AT BLACKBURN

FOR THE ADULT DEAF AND DUMB.

The Adult Deaf and Dumb Society of Victoria provides a special Institute for the Adult Deaf and Dumb, known as The Adult Deaf Mute Centre, Jolimont Square, Melbourne East.

Every effort is made to provide these doubly handicapped people—at our One Institution—with the same advantages as are enjoyed by hearing and speaking people in many associations.

The headquarters of the Society contain a Church, Social and Lecture Hall, Classrooms, Billiard Room, Library, Offices, etc. Here services, lectures and classes are regularly conducted in the language of the deaf and dumb by expert instructors. There are frequent socials and entertainments; also here the Deaf Lacrosse, Cricket, Tennis and Rambling Clubs hold their meetings.

We have an officer on duty from 9 a.m. to 10 p.m. daily to assist in our activities of the Employment Bureau and Relief Agency. The Society also publishes its own newspaper. The mere fact of being deaf and dumb entitles all so afflicted to these advantages. It is open to all denominations.

FOR THE AGED, INFIRM AND BLIND DEAF AND DUMB.

There is a comfortable Home beautifully situated at Blackburn. For those who are Mentally Defective, as well as deaf and dumb, there is a Training Farm connected with this Home. This is another activity of the Adult Deaf and Dumb Society.

We believe there are many more in the State bearing these terrible afflictions, the relations and friends of whom have never heard of our Home.

DO YOU KNOW OF ANY PEOPLE SO AFFLICTED?

And, if so, will you do your part to help them, and put us into communication with their parents or friends.

Please communicate with the Principal upon all matters pertaining to the welfare of the deaf and dumb.

FORTIETH ANNUAL REPORT OF THE Adult Deaf and Dumb Society

OF VICTORIA (INCORPORATED)

MARCH 31ST, 1924

The Committee present with pleasure and gratitude to the subscribers and friends of the Adult Deaf and Dumb Society its Annual Report for the year ending 31st March, 1924.

It has been a year of remarkable achievement with the consummation of an event long hoped for, viz., making provision for necessary expansion by the securing of a valuable and suitable site for a new Institute for the Adult Deaf and Dumb.

The year 1923-1924 will be memorable for three important reasons:—The purchase of Jolimont Square, the gathering of the Deaf and Dumb in Melbourne from all parts of the Commonwealth, and the Publicity Campaign now entered upon on behalf of the deaf of the State by this Society.

THE PURCHASE OF JOLIMONT SQUARE.

In our Report for the year 1922-1923 we stated that "now the Blackburn Home for the Deaf and Dumb who, by reason of additional infirmities, have to be housed, nursed and generally cared for, had been completed, we should next turn our attention to extensions urgently necessary for our increasing work at the Centre. However, we still hoped to secure a more suitable site; but failing to do so, it would have been necessary to make costly additions to the existing building."

For some years past the Committee have had to regret the inadequacy of the Flinders Street premises; every year has added to the difficulty by reason of the increasing numbers who are invited to take advantage of the Society's activities. Every available property had to be inspected, but the cost was either far beyond the financial possibilities of the Society or the site unsuitable. Plans were then again prepared and considered for alterations and additions to the Flinders St. premises, but eventually they had to be abandoned as inadequate on account of the small

area of the site, which, in the opinion of the Committee, would not justify any further expenditure. Ultimately, a very fine and historic property was brought to the notice of the Committee, and immediately negotiations were entered into, and the purchase completed. This well-known property—Jolimont Square—has a frontage of 313 feet to Wellington Parade, and a depth of 275 feet to Palmer Street (approximately two acres), with Charles Street on the western frontage, and Agnes Street on the eastern frontage—streets on all four sides—and will provide for the needs of the Society for generations to come; the purchase price being £25,000. The Flinders Street property has been sold to Messrs. MacMillan and Co. Ltd., publishers, for £17,000. Various alterations are necessary to the new premises, and are being carried out. The buildings eventually to be provided in the near future will comprise Church, Technical College, Workshops, Club House, Offices and Hostels for both young men and young women while serving apprenticeship or otherwise working in the city. When these plans are completed, the needs of the deaf and dumb of this State will be provided for in a manner equal, if not superior to, that of any community in the world. It will be necessary for the Committee to raise about £20,000, to pay the difference between the price obtained for the old property and the purchase of the new (£8000), and provide for the erection of the proposed buildings for our enlarged work. Meanwhile, the activities of our Society are being carried on at Jolimont, in a building that will ultimately be used for educational and social purposes.

PUBLICITY CAMPAIGN.

Education and after-school care are absolutely essential to the deaf and dumb—shut out as they are from those “every-day advantages” which are available to the normal. The eye is the only avenue to the deaf for instruction and social intercourse, hence the average uneducated deaf mute child eventually, when unfortunate not to have been trained in the special school, becomes in adult life, not only a burden to itself, but also to the State, and a sorrow to its parents and family; whereas an educated “normal” deaf mute is, in adult life, a self-supporting citizen. Recognising these serious facts, the Committee last year entered upon a Publicity Campaign, with the aim of bringing the same to the notice of all responsible people likely to come into contact with uneducated deaf and dumb children and irresponsible deaf mute adults. With this object in view, thousands of large alphabet sheets and booklets, giving in detail the needs of the deaf,

and the necessary action to be taken on their behalf, were published and sent to the State Schools, Sunday Schools, Police Stations, Railway Stations, Clergy, Doctors, and Shire Secretaries of the State. It is too early to report results, but the Committee have every reason for believing that already much good has eventuated. In this connection the Committee desire to render grateful thanks to the Railway Commissioners for allowing their large alphabet sheet to be posted upon the railway stations throughout Victoria.

INTERSTATE VISIT OF THE DEAF

Just exactly twenty years ago a Congress of the Deaf and Dumb of the Commonwealth, and an exhibition of their arts and crafts was held in Melbourne. Since then minor Conferences have been held in Sydney and Adelaide. At Christmas time and the beginning of this year the deaf and dumb of Melbourne again had the pleasure of entertaining their fellow afflicted from various parts of the Commonwealth. The programme was an elaborate one, covering two weeks, and was well carried out by the deaf mutes themselves. It included Special Services, Conferences upon various matters appertaining to the welfare of the deaf, an Interstate cricket match for a Challenge Shield, a tennis tourney, a trip down the bay, a garden party at Blackburn, when the visitors were the guests of the Adult Deaf and Dumb Society, and various other social functions. It is pleasing to be able to record, in this connection, that the Victorian Deaf won both the Cricket Shield and the Tennis Championship. It may also here be mentioned that one of our Deaf Lacrosse teams secured the Premiership in Junior A Grade of the Victorian Association contests wherein they met normal players.

OUR HOME FOR AGED, BLIND, AND MENTALLY DEFECTIVE, BLACKBURN.

The Committee feel they have every reason to be satisfied, if not proud, of the work of the Home and Farm at Blackburn. Altogether, one hundred and four persons have been admitted to the Home since its establishment; an average of thirty-five being in residence during the past year. Sixteen new cases were received into the Home, and twelve have left, including a married couple with two children. In the latter case, after a stay of a few months, employment was obtained for the father, who, with his family are now doing well. Employment was secured by six others, and one returned home, improved in condition and able to resume household duties.

We regret having to record one death. There was an epidemic of sickness during the months of May and June, when almost all the inmates were affected with influenza. However, on the whole their health has been, and is still, good.

With regard to the work upon the farm itself, it must be borne in mind that practically the whole of the inmates are more or less mentally or physically defective, many need personal care and special attention; yet notwithstanding these drawbacks, a number of them succeeded in growing flowers and other produce to the value of £913/16/6, and the sum of £877/10/9 was received toward their maintenance from other sources. The total, £1791, covering two thirds of the cost of the upkeep of the establishment.

APPOINTMENT OF ASSISTANT MISSIONER.

Early last year a deaf young man, Mr. J. M. Johnston (who for several years has been an active honorary worker amongst his fellow afflicted, especially the younger members) was appointed Assistant Missioner, and is already giving helpful service, satisfactorily taking over much of the routine work that had hitherto largely occupied the time of the Principal, thus enabling the latter to give increased attention to the larger and more important duties of his office.

For details of the work carried on at the Adult Deaf Centre, the Committee refer subscribers to extracts from the report of the Deaf Committee. It will there be seen that the activities include the essential features that are recognised as the object of many of the most important institutions and organisations for the hearing.

The Committee desire to express appreciation of services rendered by the various Committees' and Societys' officials at the Centre and Farm.

We regret that illness has caused the continued absence of our friend, Mr. Miller, whose warm-hearted help has always been freely and spontaneously rendered. Our President, Dr. J. F. Mackeddie, returns to Melbourne in July, after a visit to Europe, where he has been making extensive pathologic and medicinal research.

We desire to express our appreciation of the valuable services rendered by our honorary medical officers, Drs. W. J. Craig and F. G. Heyer. To the subscribers and friends of the Society we extend our thanks for their support, by the aid of which we are enabled to carry on this important work.

EXTRACTS FROM THE 36th Annual Report of the Deaf Committee

In issuing the 36th Annual Report, the Deaf Committee of the Adult Deaf and Dumb Society is pleased in being able to record that progress has been a marked characteristic in every department of the Centre's activities.

We desire once again to record our grateful appreciation of the valuable services rendered to the Society and its deaf members by the General Board.

Divine Services have been held on Sunday morning and evening throughout the year. As usual, our Chaplain conducted the services with the help of Lay Readers (Messrs. R. H. Luff, F. E. Frewin, A. W. Sutherland and J. M. Johnston). The attendance at Evening Worship was all that could be desired. Improvement in the attendance at Morning Service, however, is desirable.

The Hospital Sunday services were held on 28th October, 1923, when the record sum of £11 was collected.

The Harvest Thanksgiving services were held on 16th March, 1924. The Church was tastefully decorated for that occasion.

The Lord's Supper was administered by our Chaplain on four occasions.

Interest has been well sustained in the Thursday night Bible Study Classes. They were followed by interesting educational lectures.

The amount of the ordinary Church offertories for the year reached £66/13/10.

The Quarterly Rallies continue as popular as ever. The Easter Rally (April 12th, 1923) was under the charge of the Athletic Club. King's Birthday Rally (June 21st, 1923) was under the auspices of the Deaf Committee. Principal's Anniversary Rally (September 27th, 1923), Christmas Rally (December 26th, 1923), entertainment of Interstate visitors, Farewell Rally (March 20th, 1924). Our hearty thanks are again tendered to those who worked so enthusiastically in bringing success to these popular functions.

A Social Party, to celebrate the nuptial tie, was given to the congregation by Mr. and Mrs. J. Leber on December 5th, 1923, when felicitous speeches were made on their behalf by various speakers.

The Annual Picnic was again held at Mordialloc, a popular place with the deaf, on November 6th, 1923.

The Saturday night social gatherings maintain their popularity. There is invariably an overcrowded attendance.

The "Monthly Letter" is still eagerly sought for. Donations towards its upkeep are still coming in. The total amount received for the year was £6/3/-.

The Library continues to be well patronised. Mr. G. B. Mortimer, the Hon. Librarian, has served in this capacity for twenty years in succession, and is well assisted by Messrs. J. Cariss and A. W. Sutherland.

During the winter season a Billiard Tournament proved to be an interesting feature amongst the younger men, and keen rivalry was shown throughout the games.

The Report of the Men's Guild shows continued usefulness. Eighteen meetings were held during the year, and many splendid lectures given.

The Outing Fund and Bank is still forging ahead. During the past year the deposits increased rapidly, bringing the total up to £586/16/11. There has been a steady withdrawal, totalling £376/8/7, thus leaving a balance of £210/8/4 to carry forward. Thanks are tendered to Mr. R. H. Luff (Hon. Manager) and to Mr. Arthur Sutherland (Assistant Manager).

The Deaf Workers' Club has entered its tenth year, and it is gratifying to report that it has shown most pleasing activity in many ways. Members and friends (numbering 65) spent a most enjoyable outing at Warrandyte on Eight Hours' Day.

The "Toy Stunt," though carried out in a quieter way and on a smaller scale, considering the many activities during the festive season, was nevertheless a success. A large parcel of toys was sent to the "Sun" toy scheme, and a lot of toys were distributed amongst the poor children in some of the members' suburbs, and also among the children of the deaf.

The Deaf Rambling Club is still going strong. Enjoyable monthly outings were held.

Forty-one members have been enrolled on the books of the Women's Guild during the past year. The work of the Guild continues satisfactory.

Your Committee have again every reason to be proud of the Athletic Club. It is still in a flourishing condition. The No. 1 Lacrosse Team in the Junior A Section gained the coveted honors of premiership. It went through the season without a defeat, excepting one draw. The No. 2 Team was not so fortunate.

The Cricket Club entered into the Victorian Junior Cricket Association competition. Unfortunately their record was not as good as the lacrosse team's, but it nevertheless succeeded in winning the Triangular Interstate Deaf Cricket matches during the Christmas season, thereby annexing the E. J. D. Abrahams shield.

Success came to the new Tennis Club. During Christmas, 1923, New South Wales sent a team to try conclusions with our team. The result was very pleasing, as the Victorians won.

A very successful Bazaar was held during the year by the Athletic Club. A sum of £242 being raised. The principal feature of the Bazaar was the Queen's Competition, which brought in the handsome sum of £187. The fund raised was toward the cost of the Sports Ground improvements.

BIRTHS.—Mr. and Mrs. N. Webb, March, 1923 (a son); and Mr. and Mrs. G. Damman, of Warburton, November, 1923 (a son).

MARRIAGES.—Mr. T. Peters, to Miss E. Jackson, on September 8th, 1923. Mr. F. Johnson, to Mrs. E. Crockford, on November 23rd, 1923. Mr. J. Leber, to Miss E. Thompson, on November 27th, 1923. Mr. W. B. Anderson, to Miss G. Bates, on December 19th, 1923. Mr. S. Jeanes, to Miss D. Carr, of Sydney, on March 22nd, 1924. The Anderson-Bates wedding was celebrated in our Church. Best wishes are extended to the above for a happy and prosperous future.

SILVER WEDDING.—Mr. and Mrs. A. C. Muir, 4th May, 1923.

OBITUARY.—With deep regret the demise of: Mrs. W. A. Paterson, on 4th May, 1923; Mr. R. H. Watson, on 5th June, 1923; Mrs. W. Burge, on 27th June, 1923; Mr. D. Nolan, on 9th August, 1923; Mr. G. Woods, on 6th September, 1923; Miss Phillips, in December, 1923.

The Committee once more desire to express their appreciation of the confidence shown in them by the congregation, and trust that the coming year will witness the same loyalty and good-fellowship which exists at present. We also desire to offer our most grateful thanks to our Heavenly Father for all His loving and protecting care.
