I am most
I think that Fairyland is the best childrens'
Playground in the world. The kind
fairy lady who runs this wonderful place
is the one lady in the world that,
I think, loves children the most, and I think
that ~~that~~ she would do anything to the utmost of her
powers to make children happy: ~~and to make~~

Dora Chisholm

I, too, agree with Jan that
as Fairyland is the most wonderful place
for all the little children of the world.

I have been going to Fairyland for nearly twelve years and I love it even more than when I first came here. There is a wonderful atmosphere of love which are not present in many places.

Mrs. Tab is more kind, sweet and gracious than ever, and I know that she will remain kind and loving to everybody who comes here.
