Dear Mrs. Sab

31<sup>st</sup> May 1960  
4<sup>th</sup> Stat. is 83 $\frac{1}{2}$ .

I am now nearly 16 years and for 15 $\frac{1}{2}$  of the years of it you have made me very happy but I must admit it is nearly 3 years since I have seen Fairyland and its beautiful Queen. I am now engaged, and I promise by my oath on the Bible I will name my first child Grace or Jim after you and your husband. There are thousands of different statues & cups that I recognize as I sit here writing this letter. Mrs. Sab don't you keep on forgetting (that word is not really right because I know from past experience it is not true) to have your lunch.

Well Mrs. Sab I must be away although I very much regret it. Goodbye but not for ever I will be back to see you again before I get married. Lots of love and kisses

I think Fairyland is a tremendous place. I only wish Mrs. Tab would let me see her Budgies but I still think Fairyland is tremendous. I think the boy who took the medals was very naughty. I think Mrs. Tab is a tremendous woman. I think Dodge "Toby" and Fluffy are all tremendous. Mrs. Tab is tremendous woman cause she gives all her money to the children's hospital. I think I will always love Fairyland. I think Mrs. Tab's flags are tremendous. I think I will draw a picture of Mrs. Tab. No I won't because Mrs. Tab said she would rather see the Hawks win a premiership. So I will draw a picture of Hawthorn winning the premiership.

To Dear Mrs. Tab,

To Dear Mrs. Tab,  
Ever since I was young I have been coming here. Mrs. Tab has been like a second mother to me, nursing me when I was sick, and always sharing in my happiness. She is a wonderful woman and is appreciated by everyone who has been here. "Fairland" is something which only she could create because it is so beautiful. There are so many wonders there that I cannot find words nice enough to describe it. Mrs. Tab's good work for the hospitals, etc. is something typical for Mrs. Tab. She is one of the most wonderful persons I have ever met.

Carry on the wonderful work Mrs. Tab.  
Good luck and best wishes to  
you for all the coming years

I have been away from Fairyland for 5 years. On returning on  
23/6/60 I found the same enchantment that was here in 1955.  
Mrs. Talbot would undoubtedly be the most kind, wonderful  
and generous person I have ever met. I am hoping I can  
return many times in the future and Mrs. Talbot carrying  
on with her wonderful work. I have brought many happy  
memories back to me and will always be remembered by  
me.

Many More Years of Mrs. Talbot and Fairyland.  
G. C. Warman

Having never been to Fairyland before, or  
even to never having met Mr. Talbot, Fairyland  
lady before, I was fascinated. To see the  
work that a person with such a love for  
children could build up from the sheer  
generosity of her nature. Hoping I can  
come back in the near future and  
again look over Fairyland which fascinated  
me on my first visit.  
Continued success to Fairyland and the  
Fairyland lady.
