FOR THE ADULT DEAF AND DUMB.

The Adult Deaf and Dumb Society of Victoria provides a special institute for the Adult Deaf and Dumb, known as The Adult Deaf Mute Centre, Jolimont Square, Melbourne East.

Every effort is made to provide these doubly handicapped people—at our One Institution—with the same advantages as are enjoyed by hearing and speaking people in many associations.

The headquarters of the Society contain a Church, Social and Lecture Hall, Classrooms, Billiard Room, Library, Offices, etc. Here services, lectures and classes are regularly conducted in the language of the deaf and dumb by expert instructors. There are frequent socials and entertainments; also there the Deaf Lacrosse, Cricket, Tennis and Rambling Clubs hold their meetings.

We have an officer on duty from 9 a.m. to 10 p.m. daily to assist in our activities of the Employment Bureau and Relief Agency. The Society also publishes its own newspaper. The mere fact of being deaf and dumb entitles all so afflicted to these advantages. It is open to all denominations.

For the Aged, Infirm and Blind Deaf and Dumb, there is a comfortable Home beautifully situated at Blackburn. For those who are Mentally Defective, as well as deaf and dumb, there is a Training Farm connected with this Home. This is another activity of the Adult Deaf and Dumb Society.

We believe there are many more in the State bearing these terrible afflictions, the relations and friends of whom have never heard of our Home.

DO YOU KNOW OF ANY PEOPLE SO AFFLICTED?

And, if so, will you do your part to help them, and put us into communication with their parents or friends.

Please communicate with the Principal upon all matters pertaining to the welfare of the deaf and dumb.

FORTY-SECOND ANNUAL REPORT

OF THE

Adult Deaf and Dumb Society

OF VICTORIA (INCORPORATED)

MARCH 31ST, 1926

In presenting to the Members and Subscribers the 42nd Annual Report of the Adult Deaf and Dumb Society of Victoria, the Board of Management desire to draw attention to the fact that they are still compelled to carry on the Society's activities in the temporary buildings at Jolimont Square, which was last year made adaptable for the purpose, pending permission of the Charities Board to make a public appeal for the much-needed church, hostels for men and women, educational institute, club house and offices. The estimated cost of these buildings will approximate £15,000, and in addition to this requirement, we have a debt of £11,000 upon the Jolimont property.

Whilst emphasising the desirability of the erection of suitable buildings to house the many activities of the Society as early as possible, the General Board look back with pleasure upon the Society's forty-two years of steady, uninterrupted progress.

It was not until 1860, when sufficient public interest being aroused, that the first school for the deaf and dumb was founded in Australia; it is less than 170 years since the first school for the deaf and dumb was established in Great Britain. At the beginning of the last century there were only eight small institutions for the education of the deaf and dumb in the whole world, and they were in Europe.

The first schools in Australia were known as asylums, and resulted to a large extent in the general public believing that such afflicted people were put in these "asylums" for their own protection, and there remained for the rest of their lives. There are thousands of people, unfortunately, who think in like manner to this day.

The fact that the deaf were merely "dumb" because they could not hear—speech being an acquired art—and that mental deficiency did not necessarily go with deafness, only began very gradually to be under-

stood when the deaf started to leave school and to establish themselves. These first pupils were joined by adult deaf-mutes from Europe, and became the pioneers of this Society. In those days, some forty years ago, the only meeting places for the deaf and dumb were convenient lamp-posts or quiet hotel parlors; there were no churches, institutes or clubs for them; it was also most difficult to persuade employers to give them work, as they were considered, to put it gently, "unbalanced." "How can he be made to understand?" "Take up too much time to teach him!" "Wouldn't do to employ mentally deficient in this workshop," etc. Then, when work was secured, it was invariably at a wage considerably below the standard.

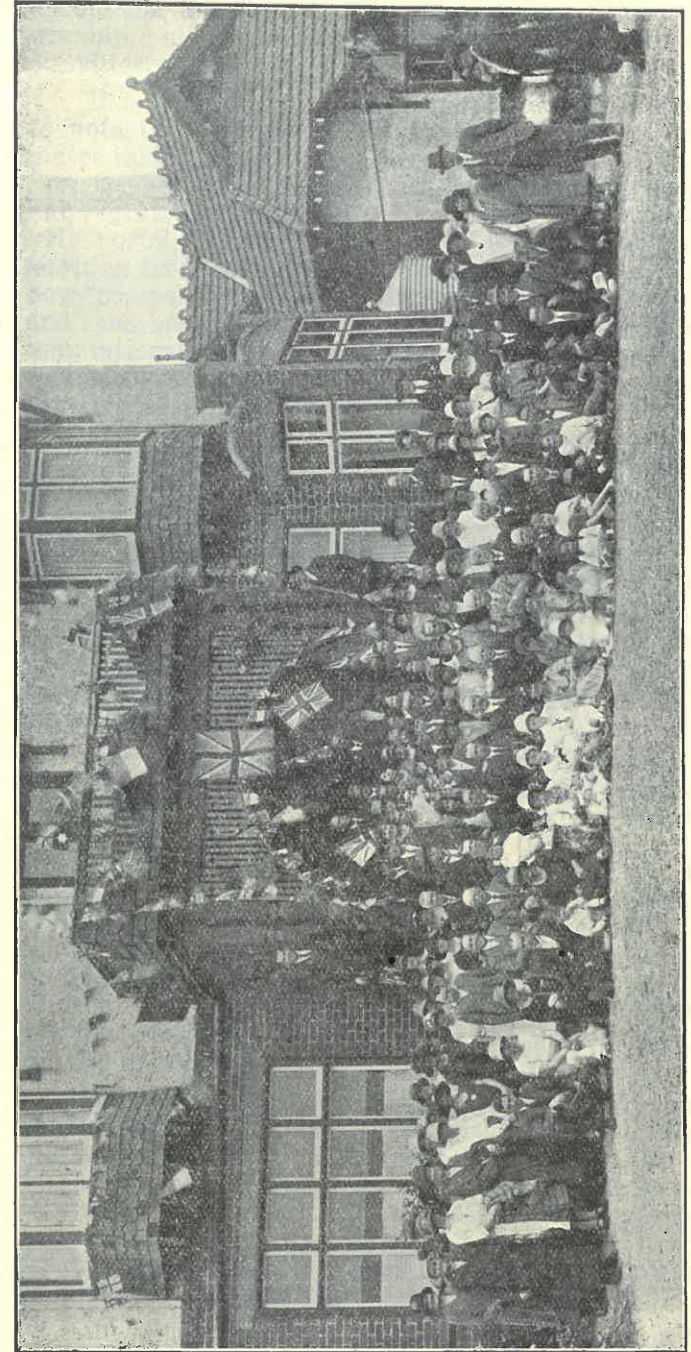

When still more pupils reached the age of sixteen and left the "asylum," and still more arrived from Europe, the need of Spiritual Guidance and the means for social intercourse was more apparent, and became an urgent necessity.

A cricket club was founded by the adult deaf, out of which, soon after, grew what is now known as The Adult Deaf and Dumb Society of Victoria. At first, services and meetings were held in rented premises; then, twenty-two years ago, an Adult Deaf Centre was built in Flinders Street.

Compare the condition of pre-Adult Deaf Society days and those of the present. It is seldom now-a-days that we have unemployed for any length of time; the deaf are also proud to be working side by side with the normal, turning out equally good work and earning a like wage, and every duty pertaining to citizenship it is their desire to share.

Last year fifty of our members saved sufficient money which enabled them to take a trip to Sydney (the majority staying ten days), the object being to join in the Deaf Competitions and Festivities. Our Society's Cricket Club retained the Australian Deaf Challenge Shield (the gift of this Society's Principal). Three of our most active members—one, a voluntary worker amongst the adult deaf for forty years in this State—left Melbourne recently on an eight months' trip to Europe.

Normal people have numerous organisations established for their benefit. The necessity of making similar provision for the deaf and dumb must be apparent. The fulfilment of the Society's aspirations in regard to its activities having been made possible by its ownership of the Jolimont Square property, will

GARDEN PARTY GIVEN BY THE BOARD OF MANAGEMENT TO MEMBERS OF THE ADULT DEAF AND DUMB SOCIETY, MARCH 1926.

enable the making of such necessary provision, viz.: worship, also education, philanthropy, and social activities.

It is a matter of great satisfaction to the Board to note the steady increase in the number of deaf-mutes taking advantage of the benefits provided by the Society, especially in the case of the young people, but regret that they are not yet in a position to provide hostels for the many young folk of both sexes learning trades and in receipt of small wages, who are now compelled to live in unattractive surroundings, and thus become subject to undesirable influences and temptations, where they lack supervision and uplifting conditions, which would be obtainable in hostels under the auspices of our Society.

Amongst the most practically useful of the operations of our Society is the Employment and Enquiry Office, which is open daily and in daily demand all the year round. Last year the Melbourne Visiting Missioner secured employment for thirty-seven deaf persons, who, having themselves failed, sought the help of the Society. All sick cases were visited by him at their homes or in the hospitals, and hundreds of visits made in their behalf. Where financial assistance was needed it was given. Our interpreters have officiated at weddings, burials and in courts.

Our small hall at Jolimont Square is used for numerous purposes: Sunday mornings and evenings for Divine Worship, and upon week days for lectures, classes, entertainments, socials, and the meetings of the Men's and Women's Guilds, Workers' Club, Lacrosse, Cricket and Tennis Clubs, also for weddings, birthdays and other social functions of the deaf. All are looking forward to the day when we shall be able to hold Divine Worship in our own specially erected Church, and when there will be a separate institute for the educational work, freeing the present Centre for use as a club house.

Every effort is being made to attract our young people to the Adult Deaf Centre, with the view of keeping them away from questionable amusements. It has to be remembered that they work side by side in factory and workshop with all classes, and "sympathetic interest" often means undesirable company and not infrequently temptations. They are of a necessity generally the weaker, and more easily led.

The welfare of the deaf and dumb in the country districts is not being overlooked. Mr. R. H. Luff, the

Country Missioner to the Deaf, is systematically visiting every home, and has already been instrumental in accomplishing much good, his surprise visits giving much pleasure.

AGED, INFIRM, BLIND DEAF, &c.

As the expert officer of the Society became more and more acquainted with the deaf-mute population of the State, it was discovered that many had grown up without education; some were more or less mentally defective, others blind and deaf and dumb, others aged and infirm; there were also some who, through lack of discipline or training, were living in idleness. All need protection or instruction. Much harm has been done to the deaf and dumb generally because of endeavors that were made to find employment for deaf and dumb of the type referred to. The necessary distinction not being made, they were classed as unemployable, making it difficult to place even the skilled deaf and dumb artisans in employment.

Hence the Society felt called upon to add yet another to its many activities, and it was for the shelter, protection, care and training of this section of the deaf-mute community that the Blackburn Home was built and the Training Farm established.

Then began a sifting out and careful training, so that, within a few years after the Home was opened, all the deaf inmates that could be disciplined and trained were returned to the working world to earn their own livelihood, leaving at the Home only such as it was wise to keep there for their own welfare and the good of the community generally.

At the present time there are thirty-three deaf and dumb inmates and employees at the Home, three of whom are blind-deaf, two semi-blind-deaf, seventeen more or less mentally defective, and four aged and infirm.

THE LATE MR. M. L. MILLER.

The late Mr. M. L. Miller was connected with this Society from its inception, and was an active worker in the interests of his fellow deaf and dumb citizens. For many years he was a member of the Board of Management and Assistant Treasurer, doing practically all the book-keeping of the Society during the most active period of its existence. Mr. Miller, by his charming manner, cheerful disposition, skill in sport, craftsmanship, and readiness at all times to sacrifice himself for others and the Society, won the highest esteem and affection of the members.

THE LATE MR. SAMUEL JOHNSON.

It is with deep regret that the Board learned of the death of Mr. Samuel Johnson, Principal of the South Australian Institution for the Deaf and Dumb. They feel that his death is an irreparable loss to the deaf community, and acknowledge the indebtedness of this Society and the deaf and dumb people of the State of Victoria to this great benefactor. Mr. Johnson was largely instrumental—in the days when no provision was made for the adult deaf of Melbourne—in making provision for their regular Spiritual instruction. He was also the founder of the Melbourne Deaf Young Men's Society.

MR. R. J. OEHR, HON. SECRETARY.

Mr. and Mrs. Oehr have left, with members of their family, on a pleasure trip to Europe with the best wishes of the Society.

THE DEAF COMMITTEE.

For details of the work at the Centre and a general resume of the happenings in our little world of the deaf, we refer our subscribers and friends to the Deaf Committee's Report.

APPRECIATION.

The Board of Management recognise with pleasure the efficient services rendered by the various Committees and the members of the staff, both at Jolimont and Blackburn.

We desire to express our appreciation of the valuable services rendered by our honorary medical officers, Drs. W. J. Craig and F. May.

EXTRACTS FROM THE

38th Annual Report of the Deaf Committee

The members of the Adult Deaf and Dumb Society of Victoria desire to acknowledge with gratitude the consistent efforts of the General Board of Management to promote the best interests of the Society. In every way the members of the Board have displayed keen interest in the members' welfare.

As usual, Divine Services have been conducted by our Principal and Chaplain, Mr. Ernest J. D. Abraham, and his assistant, Mr. J. M. Johnston, on Sundays—morning and evening. The attendance at both services has been well maintained.

On the 21st of March the usual Harvest Thanksgiving Service was held, the Church being decorated with greens, flowers, fruit and vegetables, etc., the gift of the Blackburn Deaf Farm and members of the congregation, to whom our best thanks are tendered.

Two memorial services were held—both conducted by the Chaplain; the first to the memory of the late M. L. Miller, on the 30th August, the second to the late S. Johnson, Superintendent of Adelaide Blind and Deaf and Dumb Institution, on March 7th, 1926.

The Lord's Supper was administered on four occasions by our Chaplain.

At the Hospital Sunday Services held on 25th October, 1925, the offertory was £8/15/-.

The Thursday night Scripture Study and Lecture has been conducted regularly, for the most part by the Missioner, and by the Principal on special occasions.

The amount of the ordinary church offertories for the year reached £62/12/4.

The usual quarterly rallies have been held under the direction of the Deaf Committee, and the attendances have been exceptionally large. These social gatherings are highly appreciated by the deaf. Thanks are tendered to those members of the various Committees whose untiring efforts assured their success.

The rally held on 14th September, 1925, was a special complimentary social to Mrs. E. J. D. Abraham on her retirement from the Matronship of the Farm and Home, Blackburn. A handsome and unique Elizabethan writing desk was presented to her by Mr. W. P. Muir on behalf of the deaf mutes of Victoria. The deaf were afterwards entertained to supper. The employees and inmates of the Home also paid their tribute of affection and gratitude to Mrs. Abraham by presenting her with a silver coffee service.

The opening of a series of socials with the name of "Get to Know Us" was begun on the 15th February, 1926, Mr. J. Dudley, the hon. treasurer being the chief guest of the evening. It is the intention of the deaf to thus entertain members of the Board of Directors and other friends of the Society.

On the 13th March, 1926, the General Board of the Society entertained the deaf at a Garden Party held at Lake Park, Blackburn. This annual event was inaugurated by our Principal twenty-three years ago, and in future we are to be the guests of the Board of Management as well as our Principal. On this occasion opportunity was taken to "farewell" Messrs. W. A. Paterson, A. W. Sutherland and G. Edwards, who are now on a six months' trip to England and Europe. A most enjoyable time was spent in novel games.

Our Annual Cup Day Picnic was held on our own property at Jolimont Square, when there was a very large attendance. Races and sports were held in the Richmond Park.

The Saturday night gatherings are still as popular as ever. The winter games competitions proved a success. These competitions were keenly contested, and the winners were heartily congratulated on their good performances. At the termination of games hot suppers were served at cost price, which proved very popular.

The "Monthly Letter" has entered upon its 22nd year and is still eagerly sought for.

The Library and Reading Room is well patronised. Some new and secondhand books, magazines and periodicals have been added to the tables and shelves, principally 43 volumes from the late M. L. Miller bequest to the E. J. D. Abraham Library, and 40 volumes from Miss Emily Smith. Hearty thanks are tendered to the donors.

During the winter season a billiard tournament was again an interesting feature amongst the younger men, and keen rivalry was shown throughout the games. Our Principal, Mr. E. J. D. Abraham, and the Deaf Committee donated the prizes, and a sum of £10 was donated to the cricket club from the Billiard Table Fund.

The Bank has entered upon its 21st year. The hon. manager is pleased to state that the operations during the year just closed have been satisfactory. The interest taken in it by the depositors is shown by the maintenance of deposits, which exceeded the withdrawals. The year closed with 49 depositors. The sum of £319/4/8 was carried forward, the deposits amounted to £517/9/3, and the withdrawals totalled £502/2/7, thus leaving a credit balance of £334/11/4 to carry forward.

The sum of £3,500 has passed the bank since its inception. Thanks are due to the hon. manager, R. H. Luff, and the sub-manager, J. M. Johnston, on whose shoulders the bulk of the work rests, for the success of the bank during the past twelve months; also to Mr. Edgar Peacock for auditing.

The Report of the Women's Guild shows it to be in a prosperous condition, and for a very successful year of lectures, papers and lessons, which reached a very high standard, the president, Mrs. F. E. Frewin, is to be thanked. She was loyally supported by Miss Gibson, hon. secretary. Under the Guild's auspices a painting class is held every Saturday afternoon, under the instruction of Miss Cooper, who is heartily thanked for her honorary services.

The Men's Guild experienced a quiet year. The usual papers and lectures were given by the members in rotation, all of which were very interesting. The Annual Picnic, held on Foundation Day at Sandringham, was well attended and much enjoyed.

The Workers' Club is still doing useful work. At the beginning of last year the members, under the leadership of Mrs. H. Gladman, organised a Floral Fete to raise funds towards the Building Fund of the Society, which turned out most successful. Over £105 was obtained.

A most enjoyable picnic was held at Blackburn on Eight Hours Day, where races and other competitions were gone through.

The Deaf Lacrosse Teams deserve our warmest congratulations upon their excellent achievement. The

No. 1 team was placed in the Senior A, and finished the season with fourth place, competing for premiership, but failed to attain that goal. No. 2 team also made a splendid showing during the season in the C Section, and it too entered into the final four, and, like its senior team, failed in the final.

The Cricket Club entered the Victorian Junior Cricket Association competitions. Unfortunately their record was but a poor one, but they nevertheless succeeded in winning the Triangular Interstate Deaf Cricket matches during the Christmas season in Sydney, thereby annexing the E. J. D. Abraham Shield for the second time in succession.

The Tennis Club spent the year in strenuous practices, and last Christmas season a team went to Sydney to try conclusions with the N.S.W. and Queensland teams. The result of the competitions was in favour of the New South Wales team.

BIRTHS.—A daughter to Mr. and Mrs. Jeanes, April 3rd, 1925; a son to Mr. and Mrs. R. Kemble, May 3rd, 1925; a son to Mr. and Mrs. Moore, in July, 1925; a son to Mr. and Mrs. W.
