with the Deaf Workers' Club, entertained the deaf members to tea and supper.

A feature of the anniversary rally, in the month of October, was the unveiling of the handsomely-framed photograph of our late Collector and beloved friend, Mr. A. Williamson. This ceremony was performed by Mrs. Abraham.

The Monthly Letter has been regularly circulated amongst the deaf in both city and country. Our best thanks are due to the subscribers for their generosity towards this useful little publication.

The Saturday recreation nights are still exceedingly popular, and are under the supervision of the Deaf Committee. Billiards has now become the chief feature.

On the 4th of November (Cup Day), the annual picnic was held at Wattle Park. A series of races was keenly contested by both sexes for prizes. A donation of £2 towards the prize fund was gratefully received from Mavis and Beryl.

On the 13th of March about 130 members and friends were hospitably entertained at a garden party at Blackburn by our Principal and his wife (Mr. and Mrs. Abraham).

A handsome billiard table, generously donated by Mr. Geo. Vial, a member of General Committee, was formally presented by that gentleman on the 17th of September. Mr. and Mrs. Vial, along with Mr. and Mrs. G. G. Mercy, were the guests of the evening. Appropriate speeches were made on behalf of the deaf by Messrs. M. L. Miller, J. M. Johnston, W. A. Paterson, and Miss R. Dow. Mr. Vial suitably responded.

An unique exhibition, under the auspices of the Australasian Deaf and Dumb Association, was held during the month of September, 1919.

It was inaugurated as a Remembrance Day (or Rose Day) to honour the founder of the Victorian Deaf School.

Mr. Rose's old pupils were well represented by the various exhibits. The exhibition itself was well patronised by visits of the hearing public.

The report of the Men's Guild shows its members keep up their attendances at meetings, with a fair average. The Committee earnestly hope its younger members will show the same desire to uphold their Guild as they do for their Athletic Club.

The Athletic Club presents a fair, pleasing and hopeful report, though both lacrosse teams failed in securing premiership honours.

The Cricket Club also shows a good report, and is well satisfied with the progress made and interest shown.

The Deaf Bank having entered its 16th year, the Hon. Manager is pleased to state that the operations during the year just closed have been satisfactory. The interest taken in it by the depositors is shown in the maintenance of deposits, though the withdrawals exceeded the deposits. Still there is a credit balance to carry forward into the new year.

The sum of £132/0/2 was carried forward, the deposits amounted to £107/0/8, and the withdrawals totalled £125/18/7, thus leaving a credit balance of £113/2/3 to carry forward. The sum of £1500 has passed the bank since its inception. Thanks are due to the Hon. Manager, R. H. Luff, and the Sub-Manager, Mr. G. Mortimer, for the success of the bank during the past twelve months; also to Mr. G. Newnham for auditing, and to the depositors for their interest and co-operation.

The Hon. Secretary of the Women's Guild reports:--  
"The meetings of the Guild are becoming more popular than ever. The papers given during the year were very good and varied, for which the speakers secured credit and appreciation. Some gave more than two papers, showing their willingness to spare their time for the benefit of others."

The Hon. Secretary of the Workers' Club reports:--  
"The Deaf Workers' Club is still going strongly. It may be remembered that, from the beginning to the end of the war, the Club devoted its energies to the making of comforts for sick and wounded soldiers. Now the war is over, the main object of the Club will be to help in every possible way all deaf in need, also to undertake to individually supply the Centre or the Blackburn Home with one or two useful articles annually, particularly of their own making. The membership is very good. The Club forwarded dainty boxes of chocolates, with cards, to the women inmates of the Home, also delicacies to three other members, patients at hospitals, as Christmas treats.
