Rhonda Campbell, age 12 years.

The "Fairylane" lady is remarkable for the age of 85 years, she is very kind to have made such a lovely place to make children's hearts so happy. And, another thing she made everything by herself. She also has given £ 500 to The Royal Children's Hospital and hasn't taken even $\frac{1}{2}$ for herself. She has things over 2,000 hundred years old.

P. S. Carry on your good work, Mrs. Tabulo.

I think Mrs. Tabulo is the most wonderful person. Thank-you very much and God Bless you. Robin Wight. 6-1-62.

Fairyland seems to me to be the result of a life-long project, the only aim being to please children and the only reward being, as Mrs. Tabulo said, is to see that the children love her - and she loves them. I think Fairyland is a wonderful place
 for children to visit. Because you
 won't find many places like this
 in Australia. Mrs Tab has done such
 a wonderful thing for the children
 they should all appreciate it. Very
 much.

Fairyland is the place that has all
 that we dream of, whether child or

 is something to give one hope for
 all that is good in this life.

I have ^{not} been to Fairyland many times,
 but wish I could come more often. I hope
 that you may live a happy lifetime.
 I know that you have been happy, though
 you have had many hard times, and
 that you enjoy making other people
 particularly children. God bless you and
 your treasures, continue please your god work. Thank
 you.
 My Love, Christine Truman.

Fairy Land is a very nice place I like it because it has the nicest words

I've known Mrs Tabulo for many years, since I was a child she always had the magic so make a young heart thrilled. Fairy Land to me simulates the beauty which comes from Mrs Tabulo's heart it is a wonderland of beautiful magic.
